A Man Of Means Diana Palmer, Ao Chimura, 2012-10-26 After finding a man who had been attacked by a robber on the street, Meredith carries him into the hospital. But the man's younger brother, Rey, runs in half-cocked after hearing the news and seeing Meredith dressed for a party, assumes she's a prostitute and accuses her of having had some part in the assault. Though random assaults involving criminals and prostitutes have been happening in the area recently, is that any way to treat your brother's savior? Frustrated and resentful, Meredith leaves the hospital room, but Rey appears at her house the next day, completely changed from the day before. Now meek and polite, he brings her an astonishing offer.

A Man of Means (EasyRead Super Large 18pt Edition) Pelham Grenville Wodehouse, 2010

A Man of Means Sir Pelham Grenville Wodehouse, 2020-09-28 When a seed merchant of cautious disposition and an eye to the main chance receives from an eminent firm of jam manufacturers an extremely large order for clover seed, his emotions are mixed. Joy may be said to predominate, but with the joy comes also uncertainty. Are these people, he asks himself, proposing to set up as farmers on a large scale, or do they merely want the seed to give verisimilitude to their otherwise bald and unconvincing raspberry jam? On the solution of this problem depends the important matter of price, for obviously you can charge a fraudulent jam disseminator in a manner which an honest farmer would resent. This was the problem which was furrowing the brow of Mr Julian Fineberg of Bury St Edwards one sunny morning when Roland Bleke knocked at his door and such was its difficulty.

that only at the nineteenth knock did Mr Fineberg raise his head Come in that dashed woodpecker out there he shouted for it was his habit to express himself with a generous strength towards the junior members of his staff The young man who entered looked exactly like a second clerk in a provincial seed merchant's office which strangely enough he chanced to be His chief characteristic was an intense ordinariness He was a young man and when you had said that of him you had said everything There was nothing which you would have noticed about him except the fact that there was nothing to notice His age was twenty two and his name was Roland Bleke Please sir it's about my salary Mr Fineberg at the word drew himself together much as a British square at Waterloo must have drawn itself together at the sight of a squadron of cuirassiers Salary he cried What about it What's the matter with it You get it don't you Yes sir but Well Don't stand there like an idiot What is it It's too much Mr Fineberg's brain reeled It was improbable that the millennium could have arrived with a jerk on the other hand he had distinctly heard one of his clerks complain that his salary was too large He pinched himself Say that again he said If you could see your way to reduce it sir It occurred to Mr Fineberg for one instant that his subordinate was endeavoring to be humorous but a glance at Roland's face dispelled that idea Why do you want it reduced Please sir I'm going to be married What the deuce do you mean When my salary reaches a hundred and fifty sir And it's a hundred and forty now so if you could see your way to knocking off ten pounds Mr Fineberg saw light He was a married man himself My boy he said genially I quite understand But I can do you better than that It's no use doing this sort of thing in a small way From now on your salary is a hundred and ten No no don't thank me You're an excellent clerk and it's a pleasure to me to reward merit when I find it Close the door after you And Mr Fineberg returned with a lighter heart to the great clover seed problem The circumstances which had led Roland to approach his employer may be briefly recounted Since joining the staff of Mr Fineberg he had lodged at the house of a Mr Coppin in honorable employment as porter at the local railway station The Coppin family excluding domestic pets consisted of Mr Coppin a kindly and garrulous gentleman of sixty Mrs Coppin a somewhat negative personality most of whose life was devoted to cooking and washing up in her underground lair Brothers Frank and Percy gentleman of leisure popularly supposed to be engaged in the mysterious occupation known as lookin about for somethin and lastly Muriel For some months after his arrival Muriel had been to Roland Bleke a mere automaton a something outside himself that was made only for neatly laid breakfast tables and silent removal of plates at dinner Gradually however when his natural shyness was soothed by use sufficiently to enable him to look at her when she came into the room he discovered that she was a strikingly pretty girl bounded to the North by a mass of auburn hair and to the South by small and shapely feet She also possessed what we are informed we are children in these matters ourselves is known as the R S V P eye This eye had met Roland's one evening as he chumped his chop and before he knew what he was doing he had remarked that it had been a fine day From that wonderful moment matters had developed at an incredible speed Roland had a nice sense of the social proprieties and he could not bring himself to ignore a girl with whom he had once exchanged easy

objection not so much to specific images as to a regime of looking which places the represented woman in a particular relationship to the spectator's gaze. Artists have sometimes avoided the representation of women altogether but they are now producing images which challenge the regime. How do these images succeed in their challenge? The Emptiness of the Image offers a psychoanalytic answer. Parveen Adams argues that despite flaws in some of the details of its arguments, psychoanalytic theory retains an overwhelming explanatory strength in relation to questions of sexual difference and representation. She goes on to show how the issue of desire changes the way we can think of images and their effects. Throughout she discusses the work of theorists, artists and filmmakers such as Helene Deutsch, Catherine MacKinnon, Mary Kelly, Francis Bacon, Michael Powell and Della Grace. The Emptiness of the Image shows how the very space of representation can change to provide a new way of thinking the relation between the text and the spectator. It shows how psychoanalytic theory is supple enough to slide into and transform the most unexpected situations.
