Man Who Once Was Whizzer White:

The Man who Once was Whizzer White Dennis J. Hutchinson, 1998 Hutchinson provides the first definitive biography of Justice Byron Whizzer White this century's most famous scholar athlete who served on the Supreme Court for 31 years and was the author of the famous dissenting opinion in *Roe vs Wade* of photos *Judgment and Mercy* Martin J. Siegel, 2023-03-15 As featured on CBS Saturday Morning Finalist for the 2023 National Book Critics Circle John Leonard Prize In *Judgment and Mercy* Martin J. Siegel offers an insightful and compelling biography of Irving Robert Kaufman the judge infamous for condemning Julius and Ethel Rosenberg to death for atomic espionage In 1951 world attention fixed on Kaufman's courtroom as its ambitious young occupant stridently blamed the Rosenbergs for the Korean War To many the harsh sentences and their preening author left an enduring stain on American justice But then the judge from Cold War central casting became something unexpected one of the most illustrious progressive jurists of his day Upending the simplistic portrait of Judge Kaufman as a McCarthyite villain Siegel shows how his pathbreaking decisions desegregated a Northern school for the first time liberalized the insanity defense reformed Attica era prisons spared John Lennon from politically motivated deportation expanded free speech brought foreign torturers to justice and more Still the Rosenberg controversy lingered Decades later changing times and revelations of judicial misconduct put Kaufman back under siege Picketers dogged his footsteps as critics demanded impeachment And tragedy stalked his family attributed in part to the long ordeal Instead of propelling him to the Supreme Court as Kaufman once hoped the case haunted him to the end Absorbingly told *Judgment and Mercy* brings to life a complex man by turns tyrannical and warm paranoid and altruistic while revealing intramural Jewish battles over assimilation class and patriotism Siegel who served as Kaufman's last law clerk traces the evolution of American law and politics in the twentieth century and shows how a judge unable to summon mercy for the Rosenbergs nonetheless helped expand freedom for all *American Government* Christopher J. Bosso, John Portz, Michael Tolley, 2018-03-09 Woven through this text is the unifying theme that American politics represents conflict and compromise in direct opposition to the increasingly commonly held view that all politics is dirty and all politicians are crooks By presenting a balance of essential factual content with a broad assessment of system dynamics and their policy effects the authors provide an accessible yet sophisticated overview of American politics Features Coherent theme of conflict versus compromise in the American political system Consistent examination of American history for institutional development Emphasis on the positive role of citizenship in shaping good government Each chapter is accompanied by primary source readings Concise 12 chapter format *The Supreme Court Under Earl Warren, 1953-1969* Michal R. Belknap, 2005 In *The Supreme Court under Earl Warren 1953 1969* Michal Belknap recounts the eventful history of the Warren Court Chief Justice Earl Warren's sixteen years on the bench were among the most dramatic productive and controversial in the history of the Supreme Court Warren's tenure saw the Court render decisions that are still hotly debated today Its rulings addressed such

issues as school desegregation separation of church and state and freedom of expression Dutch Clark Chris Willis, 2012-06-01 In 1963 17 charter members were inducted into the newly established Pro Football Hall of Fame Joining the likes of Red Grange Bronko Nagurski George Halas and Sammy Baugh was Detroit Lions quarterback Dutch Clark A bona fide superstar for the NFL in the 1930s Clark led the Lions to success on the gridiron and helped establish the NFL in one of America's most passionate sports cities Throughout his seven year NFL career 1931 1932 1934 1938 Clark was selected first team NFL All Pro six times led the league in scoring three times was team captain of the Detroit Lions and helped the Lions win the 1935 NFL Championship in their second season in Detroit The triple threat star could do everything he could run he could pass and he could kick In Dutch Clark The Life of an NFL Legend and the Birth of the Detroit Lions Chris Willis tells the remarkable story of an athlete from a small town in Colorado who would become one of the NFL's greatest players To recount the story of this sports pioneer Willis had complete cooperation from the Clark family and unlimited access to personal letters the Dutch Clark Scrapbooks and family photos Appendixes include Clark's football statistics and a list of his honors and awards Supplemented with archival interviews never before seen photos newspaper quotes and anecdotes Dutch Clark tells the rags to riches story of one of the NFL's first stars **Judges and Their Audiences** Lawrence

Baum, 2009-01-10 What motivates judges as decision makers Political scientist Lawrence Baum offers a new perspective on this crucial question a perspective based on judges interest in the approval of audiences important to them The conventional scholarly wisdom holds that judges on higher courts seek only to make good law good policy or both In these theories judges are influenced by other people only in limited ways in consequence of their legal and policy goals In contrast Baum argues that the influence of judges audiences is pervasive This influence derives from judges interest in popularity and respect a motivation central to most people Judges care about the regard of audiences because they like that regard in itself not just as a means to other ends Judges and Their Audiences uses research in social psychology to make the case that audiences shape judges choices in substantial ways Drawing on a broad range of scholarship on judicial decision making and an array of empirical evidence the book then analyzes the potential and actual impact of several audiences including the public other branches of government court colleagues the legal profession and judges social peers Engagingly written this book provides a deeper understanding of key issues concerning judicial behavior on which scholars disagree identifies aspects of judicial behavior that diverge from the assumptions of existing models and shows how those models can be strengthened **Ruth**

Bader Ginsburg Jane Sherron de Hart, 2020-04-28 NATIONAL BESTSELLER A vivid account of a remarkable life The Washington Post In this comprehensive revelatory biography fifteen years of interviews and research in the making historian Jane Sherron De Hart explores the central experiences that crucially shaped Ginsburg's passion for justice her advocacy for gender equality and her meticulous jurisprudence At the heart of her story and abiding beliefs is her Jewish background specifically the concept of tikkun olam the Hebrew injunction to repair the world with its profound meaning for a young girl

who grew up during the Holocaust and World War II Ruth's journey begins with her mother who died tragically young but whose intellect inspired her daughter's feminism It stretches from Ruth's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia Law Schools to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti sex discrimination cases before the U S Supreme Court All this even before being nominated in 1993 to become the second woman on the Court where her crucial decisions and dissents are still making history Intimately personally told this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence American society and our American character and spirit will reverberate deep into the twenty first century and beyond

REVISED AND UPDATED WITH A NEW AFTERWORD

A Wild Justice: The Death and Resurrection of Capital Punishment in America Evan J. Mandery, 2013-08-19 New York Times Book Review Editor's Choice Drawing on never before published original source detail the epic story of two of the most consequential and largely forgotten moments in Supreme Court history For two hundred years the constitutionality of capital punishment had been axiomatic But in 1962 Justice Arthur Goldberg and his clerk Alan Dershowitz dared to suggest otherwise launching an underfunded band of civil rights attorneys on a quixotic crusade In 1972 in a most unlikely victory the Supreme Court struck down Georgia's death penalty law in *Furman v Georgia* Though the decision had sharply divided the justices nearly everyone including the justices themselves believed *Furman* would mean the end of executions in America Instead states responded with a swift and decisive showing of support for capital punishment As anxiety about crime rose and public approval of the Supreme Court declined the stage was set in 1976 for *Gregg v Georgia* in which the Court dramatically reversed direction *A Wild Justice* is an extraordinary behind the scenes look at the Court the justices and the political complexities of one of the most racially charged and morally vexing issues of our time **Rooney** Rob Ruck, Maggie Jones Patterson, Michael P. Weber, 2010-04-01 The first authoritative look at one of the most iconic figures in the history of the NFL this book is both a critical chapter in the story of football in America and a thoroughly engaging in depth introduction to a character unlike any other in the annals of American sports

The Great Justices, 1941-54 William Domnarski, 2009-01-23 *The Great Justices* offers a revealing glimpse of a judicial universe in which titanic egos often clash and comes as close as any book ever has to getting inside the minds of Supreme Court jurists This is rare and little examined territory in the public consciousness the Supreme Court is usually seen as an establishment whose main actors the justices remain above emotion vitriol and gossip the better to interpret our nation of laws Yet the Court's work is always an interchange of ideas and individuals and the men and women who make up the Court despite or because of their best intentions are as human as the rest of us Appreciating that human dimension helps us to discover some of the Court's secrets and a new way to understand the Court and its role Comparing four brilliant but very different jurists of the Roosevelt Court

Hugo Black William O Douglas Felix Frankfurter and Robert Jackson William Domnarski paints a startling picture of the often deeply ambiguous relationship between ideas and reality between the law and the justices who interpret and create it By pulling aside the veil of decorous tradition Domnarski brings to light the personalities that shaped one of the greatest Courts of our time one whose decisions continue to affect judicial thinking today William Domnarski is the author of *In the Opinion of the Court* 1996 a study of the history and nature of federal court judicial opinions He holds a J D from the University of Connecticut and a Ph D in English from the University of California Domnarski currently practices law in California where he is also working on a forthcoming biography of legendary Hollywood lawyer Bert Fields *The Partisan* John A.

Jenkins,2012-10-02 Follows Rehnquist s career as a young lawyer in Arizona through his journey to Washington though the Warren and Burger courts to his twenty year tenure as a Supreme Court Chief Justice who favored government power over individual rights *The Supreme Court and Religion in American Life, Vol. 2* James Hitchcock,2009-01-10 School vouchers The Pledge of Allegiance The ban on government grants for theology students The abundance of church and state issues brought before the Supreme Court in recent years underscores an incontrovertible truth in the American legal system the relationship between the state and religion in this country is still fluid and changing This the second of two volumes by historian and legal scholar James Hitchcock offers a complete analysis and interpretation of the Court s historical understanding of religion explaining the revolutionary change that occurred in the 1940s In Volume I *The Odyssey of the Religion Clauses* Princeton Hitchcock provides the first comprehensive survey of the court cases involving the Religion Clauses including a number that scholars have ignored Here Hitchcock examines how in the early history of our country a strict separation of church and state was sustained through the opinions of Jefferson and Madison even though their views were those of the minority Despite the Founding Fathers ideas the American polity evolved on the assumption that religion was necessary to a healthy society and cooperation between religion and government was assumed This view was seldom questioned until the 1940s notes Hitchcock Then with the beginning of the New Deal and the appointment of justices who believed they had the freedom to apply the Constitution in new ways the judicial climate changed Hitchcock reveals the personal histories of these justices and describes how the nucleus of the Court after World War II was composed of men who were alienated from their own faiths and who looked at religious belief as irrational divisive and potentially dangerous assumptions that became enshrined in the modern jurisprudence of the Religion Clauses He goes on to offer a fascinating look at how the modern Court continues to grapple with the question of whether traditional religious liberty is to be upheld

Courting Justice Joyce Murdoch,Deb Price,2002-05-09 Since 1958 twenty five men and two women have forced the Supreme Court to consider whether the Constitution s promises of equal protection apply to gay Americans Here Joyce Murdoch and Deb Price reveal how the nation s highest court has reacted to these cases from the surprising 1958 victory of a tiny homosexual magazine to the 2000 defeat of a gay Eagle Scout A triumph of investigative reporting *Courting Justice* gives

us an inspiring new perspective on the struggle for civil rights in America **Robert Kennedy** Evan Thomas,2013-02-05 He was Good Bobby who as his brother Ted eulogized him saw wrong and tried to right it saw suffering and tried to heal it And Bad Bobby the ruthless and manipulative bully of countless conspiracy theories Thomas s unvarnished but sympathetic and fair minded portrayal is packed with new details about Kennedy s early life and his behind the scenes machinations including new revelations about the 1960 and 1968 presidential campaigns the Cuban Missile Crisis and his long struggles with J Edgar Hoover and Lyndon Johnson **The Supreme Court in the Intimate Lives of Americans** Howard Ball,2002-08-01 Choice Outstanding Academic Title 2003 Personal rights such as the right to procreate or not and the right to die generate endless debate This book maps out the legal political and ethical issues swirling around personal rights Howard Ball shows how the Supreme Court has grappled with the right to reproduce and to abort and takes on the issue of auto euthanasia and assisted suicide from Karen Ann Quinlan through Kevorkian and just recently to the Florida case of the woman who was paralyzed by a gunshot from her mother and who had the plug pulled on herself For the last half of the twentieth century the justices of the Supreme Court have had to wrestle with new and difficult life and death questions for them as well as for doctors and their patients medical ethicists sociologists medical practitioners clergy philosophers law makers and judges The Supreme Court in the Intimate Lives of Americans offers a look at these issues as they emerged and examines the manner in which the men and women of the U S Supreme Court addressed them *Supreme Disorder* Ilya Shapiro,2020-09-22 NAMED ONE OF THE BEST BOOKS OF 2021 POLITICS BY THE WALL STREET JOURNAL A must read for anyone interested in the Supreme Court MIKE LEE Republican senator from Utah Politics have always intruded on Supreme Court appointments But although the Framers would recognize the way justices are nominated and confirmed today something is different Why have appointments to the high court become one of the most explosive features of our system of government As Ilya Shapiro makes clear in *Supreme Disorder* this problem is part of a larger phenomenon As government has grown its laws reaching even further into our lives the courts that interpret those laws have become enormously powerful If we fight over each new appointment as though everything were at stake it s because it is When decades of constitutional corruption have left us subject to an all powerful tribunal passions are sure to flare on the infrequent occasions when the political system has an opportunity to shape it And so we find the process of judicial appointments verging on dysfunction Shapiro weighs the many proposals for reform from the modest term limits to the radical court packing but shows that there can be no quick fix for a judicial system suffering a crisis of legitimacy And in the end the only measure of the Court s legitimacy that matters is the extent to which it maintains or rebalances our constitutional order Roe V. Wade N. E. H. Hull,Peter Charles Hoffer,2010 This up to date history of Roe v Wade covers the complete social and legal context of the case that remains the touchstone for America s culture wars **Sorcerers' Apprentices** Artemus Ward,David L Weiden,2006-04-01 A behind the scenes look at the role of law clerks and their history at the U S Supreme Court Based on Supreme Court archives

the personal papers of justices and other figures at the Supreme Court and interviews and written surveys with 150 former clerks *Sorcerers Apprentices* is a behind the scenes look at the life of a law clerk and how it has evolved since its nineteenth century beginnings Artemus Ward and David L Weiden reveal that throughout history clerks have not only written briefs but also made significant decisions about cases that are often unseen by those outside of justices chambers Should clerks have this power they ask and equally important what does this tell us about the relationship between the Supreme Court s accountability to and relationship with the American public *Sorcerers Apprentices* not only sheds light on the little known role of the clerk but also offers provocative suggestions for reforming the institution of the Supreme Court clerk Anyone that has worked as a law clerk is considering clerking or is interested in learning about what happens in the chambers of Supreme Court justices will want to read this engaging and comprehensive examination of how the role of the law clerk has evolved over its long history Praise for *Sorcerers Apprentices* A rare book that is both a meticulous piece of scholarship and a good read Law and Politics Book Review Helps illuminate the inner workings of an institution that is still largely shrouded in mystery The Wall Street Journal Online Provides excellent insight into the inner workings of the Supreme Court how it selects cases for review what pressures are brought to bear on the justices and how the final opinions are produced Library Journal *Focus On: 100 Most Popular Deaths from Pneumonia* Wikipedia contributors, **The Supreme Court and McCarthy-Era Repression** Robert M. Lichtman, 2012-07-31 In Fred Vinson s term as chief justice 1946-53 the court largely rubber stamped government action against accused Communists and subversives After Earl Warren replaced Vinson as chief justice in 1953 however the Court began to rule against the government in Communist cases choosing the narrowest of grounds but nonetheless outraging public opinion and provoking fierce attacks from the press and Congress Legislation to curb the Court flooded Congress and seemed certain to be enacted The Court s situation was aggravated by its 1954 school desegregation decision *Brown v Board of Education* which led to an anti Court alliance between southern Democrats and anti Communists in both parties Although Lyndon Johnson s remarkable talents as Senate majority leader saved the Court from highly punitive legislation the attacks caused the Court to retreat with Felix Frankfurter leading a five justice majority that decided major constitutional issues for the government and effectively nullified earlier decisions Only after August 1962 when Frankfurter retired and was replaced by Arthur Goldberg did the Court again begin to vindicate individual rights in Communist cases its McCarthy era was over Provided by publisher

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Man Who Once Was Whizzer White**

In a global inundated with screens and the cacophony of instantaneous interaction, the profound power and psychological resonance of verbal beauty often disappear in to obscurity, eclipsed by the continuous assault of sound and distractions.
