Management Accounting And Behavioral Science

Robert W Scapens

Management Accounting And Behavioral Science:

Management Accounting and Behavioral Science E. H. Caplan,1981 *Management Accounting and Behavioral Science* Edwin H. Caplan,1971 **Accounting and Behavioral Science** Clark E. Chastain,1972 **Handbook of Cost Management** Roman L. Weil,Michael W. Maher,2005-05-31 Handbook of Cost Management Second Edition covers all of the essential topics in cost management and accounting It includes conventional topics such as job costing and cost allocation as well as such current topics as balanced scorecard economic value added logistics and marketing cost theory of constraints inter organizational costing and the cost of quality **Management Accounting, Organizational Theory and Capital Budgeting: 3Surveys** Robert W Scapens,1984-11-19 **Advances in Management Accounting** John Y. Lee,Marc J. Epstein,2011-02-14 Features articles on a call for future research on management accounting service quality budget ratcheting and performance effect of trust in superior and trustfulness on budgetary slack relationship between purposes of budget use and budgetary slack strategic budgeting in public schools and more **Emerging Topics in Management Studies** Patrícia Moura e Sá,2020-08-02 Presently Management has witnessed vast advancements clearly becoming an area of trans and interdisciplinary knowledge It has widened its scope from traditional business areas such as marketing strategy management control accounting and finance taxation or operations to other spaces namely deepening bridges with behavioural sciences engineering health or energy fostering both quantitative models and methods Management thinking at the Faculty of Economics of the University of Coimbra FEUC has followed these trends enabling students with the essential skills supporting the practice of the profession both in business and public sector organisations This book features topical trends of research in Management studies in which FEUC professors are involved together with international peers evidencing the openness of the Faculty to the world Numerous of the subjects addressed relate to challenges that organisations are already facing or will have to deal with shortly Therefore the book not only presents innovative research questions but it also delivers a practical perspective Thus organisations will certainly find here some support to better manage those issues in practice Applying Interdisciplinarity to Globalization, Management, Marketing, and Accountancy Science Pavlát, Vladislav,Knihová, Ladislava,Civín, Lubomír,Halík, Jaroslav,MacGregor Pelikánová, Radka,2023-10-16 With the world becoming increasingly interconnected and complex traditional means are no longer sufficient to address complex global issues Scholars often struggle to navigate the intricate web of interdisciplinary research and theory This gap in understanding leaves many academics feeling adrift in their pursuit of knowledge unable to harness the full potential of interdisciplinary collaboration Applying Interdisciplinarity to Globalization Management Marketing and Accountancy Science offers a comprehensive and up to date solution to the obstacles of interdisciplinarity It meticulously analyzes the theory and methodology of interdisciplinarity as it exists in the most relevant literature and through a detailed examination of four vital disciplines in the applied economy it compares and contrasts the dynamics of globalization and its reflections within these

fields Furthermore it uncovers the hidden infrastructures supporting these disciplines and offers practical insights into applying this knowledge in research and practice This book is an indispensable resource for scholars and educators across diverse disciplines empowering them to embrace interdisciplinarity with confidence *Organizational Behavior* John B. Miner,2002 The book begins with a treatment of the role of science and the nature of theory and research A discussion of the early origins and history of organizational behavior follows This is the most comprehensive coverage of how organizational behavior emerged and grew It presents and evaluates the first generation theorists whose work began during the first 20 years The subject matter covered is motivation leadership and organizational decision making The institutional culture of organizational behavior is discussed and a vision for the future of the field is stated Here the early history and the evidence from the theories are brought together in an effort to assess the identity of organizational behavior and where it might be headed

How to Increase the Value-added of Controlling Valerian Laval,2018-10-08 Recent megatrends such as increasing complexity volatility internationalization and increased demand for transparency and compliance have changed the expectations towards the controlling function During his professional experience the author observed the increased expectations towards the controlling function If controlling is to maintain its influence in a company it needs to adapt to the changes in management expectations To outline how to increase the value added by the controlling function in multinational production companies four research questions were addressed and answered The questions which were answered were what does controlling involve and which factors influence the set up of the controlling function in a company how are the expectations towards the controlling function changing over time and what is its value contribution how can the controlling function add value to standard reporting and budgeting activities and how can the controlling function add value to reorganization activities *Research Concepts for Management Studies* Alan Berkeley Thomas,2006-09-27 This excellent companion volume to *Research Skills for Management Studies* Routledge 2003 provides students with an in depth introduction to five key research concepts and the constellation of ideas in which they are situated

Management Accounting ,1988 *The Routledge Companion to Risk, Crisis and Emergency Management* Robert P. Gephart, Jr.,C. Chet Miller,Karin Svedberg Helgesson,2018-11-09 This volume provides a comprehensive up to date overview of the latest management and organizational research related to risk crisis and emergency management It is the first volume to present these separate but related disciplines together Combined with a distinctly social and organizational science approach to the topics as opposed to engineering or financial economics the research presented here strengthens the intellectual foundations of the discipline while contributing to the development of the field The Routledge Companion to Risk Crisis and Emergency Management promises to be a definitive treatise of the discipline today with contributions from several key academics from around the world It will prove a valuable reference for students researchers and practitioners seeking a broad integrative view of risk and crisis management

Performance Measurement and Management Control Marc J. Epstein, Frank H.

M. Verbeeten, Sally K. Widener, 2018-09-07 This volume contains exemplary papers that were presented at the 2017 Conference on Performance Measurement and Management Control in Nice France by researchers in the field from North America South America Africa Europe and Asia **Knowledge Management, Organizational Memory and Transfer Behavior: Global Approaches and Advancements** Jennex, Murray E., 2008-12-31 This book captures an in depth knowledge base on the most current and useful concepts applications and processes relevant to the successful management of knowledge assets Provided by publisher *How Participatory Evaluation Research Affects the Management Control Process of a Multinational Nonprofit Organization* Gail J. Fufts, 2017-02-03 This title first published in 1993 addresses two questions can evaluation research function as a surrogate market in non profit organisations to measure value and assess the goods and services they provide And second can the findings from an evaluation process be incorporated as a service accomplishment element into the accounting information published by non profit organisations This title will be of interest to students of business studies **Memorial Articles for 20th Century American Accounting Leaders** Stephen Zeff, 2016-03-31 This collection of memorial articles and selected obituaries highlights the careers and contributions to accounting practice the accounting profession and the accounting literature of leading American figures in the 20th century The memorial articles do much more than recite their subject s career More importantly they discuss and assess their subject s role in influencing the course of accounting practice and the profession as well as the evolution of their influential writings revealing the names of the accounting leaders and leading thinkers of the past century Memorial Articles for 20th Century American Accounting Leaders is useful in providing students and young researchers with a rich source of intelligence on the leaders who have established norms of practice advanced the profession and set the terms of debate in the literature leaders who are cited and even quoted but who are known mostly as names without a full bodied treatment of their backgrounds and broader roles in shaping the accounting literature **Advances in Management Accounting** Marc J. Epstein, John Y. Lee, 2014-06-26 Volume 23 of Advances in Management Accounting features articles on a variety of current topics in management accounting that are relevant to researchers in both academe and practice From its position as one of the premier management accounting research journals the series is well poised to meet the needs of management accounting scholars **The History of Accounting (RLE Accounting)** Michael Chatfield, Richard Vangermeersch, 2014-02-05 Global in scope accounting has had its share of great thinkers and practitioners from Luca Pacioli the father of accounting to R J Chambers W W Cooper Yuji Ijiri Stephen A Zeff and other figures This encyclopedia presents more than 400 entries that focus on such subjects as publications in the field institutional bodies accounting and economic concepts accounting issues authors in accounting records leaders in the profession accounting in various countries financial court cases accounting exams and historical researchers Research Skills for Management Studies Alan Berkeley Thomas, 2004-08-02 The recent growth of interest in the systematic study of management has transformed a once neglected area of research into one that

now attracts a huge number of postgraduate students Despite this there has been a distinct lack of research guides tailored specifically for management studies Designed as a comprehensive introduction to the main phases of a research project this textbook fills that void It leads students from the very first stage of initiation through to final publication considering the nature of research skills and the fundamental elements of the research process whilst exploring the institutional context in which management research is carried out Taking current debates and the surrounding philosophical and strategic issues in hand this book combines the key theories with the best practical advice to offer a completely rounded introduction to the topic It includes guidance and specific reference to real management research projects as well as case examples activities and further reading lists and is essential reading for anyone undertaking a management studies research project
