Herbert Butterfield

Man On His Past The Wiles Lectures:

Man on His Past Herbert Butterfield, 1955 This book is an extended version of the Wiles lectures and illustrates the rise scope methods and objectives of the history of historiography **Man on His Past** Herbert Butterfield, 1969 **Man on His Past** Herbert Butterfield, 1955 *Man on His Past* Herbert Butterfield, 1960 Man on His Past Herbert Butterfield, 1955 *Man on His Past* Herbert Butterfield, 1955 *Herbert Butterfield and the Interpretation of History* K. Sewell, 2005-01-13 This book examines successive stages in the development of the thought of Sir Herbert Butterfield in relation to fundamental issues in the science of history In a carefully nuanced way it lays bare the unspoken motivations and hidden tensions in Butterfield's debate with himself and with a host of contemporary historians in the period between 1924 79 **Modernizing England's Past** Michael Bentley, 2006-01-12 What came before postmodernism in historical studies By thinking through the assumptions methods and cast of mind of English historians writing between about 1870 and 1970 this book reveals the intellectual world of the modernists and offers a full analysis of English historiography in this crucial period Modernist historiography set itself the objective of going beyond the colourful narratives of whigs and popularizers in order to establish history as the queen of the humanities and as a rival to the sciences as a vehicle of knowledge Professor Bentley does not follow those who deride modernism as positivist or empiricist but instead shows how it set in train brilliant new styles of investigation that transformed how historians understood the English past But he shows how these strengths were eventually outweighed by inherent confusions and misapprehensions that threatened to kill the very subject that the modernists had intended to sustain **The Life and Thought of Herbert Butterfield** Michael Bentley, 2011-04-21 Once recalled only for *The Whig Interpretation of History* 1931 and *Christianity and History* 1949 Sir Herbert Butterfield's contribution to western culture has undergone an astonishing revaluation over the past twenty years What has been left out of this reappraisal is the man himself Yet the force of Butterfield's writings is weakened without some knowledge of the man behind them his temperament contexts and personal torments Previous authors have been unable to supply a rounded portrait for lack of available material particularly a dearth of sources for the crucial period before the outbreak of war in 1939 Michael Bentley's original startling 2011 biography draws on sources never seen before They enable him to present a new Butterfield one deeply troubled by self doubt driven by an urgent sexuality and plagued by an unending tension between history science and God in a mind as hard and cynical as it was loving and charitable **Herbert Butterfield** Kenneth B. McIntyre, 2023-10-03 The most original historian of his generation That is how the celebrated British academic Noel Annan described Herbert Butterfield 1900 1979 a profound and prolific writer who made important contributions as both a public and academic historian In this authoritative and accessible intellectual biography Kenneth B McIntyre explores the extraordinary range of Butterfield's work He shows why the small book *The Whig Interpretation of History* 1931 achieved such large influence Butterfield he demonstrates has profoundly shaped American and European historiography by

highlighting the distortions that occur when historians interpret the past merely as steps along the way toward the glorious present But McIntyre delves much deeper examining everything from Butterfield s lectures on history historiography and Christianity to his warnings about the dangers of hubris in international affairs to his essays on the origins of modern science which basically created the modern discipline of the history of science This latest volume in the acclaimed Library of Modern Thinkers series helps us understand a prescient and insightful thinker who challenged dominant currents in history historiography international relations and politics

Hugh Trevor-Roper Blair Worden,2015-01-02 Hugh Trevor Roper was one of the most gifted historians of the twentieth century His scholarly interests ranged widely from the Puritan Revolution to the Scottish Enlightenment Yet he was also fascinated by the events of his own lifetime and wrote widely on issues of espionage and intelligence as well as maintaining a fascination with the workings and personalities of Nazi Germany In this volume a variety of contributors many of whom knew Trevor Roper personally engage with his scholarship and analyse his greatest achievements as an historian Covering the full range of Trevor Roper s interests this volume will be essential for anyone who wishes to better understand this great historian and his work

Herbert Butterfield C.T. McIntire,2008-10-01 Herbert Butterfield 1900 1979 was an important British historian and religious thinker whose ideas in particular his concept of a Whig interpretation of history remain deeply influential In this intellectual biography the first comprehensive study of Butterfield C T McIntire focuses on the creative processes that lay behind Butterfield s intellectual accomplishments Drawing on his investigations into Butterfield s vast and diverse output of published and unpublished work McIntire explores Butterfield s ideas and methods He describes Butterfield s lifelong devotion to his Methodist faith and shows how his Christian spirituality animated his historical work He also traces the theme of dissent that ran through Butterfield s life and work presenting a man who found himself at odds with prevailing convictions about history morality politics religion and teaching a man who elevated the notion of dissent into an ethic of living in tension with any established system

Biographical Memoirs of Fellows, I Thompson,2003-01-16 Volume 115 of the Proceedings of the British Academy contains 20 obituaries of recently deceased Fellows of the British Academy and an essay on James Bryce President of the Academy 1913 1917 Memoirs of Fellows have previously been published in the same annual Proceedings volume as that containing the British Academy s Lectures The Biographical Memoirs are henceforth to be published in a volume of their own within the Proceedings sequence

Cultural Foundations of Industrial Civilization , Common Reading Stefan Collini,2008 In this series of penetrating and attractively readable essays Stefan Collini explores aspects of the literary and intellectual culture of Britain from the early twentieth century to the present Collini focuses on critics and historians who wrote for a non specialist readership and on the periodicals and other genres through which they attempted to reach that readership Among the critics discussed are Cyril Connolly V S Pritchett Aldous Huxley Rebecca West Edmund Wilson and George Orwell while the historians include A L Rowse Arthur Bryant E H Carr and E P Thompson There are also essays on

wider themes such as the fate of general periodicals the history of reading the role of criticism changing conceptions of culture the limitations of biography and the functions of universities Explicitly addressed to the non specialist reader these essays make some of the fruits of detailed scholarly research in various fields available to a wider audience in a succinct and elegant manner Stefan Collini has been acclaimed as one of the most brilliant essayists of our time and this collection shows him at his subtle perceptive and trenchant best The book will appeal to and delight readers interested in literature history and contemporary cultural debate

Worlds Made by Words Anthony Grafton, 2009 Italian cinemas after the war were filled by audiences who had come to watch domestically produced films of passion and pathos These highly emotional and consciously theatrical melodramas posed moral questions with stylish flair redefining popular ways of feeling about romance family gender class Catholicism Italy and feeling itself The Operatic and the Everyday in Postwar Italian Film Melodrama argues for the centrality of melodrama to Italian culture It uncovers a wealth of films rarely discussed before including family melodramas the crime stories of neorealismo popolare and opera films and provides interpretive frameworks that position them in wider debates on aesthetics and society The book also considers the well established topics of realism and arthouse auteurism and re thinks film history by investigating the presence of melodrama in neorealism and post war modernism It places film within its broader cultural context to trace the connections of canonical melodramatists like Visconti and Matarazzo to traditions of opera the musical theatre of the sceneggiata visual arts and magazines In so doing it seeks to capture the artistry and emotional experiences found within a truly popular form

Studies in Tudor and Stuart Politics and Government: Volume 4, Papers and Reviews 1982-1990 G. R. Elton, 2003-02-13 Features a collection of Sir Geoffrey Elton s articles and reviews including a group of pieces on sixteenth century government

A Companion to Intellectual History Richard Whatmore, Brian Young, 2015-12-21 A Companion to Intellectual History provides an in depth survey of the practice of intellectual history as a discipline Forty newly commissioned chapters showcase leading global research with broad coverage of every aspect of intellectual history as it is currently practiced Presents an in depth survey of recent research and practice of intellectual history Written in a clear and accessible manner designed for an international audience Surveys the various methodologies that have arisen and the main historiographical debates that concern intellectual historians Pays special attention to contemporary controversies providing readers with the most current overview of the field Demonstrates the ways in which intellectual historians have contributed to the history of science and medicine literary studies art history and the history of political thought Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association

John Lingard and the Pursuit of Historical Truth Edwin Jones, 2002-01-01 This work describes how John Lingard 1771 1851 postulated and applied for the first time in England the main principles and methodology of modern source criticism in his History of England 1819 30 His work is compared and contrasted with other English historians

The Making of Modern Irish History D. George Boyce, Alan O'Day, 2006-09-07

This volume brings together distinguished historians of Ireland each of whom tackles a key question issue or event in Irish history since the eighteenth century and examines its historiography assesses the context of new interpretations considers the strengths and weaknesses of revisionist ideas offers their own interpretation Topics covered are not only of historical interest but in the context of recent revisionist debates of contemporary political significance These original contributions take account of new evidence and perspectives as well as up to date historical methodology Their combination of synthesis and analysis represent a valuable guide to the present state of the writing of modern Irish history

Man On His Past The Wiles Lectures Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Man On His Past The Wiles Lectures PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Man On His Past The Wiles Lectures PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Man On His Past The Wiles Lectures free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
