The Ties That Buy Ellen Hartigan-O'Connor, 2012-02 In 1770 tavernkeeper Abigail Stoneman called in her debts by flourishing a handful of playing cards before the Rhode Island Court of Common Pleas Scrawled on the cards were the IOUs of drinkers whose links to Stoneman testified to women's paradoxical place in the urban economy of the late eighteenth and early nineteenth centuries Stoneman did traditional women's work boarding feeding cleaning and selling alcohol but her customers like her creditors underscore her connections to an expansive commercial society These connections are central to *The Ties That Buy* Historian Ellen Hartigan O'Connor traces the lives of urban women in early America to reveal how they used the ties of residence work credit and money to shape consumer culture at a time when the politics of the marketplace was gaining national significance Covering the period 1750-1820 the book analyzes how women such as Stoneman used and were used by shifting forms of credit and cash in an economy transitioning between neighborly exchanges and investment oriented transactions In this world commerce reached into every part of life At the hearths of multifamily homes renters lodgers and recent acquaintances lived together and struck financial deals for survival Landladies enslaved washerwomen shopkeepers and hucksters sustained themselves by serving the mobile population A new economic practice in America shopping mobilized hierarchical and friendly relationships into wide ranging consumer networks that depended on these same market connections Rhetoric emerging after the Revolution downplayed the significance of expanding female economic life in the interest of stabilizing the political order But women were quintessential market participants with fluid occupational identities cross class social and economic connections and a firm investment in cash and commercial goods for power and meaning

Women in Early America Thomas A Foster, Carol Berkin, Jennifer L Morgan, 2015-03-20 The fascinating stories of the myriad women who shaped the early modern North American world from the colonial era through the first years of the Republic *Women in Early America* goes beyond the familiar stories of Pocahontas or Abigail Adams recovering the lives and experiences of lesser known women both ordinary and elite enslaved and free Indigenous and immigrant who lived and worked in not only British mainland America but also New Spain New France New Netherlands and the West Indies In these essays we learn about the conditions that women faced during the Salem witchcraft panic and the Spanish Inquisition in New Mexico as indentured servants in early Virginia and Maryland caught up between warring British and Native Americans as traders in New Netherlands and Detroit as slave owners in Jamaica as Loyalist women during the American Revolution enslaved in the President's house and as students and educators inspired by the air of equality in the young nation The

contributors showcase new research and analysis informed by feminist theory gender theory new cultural history social history and literary criticism Women in Early America heeds the call of feminist scholars to not merely reproduce male centered narratives add women and stir but to rethink master narratives themselves so that we may better understand how women and men created and developed our historical past

Women Prophets and Radical Protestantism in the British Atlantic World, 1640-1730 Elizabeth Bouldin, 2015-11-12 This book analyzes how women negotiated and shaped ideas about community in the British Atlantic world through claims of revelation [A Peculiar Mixture](#) Jan

Stievermann, Oliver Scheiding, 2015-06-26 Through innovative interdisciplinary methodologies and fresh avenues of inquiry the nine essays collected in A Peculiar Mixture endeavor to transform how we understand the bewildering multiplicity and complexity that characterized the experience of German speaking people in the middle colonies They explore how the various cultural expressions of German speakers helped them bridge regional religious and denominational divides and eventually find a way to partake in America s emerging national identity Instead of thinking about early American culture and literature as evolving continuously as a singular entity the contributions to this volume conceive of it as an ever shifting and tangled web of contact zones They present a society with a plurality of different native and colonial cultures interacting not only with one another but also with cultures and traditions from outside the colonies in a peculiar mixture of Old World practices and New World influences Aside from the editors the contributors are Rosalind J Beiler Patrick M Erben Cynthia G Falk Marie Basile McDaniel Philip Otterness Liam Riordan Matthias Sch nofer and Marianne S Wokeck **In the Words of Women**

Louise V. North, Janet M. Wedge, Landa M. Freeman, 2024-04-12 In the Words of Women brings together the writings letters diaries journals pamphlets poems plays depositions and newspaper articles of women who lived between 1765 and 1799 The writings are organized chronologically around events battles and developments from before the Revolution through its prosecution and aftermath They reflect the thoughts observations and experiences of women during those tumultuous times women less well known to the reading public including patriots and loyalists the highborn and lowly Native Americans and blacks both free and enslaved the involved and observers the young and old and those in between Brief narrative passages provide historical context and information about the women as they are introduced enable readers to appreciate their relevance and significance In the Words of Women also focuses on topics such as health everyday life and travel The selections not only document existing attitudes practices and customs but also changes wrought by the war and independence This book allows the voices of these women to be heard and readers to make their own inferences and judgments based on women speaking for themselves For more information on this topic please visit the author s website at www.inthewordsofwomen.com [Encyclopedia of U.S. Political History](#) Andrew Whitmore Robertson, 2010 Annotation st1

Between Two Worlds Malcolm Gaskill, 2014-11-11 In the 1600s over 350 000 intrepid English men women and children migrated to America leaving behind their homeland for an uncertain future Whether they settled in Jamestown Salem or Barbados these migrants entrepreneurs soldiers and pilgrims alike faced one incontrovertible truth England was a very very long way away In *Between Two Worlds* celebrated historian Malcolm Gaskill tells the sweeping story of the English experience in America during the first century of colonization Following a large and varied cast of visionaries and heretics merchants and warriors and slaves and rebels Gaskill brilliantly illuminates the often traumatic challenges the settlers faced The first waves sought to recreate the English way of life even to recover a society that was vanishing at home But they were thwarted at every turn by the perils of a strange continent unaided by monarchs who first ignored then exploited them As these colonists strove to leave their mark on the New World they were forced by hardship and hunger by illness and infighting and by bloody and desperate battles with Indians to innovate and adapt or perish As later generations acclimated to the wilderness they recognized that they had evolved into something distinct no longer just the English in America they were perhaps not even English at all These men and women were among the first white Americans and certainly the most prolific And as Gaskill shows in learning to live in an unforgiving world they had begun a long and fateful journey toward rebellion and finally independence

A Companion to Women's Military History, 2012-08-17 Military institutions have everywhere and always shaped the course of history but women's near universal participation in them has largely gone unnoticed This volume addresses the changing relationships between women and armed forces from antiquity to the present The eight chapters in Part I present broad scholarly reviews of the existing literature to provide a

clear understanding of where we stand An extended picture essay documents visually women s military work since the sixteenth century The book s second part comprises eight exemplary articles more narrowly focused than the survey articles but illustrating some of their major themes Military history will benefit from acknowledging women s participation as will women s history from recognizing military institutions as major factors in molding women s lives Contributors include Jorit Wintjes Mary Elizabeth Ailes John A Lynn Barton C Hacker Kimberly Jensen Margaret Vining D Ann M Campbell Carol B Stevens Jan Noel Elizabeth Prelinger Donna Alvah Karen Hagemann Yehudit Kol Inbar Dorotea Gucciardo and Megan Howatt and Judith Hicks Stiehm

Claiming the Pen Catherine Kerrison,2015-05-05 In 1711 the imperious Virginia patriarch William Byrd II spitefully refused his wife Lucy s plea for a book a century later Lady Jean Skipwith placed an order that sent the Virginia bookseller Joseph Swan scurrying to please These vignettes bracket a century of change in white southern women s lives Claiming the Pen offers the first intellectual history of early southern women It situates their reading and writing within the literary culture of the wider Anglo Atlantic world thus far understood to be a masculine province even as they inhabited the limited provincial social circles of the plantation South Catherine Kerrison uncovers a new realm of female education in which conduct of life advice both the dry pedantry of sermons and the risqu plots of novels formed the core reading program Women she finds learned to think and write by reading prescriptive literature not Greek and Latin classics in impromptu home classrooms rather than colleges and universities and from kin and friends rather than schoolmates and professors Kerrison also reveals that southern women in their willingness to take up the pen and so claim new rights seized upon their racial superiority to offset their gender inferiority In depriving slaves of education southern women claimed literacy as a privilege of their whiteness and perpetuated and strengthened the repressive institutions of slavery

The Business of Emotions in Modern History Mandy L. Cooper,Andrew Popp,2023-01-12 The Business of Emotions in Modern History shows how businesses from individual entrepreneurs to family firms and massive corporations have relied on leveraged generated and been shaped by emotions for centuries With a broad temporal and global coverage ranging from the early modern era to the present day in Africa Asia Europe and North America the essays in this volume highlight the rich potential for studying emotions and business in tandem In exploring how emotions and emotional situations affect business and in turn how businesses affect the emotional lives of individuals and communities this book allows us to recognise the emotional structures behind business decisions and relationships and how to question them From emotional labour in family firms to affective corporate paternalism and the role of specific emotions such as trust fear anxiety love and nostalgia in creating economic connections this book opens a rich new avenue of research for both the history of emotions and business history

The Diary of Elizabeth Drinker Elaine Forman Crane,2011-10-11 The journal of Philadelphia Quaker Elizabeth Sandwith Drinker 1735 1807 is perhaps the single most significant personal record of eighteenth century life in America from a woman s perspective Drinker wrote in her diary nearly continuously between 1758 and 1807 from two years before her

marriage to the night before her last illness The extraordinary span and sustained quality of the journal make it a rewarding document for a multitude of historical purposes One of the most prolific early American diarists her journal runs to thirty six manuscript volumes Elizabeth Drinker saw English colonies evolve into the American nation while Drinker herself changed from a young unmarried woman into a wife mother and grandmother Her journal entries touch on every contemporary subject political personal and familial Focusing on different stages of Drinker s personal development within the domestic context this abridged edition highlights four critical phases of her life cycle youth and courtship wife and mother middle age in years of crisis and grandmother and family elder There is little that escaped Elizabeth Drinker s quill and her diary is a delight not only for the information it contains but also for the way in which she conveys her world across the centuries

Women in Port Douglas Catterall, Jody Campbell, 2012-09-28 The practical application of micro historical approaches in Women in Port helps to re frame our understanding of women s possibilities in the Atlantic world The Overseers of Early American Slavery Laura R. Sandy, 2020-04-03 Enmeshed in the exploitative world of racial slavery overseers were central figures in the management of early American plantation enterprises All too frequently dismissed as brutal and incompetent they defy easy categorisation Some were rogues yet others were highly skilled professionals farmers and artisans Some were themselves enslaved They and their wives with whom they often formed supervisory partnerships were caught between disdainful planters and defiant enslaved labourers as they sought to advance their ambitions Their history revealed here in unprecedented detail illuminates the complex power struggles and interplay of class and race in a volatile slave society

Women before the court Lindsay R. Moore, 2019-05-10 This book offers an innovative comparative approach to the study of women s legal rights during a formative period of Anglo American history It traces how colonists transplanted English legal institutions to America examines the remarkable depth of women s legal knowledge and shows how the law increasingly undermined patriarchal relationships between parents and children masters and servants husbands and wives The book will be of interest to scholars of Britain and colonial America and to laypeople interested in how women in the past navigated and negotiated the structures of authority that governed them It is packed with fascinating stories that women related to the courts in cases ranging from murder and abuse to debt and estate litigation Ultimately it makes a remarkable contribution to our understandings of law power and gender in the early modern world **Women in the American Revolution** Barbara B. Oberg, 2019-05-24 Building on a quarter century of scholarship following the publication of the groundbreaking Women in the Age of the American Revolution the engagingly written essays in this volume offer an updated answer to the question What was life like for women in the era of the American Revolution The contributors examine how women dealt with years of armed conflict and carried on their daily lives exploring factors such as age race educational background marital status social class and region For patriot women the Revolution created opportunities to market goods find a new social status within the community or gain power in the family Those who remained loyal to the Crown however often saw their lives

diminished their property confiscated their businesses failed or their sense of security shattered Some essays focus on individuals Sarah Bache Phillis Wheatley while others address the impact of war on social or commercial interactions between men and women Patriot women in occupied Boston fell in love with and married British soldiers in Philadelphia women mobilized support for nonimportation and in several major colonial cities wives took over the family business while their husbands fought Together these essays recover what the Revolution meant to and for women Prodigal Daughters Marion Rust, 2012-12-01 Susanna Rowson novelist actress playwright poet school founder and early national celebrity bears little resemblance to the title character in her most famous creation Charlotte Temple Yet this best selling novel has long been perceived as the prime exemplar of female passivity and subjugation in the early Republic Marion Rust disrupts this view by placing the novel in the context of Rowson's life and other writings Rust shows how an early form of American sentimentalism mediated the constantly shifting balance between autonomy and submission that is key to understanding both Rowson's work and the lives of early American women Rust proposes that Rowson found a wide female audience in the young Republic because she articulated meaningful female agency without sacrificing accountability to authority a particularly useful skill in a nation that idealized womanhood while denying women the most basic rights Rowson herself an expert at personal reinvention invited her readers theatrical audiences and students to value carefully crafted female self presentation as an instrument for the attainment of greater influence Prodigal Daughters demonstrates some of the ways in which literature and lived experience overlapped especially for women trying to find room for themselves in an increasingly hostile public arena
