- Upravljanje s človeškimi viri
- Financial Management but little discretion
- Finančno upravljanje, vendar ne popolnoma samostojno

Management Control In Irish Education

Deirdre Raftery

Management Control In Irish Education:

Secondary Education in Ireland John Coolahan, Council of Europe. Council for Cultural Co-operation, 1995-01-01 The series entitled Guide to secondary education in Europe is developed as part of the project A secondary education in Europe The aim of this series is to give the public not only systematic coherent information on the educational systems traditions in all signatory states to the European Cultural Convention but also to outline the essential problems these systems are facing at the present time

A New Partnership in Education John Walshe, 1999

Irish Education Antonia McManus, 2014-07-07 In this important new work the author analyses the contributions that our Ministers for Education made to the Irish education system between the years 1919 and 1999 Covering the social economic and political realities of the time and taking in the involvement of the OECD what emerges is a picture of how Irish education was shaped and moulded over the course of the twentieth century

Cultural Politics and Irish Education Since the 1950s Denis O'Sullivan, 2005

Religion and Educational Research David Käbis, 2019 Religious education is always a local or regional practice This is evident in the studies in the present volume on religion and education The production and the transfer of knowledge in this field are particular and take place in certain historical contexts so that both can be understood as historical processes With regard to these theoretical assumptions the authors of the present volume deliver case studies concerning religious education research in Germany Ireland Sweden Argentina as well as other countries Several questions from these contributions might be relevant for further studies Is religion being underrated in educational research Is education on the other hand being underrated in religious studies Do these questions depend on national traditions in educational as well as religious research Are there transnational exchanges between countries through networks guilds and media And finally what might be the additional benefits of such research compared to international comparative studies

New Managerialism in Education Kathleen Lynch, Bernie Grummell, D. Devine, 2012-06-07 This book examines the impact of neo liberal reform on the traditional caring ethos of public services such as education exploring how these reforms influence the appointment and experiences of senior management across the education sector

Schools and the politics of religion and diversity in the Republic of Ireland Karin Fischer, 2016-09-01 Offers an in depth analysis of the historical political and ideological backdrop to the denominational education system in the Republic of Ireland

The Irish Educational Review, 1908

Education Studies in Ireland Brendan Walsh, 2011-04-08 A unique book providing a critical overview of the foundation disciplines of education This book presents a comprehensive introduction to the five key disciplines that form the foundation of the study of education Philosophy of Education History of Education Sociology of Education Curriculum Studies Psychology of Education

New Turns in the History of Education in Ireland Deirdre Raftery, 2023-06-27 The chapters in this book offer a range of impressive new studies on the history of education in Ireland based on detailed research and drawing on important sources This book also serves to show the healthy state of the history of education in Ireland In

particular the book also seeks to understand how both teachers and pupils in Ireland experienced education and how they received education policies and education change The lived reality of education is woven through the chapters in this book while the impact of policy on education practice is illuminated many times and with great clarity This book is a very important contribution not only to the history of education but also more widely to social history women s history church history and political history It was originally published as a special issue of the journal History of Education

Essays in the History of Irish Education Brendan Walsh,2016-09-29 This book provides a complete overview of the development of education in Ireland including the complex issue of how religion can coexist with education and how a national identity can be aided through Irish language teaching It also offers a comprehensive exploration of the development issues challenges and future of education in Ireland within the context of historical studies

International Handbook of Accounting Education and Certification Kwabena Anyane-Ntow,2018-03-05 This is the first work of its kind Original contributions from leading academicians practitioners and accounting associations from around the world make this handbook a unique source of information on international accounting education and certification processes A uniform format in most of the chapters allows for easy comparison between countries This volume documents the development of accounting education and practice at country and global levels studies the sensitivity of accounting education and practices to the unique socio economic needs of its environment and allows comparative studies at a time when attempts have begun to harmonize accounting education internationally Most importantly it shows how educational programmes around the world are preparing future accounting professionals to deal with the rapid technological and environmental changes of the 21st century

Piety and Privilege Tom A. O'Donoghue,Judith Harford,2021 For centuries the Catholic Church ran schools around the world but by the 20th century most countries had moved to a state school system Piety and Privilege shows Ireland as an exception with the state financing schools leaving the Church to promote practices aimed at salvation of souls and at the reproduction of a loyal middle class

Reviews of National Policies for Education: Higher Education in Ireland 2006 OECD,2006-11-28 This review addresses the full range of higher education issues in Ireland and offers recommendations for action within the framework of the government s ambitions for the sector

Hansard's Parliamentary Debates Great Britain. Parliament,1872

Cobbett's Parliamentary Debates Great Britain. Parliament,1872

Historical and Other Papers and Documents Illustrative of the Educational System of Ontario, 1792- John George Hodgins,1912

Extracts from the Chief Superintendent's Report on Education in Upper Canada ,1859 Documentary History of Education in Upper Canada Ontario. Department of Education,1906 *Historical and Other Papers and Documents Illustrative of the Educational System of Ontario* Ontario. Department of Education,1912
