On God And Man:

The Image of God in Man David Cairns, 1953 **On God and Man** John Calvin, 1965-06 On God, Space, and Time Akiva J. Vroman, An infinite quantity remains the same infinite quantity if a finite quantity however large is subtracted from it

On God Space and Time devotes itself to this proof **The God-Man** J.D. Williams, 2019-01-29 For those who truly desire a comprehensive understanding of the exigency of the incarnation centrality of the cross and the sine qua non of the resurrection This is a must read Dr Williams brilliantly weaves together orthodox theology with practical application resulting in a work meaty enough for the scholar yet digestible and building for the everyday church goer Bishop Donald Clay Petra International Ministries Pittsburg PA This book is an important contribution to the 21st century Christian community It presents a strong unapologetic biblical methodical argument of The God Man Jesus based on Scripture with strong visual illustrations As such ministers and lay persons would greatly appreciate and benefit biblically and theologically in regards to the natures and function of The God Man Therefore I strongly encourage and recommend everyone to read this book which presents a clear succinct understanding of The God Man De Lafayette Awkward Princeton Theological Seminary M Div Th M Hebrew University of Jerusalem ABD Pastor of New Lots Community Church Reformed Church in America In 451 the Council of Chalcedon meet and confirmed that Christ had two natures one divine and the other human Over the centuries the concept of the God Man has confused intrigued and escaped the logic of theologians preachers and students In his book The God Man Elder J D Williams seeks to explain his concept through comprehensive exploration and exposition Elder Williams has provided an excellent text that includes research sermons and illustrations that are designed to enlighten the mind while providing further dialogue among those who wish to gain a deeper understanding of the term the God Man Rev Dr Carl L Washington Jr Pastor New Mount Zion Baptist Church Former Moderator United Missionary Baptist Association President Empire Baptist Missionary Convention Dr J D Williams is a profound pedagogue who s deep and contemplative studies are captured within these pages His insightful perspective regarding the revelation of the mystery between God and Christ is a must read for all in search of a more weighty theological enlightenment Bishop Eric R Figueroa Sr Presiding Prelate New Life Covenant Fellowship Senior Pastor New Life Tabernacle **The Oeconomy of the Covenants, Between God and Man** Herman Witsius, 1804 **Vital Christianity** Newton N. Riddell, 1920 **In the Twilight with God** Benjamin W. Farley, 2014-11-19 Granted that God may exist how may God be defined in our time Addressing this issue Benjamin Farley explores a variety of belief systems Western and Eastern religious and skeptical Taking an approach that is both critical of religion as well as sympathetic Farley refuses to shy away from hard questions or to dismiss constructive answers that speak to the human condition He distinguishes human intellectual ascent towards God from humankind s innate and inner sense to know and relate to the living God demonstrating the efforts and rewards of both approaches in Christianity as well as in Hinduism Buddhism Taoism and Zen Alongside these more obviously religious approaches Farley reviews the methodologies

and findings of today's greatest scientific minds including skeptics such as Hawking, Dawkins and Wilson as well as their skeptical forerunners of the past. He argues that belief in God can no more ignore the scientific truth about the universe than science can dismiss the spiritual yearnings and hunger of humanity for purpose, meaning and its inescapable sense of the presence of God. *Jesus Christ, the God-man* Bruce A. Demarest, 1978 God Has Come, He Is King The Church of Almighty God, Almighty God Christ of the last days has expressed a variety of truths uncovered every truth and mystery in the Bible and revealed to mankind the inside story of the three stages of God's work: the mystery of God becoming flesh and God's work of judgment in the last days etc. This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days. **God, Man, and Satan** Roland Mushat Frye, 2015-12-08 Treating John Milton's *Paradise Lost* as a Christian vision of reality and Bunyan's *Pilgrim's Progress* as an allegory of the Christian life, Roland Mushat Frye brings together two seventeenth-century works in this highly original literary study. He sees the writings both as art and as theological expression and his analysis penetrates each aspect. *Paradise Lost*, once considered a monument to dead ideas and Bunyan's work are found to speak with relevance to today's theological ferment and the contributions of such modern thinkers as Kierkegaard, Niebuhr and Tillich illumine the design of the two works. The author's imagination and literary insight give fresh perspective to two English classics. Talking Seriously About God Asle Eikrem, Atle O. Søvik, 2016 Talk about God is often the source of controversy. Theists and atheists are equally passionate when making their stand for or against belief in God. In this book, a wide range of philosophers of religion have come together to discuss how serious talk about God ought to be conducted for theists and atheists alike in what should be their common pursuit for truth. The essays both address methodological questions and provide a range of concrete samples of serious God talk spanning from political religion and classical proofs of God's existence to the problem of evil. Series: Nordic Studies in Theology / Nordische Studien zur Atheism Vol. 4 Subject: Religious Studies God, Man, and Mortality Hasan Horkuc, 2015-04-07 *God, Man, Mortality* is a collection of essays written both by seasoned and by up-and-coming scholars working the field known as Nursi studies. The aim of these essays is to hold a mirror up to Nursi's teachings on a number of issues just as Nursi held a mirror up to the teachings of the Qur'an. The scope is broad, covering subjects such as Divine immanence and transcendence, human spirituality and man's role as Divine vicegerent, Divine determining and free will, and human conscience as evidence of the existence of God. The topics presented by the authors are unashamedly theocentric in nature; discussions on politics and legal theory are conspicuous by their absence. We

benefit from the depth of awareness that the contributors clearly have of Nursi's teachings and his place in the Muslim academe as well as from their lucid expository styles and strong authorial voices

God's Foreknowledge and Man's Free Will Richard Rice, 2004-01-27 This book is a thought provoking study of some issues concerning the historic Calvinist Arminian debate Does God know absolutely everything that's going to happen Can He foresee future moral choices and actions which have not yet been made If one's future responses and behavior are totally foreknowable is she truly free Dr Richard Rice explores these and other fascinating questions which have sometimes divided Christians The author gives new perspective on one of the most fundamental issues of the Christian faith the relationship of God to His creation and the reality and extent of human freedom Carefully scrutinizing the Scriptures on this subject the author challenges the reader to examine for himself this critical issue of theology With strong theological background and sound biblical scholarship Dr Rice presents his viewpoint in a convincing and readable style

Foucault and Religion Jeremy Carrette, 2002-09-11 Foucault and Religion is the first major study of Michel Foucault in relation and response to Religion Jeremy Carrette offers us a challenging new look at Foucault's work and addresses a religious dimension that has previously been neglected We see that prior to Foucault's infamous unpublished volume in the History of Sexuality on the theme of Christianity there is a complex religious sub text which anticipates this final unseen work Jeremy Carrette argues that Foucault offers a twofold critique of

Christianity by bringing the body and sexuality into religious practice and exploring a political spirituality of the self He shows us that Foucault's creation of a body theology through the death of God reveals how religious beliefs reflect the sexual body questions the notion of a mystical archaeology and exposes the political technology of confession Anyone interested in understanding Foucault's thought in a new light will find this book a truly fascinating read

The God/Man/World Triangle R. Crawford, 1997-10-06 Why is there a world Does it reflect the presence of God in any way Did the world spontaneously come into existence or is there a creator How will it end Does God Exist Do religions give a coherent view of His existence and nature Can we enter into relation with Him Robert Crawford tries to answer these and other questions by arguing that religion and science complement one another and while they use different sources and methods insights can be gleaned from both concerning our nature the world and God Major attention is given to Christianity because modern science arose in that context but the discussion includes the teachings of five other religions in the hope that we can also learn from them
