Man Without A Yesterday:

Yesterday's Faces Robert Sampson,1983 *Yesterday's Men* George Turner,2019-01-17 An experiment recreating the mind set of World War II escalates into an actual battleground between native revolutionaries and space colonists bent on subverting the power of the central government In the midst of this turmoil a physically enhanced agent questions his upbringing and training **Yesterday's Sorrow** Penelope Miller,2001-07 Condemned for the name he carries Desperate to stop a fiery history from repeating itself Captain Nicholas Sinclair begins a frantic race against a madman Never could he have imagined that while tracking his brother s killer through a community racked with hate over his father s arsonist past that he would be propelled headlong into marriage with the beautiful daughter of the only man who might hold some answers nor that Briana s gentle way and her tiny imp of a daughter might actually manage to penetrate the well guarded barriers of his worn and battered heart But the clock is ticking and as Nicholas intensifies his search and struggles to save his young family he begins to wonder if his greatest threat will come not from his faceless enemy but from the woman he s dared to take for his own Haunted by a long buried secret Briana Corwin will do anything to protect her daughter and in a rash attempt to keep young Emily s not quite legal adoption from coming to light she soon finds herself the sacrifice that will keep her little girl safe She hadn t stopped to consider however that the price might well be as high as her own heart and soul nor that the secret she has guarded for very so very long could well destroy them all How could she possibly have known that the little girl she has loved and raised since infancy is the very child of Nicholas s own slain brother A child he has believed dead for some three full years From the oak strewn hills of a deteriorating plantation home in Post Civil War Virginia to the dark and mysterious swamplands beyond Nicholas and Briana are drawn into the most horrific battle they will ever have to face A battle of wills a battle of hearts and finally a battle against the twisted sickness of an arsonist s mind Yesterday's Echoes Penny Jordan,2012-07-16 He Knew HerDark Secrets Tragedy had befallen Rosie when she was a vulnerable sixteen year old and the worst thing about the experience was being caught by Jake Lucas who clearly thought Rosie was a tramp Since then Rosie had resolutely concentrated on building up a successful career and had allowed no one to guess that there was another woman behind the cheerful face she showed to the world But Jake had entered her life again and he wasn t about to let her forget the past There seemed to be no way of avoiding the inevitable confrontation Would it shatter Rosie s life all over again **Yesterday's Dreams** Margaret Mayo,2012-07-16 Could Yesterday s Dreams Become Today s Happy Ending Businessman Drake Rivelin was still Sapphire s husband But their marriage was long since over killed by Drake s driving ambition and lack of consideration Their parting had been all his fault Now they met again and Drake was acting as if Sapphire were to blame for their breakup Despite everything she still loved him But was it worth the effort to try and sort things out Because she was no longer sure how Drake felt Exactly what did he want from her *Today's Sounds for Yesterday's Films* K.J. Donnelly,Ann-Kristin Wallengren,2016-04-08 In recent years there has been something of an explosion in the performance of

live music to silent films There is a wide range of films with live and new scores that run from the historically accurate orchestral scores to contemporary sounds by groups such as Pet Shop Boys or by experimental composers and gothic heavy metal bands It is no exaggeration to claim that music constitutes a bridge between the old silent film and the modern audience music is also a channel for non scholarly audiences to gain an appreciation of silent films Music has become a means both for musicians and audiences to understand this bygone film art anew This book is the first of its kind in that it aims to bring together writings and interviews to delineate the culture of providing music for silent films It not only has the character of a scholarly work but is also something of a manual in that it discusses how to make music for silent films
