*Kate Chopin in the Twenty-First Century* Heather Ostman, 2020-12-15 The essays in *Kate Chopin in the Twenty First Century* update Chopin scholarship creating pathways both broad and narrow for study in a new century Given Chopin's atypical literary career and her frequent writing about unconventional themes for her time such as divorce infidelity and suicide she may have approved such approaches as the essays here suggest This collection of essays offers readers newer ways of thinking about Chopin's works They break away from the familiar trends of the feminist considerations of her work ranging from her short stories to her lesser known novel *At Fault* to her best known work *The Awakening* Part one introduces interdisciplinary themes for reading culture in Chopin including urban living and theatre as a lens for viewing New Orleans's social and class stratifications the importance of music a central interest of Chopin's in her texts and the cultural relevance of *Vogue* magazine where eighteen of Chopin's stories were first published Part two identifies important and overlapping concerns of religion race class and gender within the contexts of selected short works And part three offers fresh readings of *The Awakening* using the lens of race as well as the lens of class to reconsider protagonist Edna Pontellier's transformation and her dependency upon the rights of privilege within a specific cultural context Together all of the essays in the collection by both established and newer scholars help to usher Chopin's work into the twenty first century

*Queer Rebellion in the Novels of Michelle Cliff* Kaisa Ilmonen, 2017-05-11 This book explores Jamaican American author Michelle Cliff's 1946-2016 literary rebellion against the colonial gendered and racist norms of Western Modernity It studies the sexualized circuits of the Atlantic world drawing on the fields of literary criticism feminist theories queer studies and Caribbean studies In order to do this the book develops the theoretical paradigm of intersectionality It also addresses the disturbing questions concerning the sexual politics of transatlantic modernity as represented in Cliff's novels Cliff's rebellious poetics envisions the colonial Caribbean past in new ways Her novels tell stories about Caribbean queer characters setting the queer as a site of postcolonial agency and as a perspective out of which colonial history can be re-written This book considers myths rites and cultural memory as sites of healing in the midst of colonial bodily politics Transnational histories identity and ethics emerge as intertwined in Cliff's feminist novels

*Sophie Discovers Amerika* Robert B. McFarland, Michelle Stott James, 2014 Cultural and literary historians investigate the unique literary bridge between German speaking women and the New World examining novels films travel literature poetry erotica and photography In a 1798 novel by Sophie von La Roche a European woman swims across a cold North American lake seeking help from the local indigenous tribe to deliver a baby In a 2008 San Francisco travel guide Milena Moser the self-proclaimed Patron Saint of Desperate Swiss Housewives ponders the guilty pleasures of a media saturated world Wildly disparate these two texts reveal the historical arc of a much larger literary constellation the literature of German speaking women who interact with the New World In this volume cultural historians from around the world investigate this unique literary bridge between two hemispheres focusing on New World texts written

by female authors from Germany Austria or Switzerland Encompassing a broad range of genres including novels films travel literature poetry erotica and even photography the essays include women s experiences across both American continents Many of the primary literary texts discussed in this volume are available in the online collections of Sophie A Digital Library of Works by German Speaking Women <http://sophie.byu.edu> Contributors Christiane Arndt Karin Baumgartner Ute Bettray Ulrike Brisson Carola Daffner Denise M Della Rossa Linda Dietrick Silke R Falkner Maureen O Gallagher Nicole Grewling Monika Hohbein Deegen Gabi Kathfer Thomas W Kniesche Julie Koser Judith E Martin Sarah C Reed Christine Rinne Tom Spencer Florentine Strzelczyk David Tingey Petra Watzke Chantal Wright Rob McFarland and Michelle Stott James are both Associate Professors of German at Brigham Young University

*The Cambridge Companion to British Literature of the 1930s* James Smith, 2019-12-19 The 1930s is frequently seen as a unique moment in British literary history a decade where writing was shaped by an intense series of political events aesthetic debates and emerging literary networks Yet what is contained under the rubric of 1930s writing has been the subject of competing claims and therefore this Companion offers the reader an incisive survey covering the decade s literature and its status in critical debates Across the chapters sustained attention is given to writers of growing scholarly interest to pivotal authors of the period such as Auden Orwell and Woolf to the development of key literary forms and themes and to the relationship between this literature and the decade s pressing social and political contexts Through this the reader will gain new insight into 1930s literary history and an understanding of many of the critical debates that have marked the study of this unique literary era

*The Empathy Gap* William Collins, 2021 From the ebook Preface This book majors on the presentation of empirical evidence in the form of data The most digestible form for communicating such material is through the use of Tables and Figures generally graphs

Consequently the book has a great many Tables and Figures and the latter are often in colour Viewing on a device capable of rendering colours is therefore recommended although monochrome will be adequate in most cases The Empathy Gap proposes the thesis that men and boys are extensively disadvantaged across many areas of life including in education healthcare genital integrity criminal justice domestic abuse working hours taxation pensions paternity homelessness suicide sexual offences and access to their own children after parental separation The claim is justified in the book by empirical evidence mostly but not exclusively from the UK involving nearly 1 000 references 179 Figures and 49 Tables To most people of both sexes this will appear to be a perverse perspective as disadvantage has become the province of women girls and minorities not males Yet the empirical case supporting the disadvantages suffered by men and boys is undeniable to the objective mind But if this is so why is the popular perception that males are privileged whereas disadvantage is the province of the opposite sex Why do the male disadvantages go largely unremarked by both sexes if they are so pervasive Presenting the case for widespread and substantial male disadvantage is also a challenge to the usual hegemonic paradigm of feminist theory These issues are addressed within The Empathy Gap by presenting an entirely different orientation on the social psychology of relations between the sexes Out goes the idea of an oppressive patriarchy Instead a man's participation in the human pair bond is seen to be altruistic a phenomenon arising originally from evolution and enacted in the individual via the emotional psyche This is the origin of an asymmetry in the perception of the sexes which normalises the preferencing of females and therefore inevitably disadvantages males as a corollary The successful evolved strategy involves male utility and relative male disposability the latter being facilitated by a muted empathy for males by both sexes the empathy gap Rather than working to overcome this male disposability as a true egalitarian movement would have done feminism has fed upon it and amplified it The feminist project relies upon the true state of affairs remaining unacknowledged and the empathy gap is instrumental in its own invisibility In respect of this theory the author makes no claim for originality The ideas presented have been circulating within the sub culture for decades However the focus of the book is to show how these ideas are manifest in practice

**Christians under Covers** Kelsy Burke, 2016-02-09 Christians under Covers shifts how scholars and popular media talk about religious conservatives and sex Moving away from debates over homosexuality premarital sex and other perceived sexual sins Kelsy Burke examines Christian sexuality websites to show how some evangelical Christians use digital media to promote the idea that God wants married heterosexual couples to have satisfying sex lives These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality encouraging sexual knowledge emphasizing women's pleasure and justifying marginal sexual practices within Christian marriages This illuminating ethnography complicates the boundaries between normal and subversive empowered and oppressed and sacred and profane

*White Liberal Identity, Literary Pedagogy, and Classic American Realism* Phillip Barrish, 2005 White Liberal Identity Literary Pedagogy and Classic American Realism brings literary works from the turn of

the last century face to face with some of the dilemmas and paradoxes that currently define white liberal identity in the United States Phillip Barrish develops fresh analytic and pedagogical tools for probing contemporary white liberalism while also offering new critical insights and classroom approaches to American literary realism New ground is broken by using bold close analysis of works by canonical American realist writers such as Henry James Edith Wharton Mark Twain and Kate Chopin These contexts include an affirmative action court case the liberal arts classroom and the war on drugs as well as current debates about the United States role on the international scene Invoking a methodology that he calls critical presentism Barrish's book offers a fresh response to that perennial classroom question often posed most forcefully by students committed to progressive political agendas why devote so much time and effort to detailed analyses of canonical American literature This book makes specific contributions not only to American literary and cultural studies but also to critical race theory masculinity studies and critical pedagogy from back cover     Sex and Lies Leila Slimani, 2020-07-14 Jaw dropping Inspiring A haunting and beautifully composed book It blew my mind Lisa Taddeo 1 New York Times bestselling author of *Three Women* A fearless exposé of the secrets and lies of women's intimate lives by the bestselling author of *The Perfect Nanny* *Adèle* and *In the Country of Others* All those in positions of authority politicians parents teachers maintain the same line Do what you like but do it in private Leila Slimani was in her native Morocco promoting her novel *Adèle* about a woman addicted to sex when she began meeting women who confided the dark secrets of their sexual lives In Morocco adultery abortion homosexuality prostitution and sex outside of marriage are all punishable by law and women have only two choices They can be wives or virgins *Sex and Lies* combines vivid often harrowing testimonies with Slimani's passionate and intelligent commentary to make a galvanizing case for a sexual revolution in the Arab world     Subjects and Citizens Michael Moon, Cathy N. Davidson, 1995-06-15 Focusing on intersecting issues of nation race and gender this volume inaugurates new models for American literary and cultural history *Subjects and Citizens* reveals the many ways in which a wide range of canonical and non canonical writing contends with the most crucial social political and literary issues of our past and present Defining the landscape of the New American literary history these essays are united by three interrelated concerns ideas of origin where does American literature begin ideas of nation what does American literature mean and ideas of race and gender what does American literature include and exclude and how Work by writers as diverse as Aphra Behn James Fenimore Cooper Edgar Allan Poe Frances Harper Harriet Beecher Stowe Herman Melville William Faulkner Harriet Jacobs Frederick Douglass Abraham Lincoln Bharati Mukherjee Booker T Washington Mark Twain Kate Chopin Américo Paredes and Toni Morrison are discussed from several theoretical perspectives using a variety of methodologies Issues of the frontier and the border as well as those of coloniality and postcoloniality are explored In each case these essays emphasize the ideological nature of national identity and more specifically the centrality of race and gender to our concept of nationhood Collected from recent issues of *American Literature* with three new essays added *Subjects and Citizens* charts

American Literary Realism and the Failed Promise of Contract Brook Thomas,2023-04-28 In American Literary Realism and the Failed Promise of Contract the author explores the interplay between contract law and literary realism in late nineteenth century America a time when both contract law and realism shaped cultural legal and social landscapes The text argues that while contract law in theory emphasized the freedom to negotiate obligations among individuals it fell short in practice by failing to dismantle deeply entrenched inequalities associated with race class and gender The era s literature mirrored this dynamic as authors highlighted the gap between the idealized promises of contractual freedom and the enduring constraints of status Through this lens literary realism not only reflected society s inequities but also critiqued the legal and social systems that perpetuated them Realism which sought to represent everyday life in a grounded unembellished way intersected with the contract s promise by portraying social relations as complex and negotiated yet constrained by systemic hierarchies Works like Twain s *Adventures of Huckleberry Finn* and James s *The American* evoke moments where relationships of status could theoretically transform into equitable contractual interactions However these fictional moments of promise often falter reflecting contract s inability to establish a truly egalitarian social order The rise of corporate capitalism further complicated contract s promise as corporations fostered a form of economic structure that subordinated individual agency reinforcing rather than alleviating social inequities The text also considers how these issues resonate today especially as contractual ideals influence contemporary notions of social justice While the promise of contract continues to appeal to a vision of equal opportunity the persistent influence of race class and gender hierarchies complicates its realization The author suggests that revisiting works of realism offers valuable insights into these ongoing tensions challenging readers to reimagine a society where individuals might genuinely be free and equal not just in theory but in practice In doing so this book presents realism not as an endorsement of the status quo but as a field of critical inquiry urging us to address the unresolved questions about equity that persist in American society This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997
