Papua New Guinea Country:

Papua New Guinea Country Study on Biological Diversity Nikhil Sekhran, S. Miller, Scott Everett Miller, 1995 **Country gender assessment of agriculture and the rural sector in Papua New Guinea** Food and Agriculture Organization of the United Nations, 2019-10-09 The Country Gender Assessment of Agriculture and the Rural Sector report provides a gender perspective of the agricultural and rural sector of Papua New Guinea The analysis provides an overview of the gender based gaps and inequalities in access to and control over critical productive resources and opportunities The methods used involved a two tier approach where there was the review of literature related to women s engagement in agriculture and the rural sector as well as semi structured interviews and focus group discussions with selected groups The findings recognizes that agriculture is key for the country s economy However there remains to be persisting challenges in creating an enabling environment for enhancing women s participation in food value chains Additionally the disparities are obvious in access to and control over key agricultural resources The rural women even though are major contributors to the economy their rights are not properly recognized hence are excluded systematically from access to decision making It is thereby concluded that the lack of influential gender sensitive leadership and coordination of the agricultural sector impede the empowerment of rural women and girls in the country The recommendation include a gender and workplace policy developed for the agricultural sector Importantly this publication is a tool for FAO the Government of Papua New Guinea and other development partners to mainstream gender into programming towards gender equality and the empowerment of rural women in Papua New Guinea **Papua New Guinea** Ingrid Gascoigne, Cassandra Schumacher, 2018-04-15 The country of Papua New Guinea has a diverse landscape filled with incredible animals and plant life With thick rain forests and beautiful mountains it is a tropical paradise The people are as varied as the lands In fact the country is home to the greatest language diversity in the world Modern pressures on one of the last nations to maintain a tribal life lend to a complex culture trying to preserve the beauty of the land while growing and prospering as a nation Allow readers to explore the incredible landscape the vast diversity and the rich culture of Papua New Guinea in this exciting informative book **Country Reports on Human Rights Practices** ,1983 **The World in Your Hands. OECD/G20 Base Erosion and Profit Shifting Project Country-by-Country Reporting – Compilation of Peer Review Reports (Phase 2) Inclusive Framework on BEPS: Action 13 OECD, 2019-09-03 The peer review of the Action 13 Minimum Standard is proceeding in stages with three annual reviews in 2017, 2018 and 2019. The phased review process follows the phased implementation of CbC Reporting. Each annual peer review process will therefore focus on different aspects of the three key areas under review: the domestic legal and administrative framework, the exchange of information framework and the confidentiality and appropriate use of CbC reports. This second annual peer review report reflects the outcome of the second review which considered all aspects of implementation. It contains the review of 116 jurisdictions which provided legislation or information pertaining to the implementation of CbC Reporting.

WHO country stories: delivering for all World Health Organization, 2023-10-30 Along with the Impact Measurement and the Output Scorecard, country case studies are one of the three components of WHO's results reporting framework. These set of rich country case studies come directly from the field and highlight WHO's key successes realized over the recent past. They cover achievements and results across a wide spectrum of areas to deliver on the promise of the triple billion targets. The collection of case studies responds to the request of WHO's donors and partners to provide additional information on both the diversity of settings in which WHO is currently working at country level and the variety of approaches that the Organization is using to better serve its Member States. This publication will complement the 2023 WHO Midterm Results Report and will be available to WHO Member States, partners and donors online on WHO's public webpages. Each story is directly linked to a GPW13 outcome and provides a snapshot of the Organization's range of efforts to promote health, keep the world safe and serve the vulnerable.
