**Reintegration in Nigeria** Olukunle Ojeleye, 2016-02-24 With an increasing international interest in post civil war demobilisation and reintegration especially in Africa Ojeleye presents a well timed body of knowledge on the Nigerian civil war Moreover this book provides an in depth study of the modalities and processes of the demobilisation and reintegration exercises carried out at the end of the Nigerian civil war and assesses their implications for national politics in the West African nation The author identifies the political socio economic and cultural background to the Nigerian civil war and discusses the central theme of demobilisation disarmament and reintegration DDR in Nigeria against the backdrop of the policy of the country s post war reconstruction reconciliation and rehabilitation exercise the 3Rs Though the central theme is Nigeria it compares the demobilisation and reintegration exercise in Nigeria with other attempts in Sub Sahara Africa by highlighting the important deviations and drawing some conclusions on the Nigerian experience It also touches on issues relating to international involvement and intervention in civil wars and the roles of the African Union the Commonwealth of Nations and the United Nations **UN Peace Operations** Eirin Mobekk, 2016-12-08 This book assesses the UN Peace

Operations in Haiti and establishes what lessons should be taken into account for future operations elsewhere Specifically

the book examines the UN's approaches to security and stability demobilisation disarmament and reintegration DDR police justice and prison reform democratisation and transitional justice and their interdependencies through the seven UN missions in Haiti Drawing on extensive fieldwork and interviews conducted in Haiti it identifies strengths and weaknesses of these approaches and focuses on the connections between these different sectors It places these efforts in the broader Haitian political context emphasises economic development as a central factor to sustainability provides a civil society perspective and discusses the many constraints the UN faced in implementing its mandates The book also serves as a historical account of UN involvement in Haiti which comes at a time when the drawdown of the mission has begun In an environment where the UN is increasingly seeking to conduct security sector reform SSR within the context of integrated missions this book will be a valuable contribution to the debate on intervention UN peace operations and SSR This book will be of interest to students of peace operations and peacekeeping conflict studies security studies and IR in general *Global Insecurity* Mary Kaldor,2000-07-01

The first half of the 1990s was a period of great optimism about humanitarian intervention In the aftermath of the Cold War it was hoped that the international community could begin to act cohesively in defence of fundamental international principles and that a global security policy aimed at the prevention of conflict and upholding human rights could be established The actual experience of this period however has been sobering Agreements engineered from above like the Dayton Agreement or the Oslo Agreement have mixed consequences Efforts at humanitarian relief have often ended up frustrating good intentions and prolonging conflict This book looks at what we learn from such experiences Should we retreat from intervention Is there a global responsibility for wars and for massive violations of human rights The authors start from a conviction that in a globalized world we do have certain responsibilities and that the point is to look at how we intervene They aim to open up a third approach an alternative to the dominance of realist or neo liberal approaches which would address the reality of contemporary conflict Key themes include the need for a more democratic approach in terms of the accountability and openness of both governments and international institutions the importance of international humanitarian law and the future of formal military forces **Managing Arms in Peace Processes** Jianwei Wang,1996

**Managing Arms in Peace Processes** Barbara Ekwall-Uebelhart,Andreï Nikolaevich Raevskiï,Andreï Raevsky,1996 This series of publications issued by the United Nations Institute for Disarmament Research emanates from their project on Disarmament a review of security actions where disarmament has been attempted an examination of the role that disarmament of belligerents can play in the management resolution of internal conflicts Managing Arms in Peace Processes Eric Berman,Eric G. Berman,United Nations Institute for Disarmament Research,1996 From the John Holmes Library collection **Managing Arms in Peace Processes** Andrei Raevsky,1996 From the John Holmes Library collection

**The UN, Peace and Force** Michael Pugh,2013-11-05 Restoring and maintaining peace within war torn societies is a relatively new task for the United Nations This book examines the options for the UN in the use of force to secure peace and

the extent to which peacekeeping can be effectively extended to coerce warring factions A combination of internationally distinguished academics and new scholars at the forefront of research are represented making an important contribution to the debate about the role of international military operations in the maintenance of international peace and security

*Managing Arms in Peace Processes* Clement Adibe,1996 This series of publications issued by the United Nations Institute for Disarmament Research emanates from their project on Disarmament a review of security actions where disarmament has been attempted an examination of the role that disarmament of belligerents can play in the management resolution of internal conflicts

*Managing Arms in Peace Processes* Jeremy Ginifer,United Nations Institute for Disarmament Research,1995 This series of publications issued by the United Nations Institute for Disarmament Research emanates from their project on Disarmament a review of security actions where disarmament has been attempted an examination of the role that disarmament of belligerents can play in the management resolution of internal conflicts

Caribbean Sovereignty, Development and Democracy in an Age of Globalization Linden Lewis,2013 Many of the nations of the Caribbean that have become independent states have maintained as a central organizing nationalist principle the importance in the beliefs of the ideals of sovereignty democracy and development Yet in recent years political instability the relative size of these nations and the increasing economic vulnerabilities of the region have generated much popular and policy discussions over the attainability of these goals The geo political significance of the region its growing importance as a major transshipment gateway for illegal drugs coming from Latin America to the United States issues of national security vulnerability to corruption and increases in the level of violence and social disorder have all raised serious questions not only about the notions of sovereignty democracy and development but also about the long term viability of these nations This volume is intended to make a strategic intervention into the discourse on these important topics but the importance of its contribution resides in its challenge to conventional wisdom on these matters and the multidisciplinary approach it employs Recognized experts in the field identify these concerns in the context of globalization economic crises and their impact on the Caribbean

Missile Defence, Deterrence and Arms Control Wilton Park (Conference Center),2002 This report reflects on the discussions at a UNIDIR meeting in February 2001 on missile defense deterrence and arms control The meeting looked at political technical national and regional perspectives on missile defenses and paid specific attention to the implications of the latter for arms control and international security In this paper the author also discusses issues of treat assessment response technical aspects of missile defense and arms control treaties and arrangements Publisher s description

Lettre de L'UNIDIR ,1998 How Dictatorships Work Barbara Geddes,Joseph Wright,Erica Frantz,2018-08-23 This accessible volume shines a light on how autocracy really works by providing basic facts about how post World War II dictatorships achieve retain and lose power The authors present an evidence based portrait of key features of the authoritarian landscape with newly collected data about 200 dictatorial regimes They examine the central political processes that shape the policy choices

of dictatorships and how they compel reaction from policy makers in the rest of the world. Importantly, this book explains how some dictators concentrate great power in their own hands at the expense of other members of the dictatorial elite. Dictators who can monopolize decision making in their countries cause much of the erratic warlike behavior that disturbs the rest of the world. By providing a picture of the central processes common to dictatorships, this book puts the experience of specific countries in perspective, leading to an informed understanding of events and the likely outcome of foreign responses to autocracies.

Peacekeeping and Public Information Ingrid Lehmann, 2018-12-07 Ms Lehmann has provided a timely and challenging prescription for just how the goals of placing communication functions at the heart of the strategic management of the UN might be achieved and a dramatic warning of the consequences of failing to do so.
