Man Who Lived Twice Edward Sheldon:

The Man who Lived Twice: the Biography of Edward Sheldon Eric Wollencott Barnes,1956 The Man who Lived Twice. The Biography of Edward Sheldon Eric Wollencott Barnes,Edward Sheldon,1956 **Blood on the Stage, 1925-1950** Amnon Kabatchnik,2010 In this volume Amnon Kabatchnik provides an overview of more than 150 important and memorable theatrical works of crime and detection between 1925 and 1950 Each entry includes a plot synopsis production data and the opinions of well known and respected critics and scholars **Women Adapting** Bethany Wood,2019-05-29 When most of us hear the title *Gentlemen Prefer Blondes* we think of Marilyn Monroe and Jane Russell s iconic film performance Few however are aware that the movie was based on Anita Loos s 1925 comic novel by the same name What does it mean *Women Adapting* asks to translate a Jazz Age blockbuster from book to film or stage What adjustments are necessary and what if anything is lost Bethany Wood examines three well known stories that debuted as women s magazine serials *Gentlemen Prefer Blondes* Edith Wharton s *The Age of Innocence* and Edna Ferber s *Show Boat* and traces how each of these beloved narratives traveled across publishing theatre and film through adaptation She documents the formation of adaptation systems and how they involved women s voices and labor in modern entertainment in ways that have been previously underappreciated What emerges is a picture of a unique window of time in the early decades of the twentieth century when women in entertainment held influential positions in production and management These days when filmic adaptations seem endless and perhaps even unoriginal *Women Adapting* challenges us to rethink the popular platitude The book is always better than the movie *The Unpublished Writings of Edith Wharton Vol 1* Laura Rattray,2024-10-28 During her lifetime Edith Wharton was America s most popular and prolific writer This book presents the unpublished writings of a canonical author along with three stage plays that open up a different field of Wharton studies It also includes a general introduction volume introductions textual variants headnotes and endnotes The American Theatrical Film John C. Tibbetts,1985 This book provides needed information on the collaborations between filmmakers and theater personnel before 1930 and completes our understanding of how two art forms influenced each other It begins with the vaudeville and faerie dramas captured in brief films by the Edison and Biograph companies follows the development of feature length Sarah Bernhardt and James O Neill films after 1912 examines the formation of theater film combination companies in 1914 15 and details later collaborations during the talking picture revolution of 1927 Includes detailed analyses of important theatrical films like *The Count of Monte Cristo* *The Virginian* *Coquette* and *Paramount on Parade* The Facts on File Companion to American Drama Jackson R. Richards,Heather S. Nathans,2014-02 This volume explores the history of American drama from the eighteenth to the twentieth century It describes origins of early republican drama and its evolution during the pre war and post war periods It traces the emergence of different types of American drama including protest plays reform drama political drama experimental drama urban plays feminist drama and realist plays This volume also analyzes the works of some of the most notable American playwrights including Eugene O Neill Tennessee Williams and Arthur Miller and those written by women dramatists Theatre Across Oceans Nic Leonhardt,2021-09-15 Theatre Across Oceans Mediators Of Transatlantic Exchange allows the reader to enter and understand the infrastructural backstage area of global cultural mobility during the years between 1890 and 1925 Located within the research fields of global history and theory the geographical focus of the book is a transatlantic one based on the active exchange in this phase between North and South America and Europe Emanating from a rich body of archival material the study argues that this exchange was essentially facilitated and controlled by professional theatrical mediators agents brokers who have not been sufficiently researched within theatre or historical studies The low visibility of mediators in the scientific research is in diametrical contrast to the enormous power that they possessed in the period dealt with in this book *The Publishers Weekly* ,1957 The dramatic comedy of William Somerset Maugham Ronald Edgar Barnes,2015-07-24 No detailed description available for The dramatic comedy of William Somerset Maugham *My Third Reader's Notebook* ,1974 Lionel Barrymore Kathleen Spaltro,2024-08-13 Once called

the most gifted character actor of our time by Broadway theater producer Arthur Hopkins Lionel Barrymore 1878 1954 was part of the illustrious Barrymore acting dynasty Although he garnered success on stage and screen and was a talented actor writer director visual artist and composer he never quite escaped the shadow of his family members including his brother John famous for his leading roles Barrymore won the Academy Award for Best Actor in *A Free Soul* 1931 and was nominated for Best Director for *Madame X* 1930 However he is best known for his role as Mr Potter in *It's a Wonderful Life* 1946 and as the voice of Ebenezer Scrooge in radio broadcasts of *A Christmas Carol* from 1934 to 1953 He spent the last two decades of his career playing versions of his signature character the curmudgeonly but lovable gentleman in a variety of films from *You Can't Take It With You* 1938 to *Key Largo* 1948 Barrymore worked alongside some of Hollywood's most recognizable names including Humphrey Bogart James Stewart Frank Capra Lauren Bacall Clark Gable and Ava Gardner and his legacy is enshrined at the Hollywood Walk of Fame where he has two stars one for radio and one for film In *Lionel Barrymore Character and Endurance in Hollywood's Golden Age* Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty This comprehensive study divides Barrymore's life into three compelling acts Act One follows Barrymore's early days his failed endeavor as a visual artist his performances in the family vaudeville acts his first silent motion pictures and his greatest successes and failures on the stage Act Two details Barrymore's establishment as a fixture at MGM his foray into directing his success as the first actor to thrive in the talkies and his estimable Oscar winning performance Finally Act Three expounds on Barrymore's curation of his trademark character the endearing grouch his exploits in radio and his fateful final years Spaltro also unearths Barrymore's personal challenges recounts his difficulties with and sometimes estrangement from members of his family and delves into the devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and the accidents that eventually led to permanent disabilities requiring the use of a wheelchair *Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor* *Staging the Slums, Slumming the Stage* J. Westgate, 2014-10-15 Drawing on traditional archival research reception theory cultural histories of slumming and recent work in critical theory on literary representations of poverty Westgate argues that the productions of slum plays served as enactments of the emergent definitions of the slum and the corresponding ethical obligations involved therein *Edith Wharton in Context* Laura Rattray, 2012-10-08 Edith Wharton was one of America's most popular and prolific writers becoming the first woman to win the Pulitzer Prize for Fiction in 1921 In a publishing career spanning seven decades Wharton lived and wrote through a period of tremendous social cultural and historical change Bringing together a team of international scholars this volume provides the first substantial text dedicated to the various contexts that frame Wharton's remarkable career Each essay offers a clearly argued and lucid assessment of Wharton's work as it relates to seven key areas life and works critical receptions book and publishing history arts and aesthetics social designs time and place and literary milieux These sections

provide a broad and accessible resource for students coming to Wharton for the first time while offering scholars new critical insights **Afterlives of Augustus, AD 14-2014** Penelope J. Goodman, 2018-04-26 Explores two thousand years of radically changing opinions on the emperor Augustus and what they reveal about the historical individual **The Art of Ruth Draper** Ruth Draper, Morton Dauwen Zabel, 1960
