Women Without Men Marlene Epp, 2000-01-01 The story of thousands of Mennonite women who having lost their husbands and fathers assumed altered gender roles in their adopted homeland and created a culture of women refugees with its own distinctive historical narrative

Negotiating Sexual Identities J. Alicia Dueck, 2012 As one of the first studies of its kind this book brings together the personal alongside complex theoretical concepts in order to explore lesbian gay bisexual transgender and queer LGBTQ identities within the Mennonite religious culture Applying performativity the book re examines the meaning of identity in this ethno religious community as well as the way in which sexuality is talked about in churches and within institutions It examines how lesbian gay and queer persons negotiate with these heteronormative discourses to be Mennonite This is an important book for religious scholars and those concerned with queer identifications

Series Masters of Peace Vol 6

A Pilgrim People Gerald W Schlabach, 2019-10-28 Recent decades have seen a steady trend in Roman Catholic teaching toward a commitment to active nonviolence that could qualify the church as a peace church As a moral theologian specializing in social ethics Schlabach explores how this trend in Catholic social teaching will need to take shape if Catholics are to follow through Globalization he argues is an invitation to recognize what was always supposed to be true in Catholic ecclesiology Christ gives Christians an identity that crosses borders To become a truly catholic global peace church in which peacemaking is church wide and parish deep Catholics should recognize that they have always properly been a diaspora people with an identity that transcends tribe and nation state

The Amish Struggle with Modernity Donald B. Kraybill, Marc Alan Olshan, 1994 A distinctive American subculture responds to the forces of social change

Killing Enmity Thomas R. Yoder Neufeld, 2011-06-01 Is the New Testament inherently violent In this book a well regarded New Testament scholar offers a balanced critical assessment of charges and claims that the Christian scriptures encode instigate or justify violence Thomas Yoder Neufeld provides a useful introduction to the language of violence in current theological discourse and surveys a wide range of key ethical New Testament texts through the lens of violence nonviolence He makes the case that contrary to much scholarly opinion the New Testament is not in itself inherently violent or supportive of violence instead it rejects and overcomes violence Published in the UK by SPCK as *Jesus and the Subversion of Violence*

Wrestling with the New Testament Evidence

A Field Guide to Christian Nonviolence David C. Cramer, Myles Werntz, 2022-02-08 Christian nonviolence is not a settled position but a vibrant and living tradition This book offers a concise introduction to diverse approaches to proponents of and resources for this tradition It explores the myriad biblical theological and practical dimensions of Christian nonviolence as represented by a variety of twentieth and twenty first century thinkers and movements including previously underrepresented voices The authors invite readers to explore this tradition and discover how they might live out the gospel in our modern world

Obedience, Suspicion and the Gospel of Mark Lydia Neufeld Harder, 2006-01-01 How do our social political and religious commitments influence our interpretation of biblical

texts Are obedience and suspicion necessarily opposite ways to respond to the authority of the Bible Can one criticize and be transformed at the same time Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible s authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority This new view opens the way for an interpretation of the Gospel of Mark A new appreciation of both the power and the vulnerability of the biblical text leads to a view of authority that embraces both suspicion and obedience in a dynamic interpretative process *Baptism, Peace and the State in the Reformed and Mennonite Traditions* Alan P. F. Sell, 2012-12-04 What are the most significant points at issue between the Reformed and Mennonite communions Baptism peace and church state relations Is there a way forward In the hope that there may be the contributors to this book attempt to clear the way to closer relations between Reformed and Mennonites by careful scholarly discussion of the traditionally disputed questions The papers gathered here were presented at the second phase of the international dialogue between the World Alliance of Reformed Churches Presbyterian and Congregational and the Mennonite World Conference There are Reformed and Mennonite studies of the three topics together with the responses of a philosopher of religion a sociologist a systematic theologian and a church historian In the Introduction the dialogue is set in its historical and contemporary ecumenical context and the Conclusion drafted by the dialogue participants has been forwarded to the two world bodies for their consideration and action This important work will be relevant to all future scholarly research into the growing debate between Reformed and Mennonite communions **For the Joy Set Before Us** Gerald Schlabach, 2001 Examining how Augustine reconciled self love and self denial in a unified Christian love this book demonstrates the crucial role that continence played in Augustine s teaching showing it to be more than an attitude toward sexuality rather it is the operative mode of Augustinian caritas *The Logics of Gender Justice* Mala Htun, S. Laurel Weldon, 2018-03 This book explains when and why governments around the world take action to advance or undermine women s rights **The Routledge History Handbook of Central and Eastern Europe in the Twentieth Century** Jochen Böhrer, Włodzimierz Borodziej, Joachim von Puttkamer, 2022-02-15 Violence analyzes both the violence exerted on the societies of Central and Eastern Europe during the twentieth century by belligerent powers and authoritarian and or totalitarian regimes and armed conflicts between ethnic social and national groups as well as the interaction between these two phenomena Throughout the twentieth century Central and Eastern Europe was hit particularly hard by war violence and repression with armed conflicts in the Balkans at the start and end of the period and two world wars in between In the shadow of these full scale wars ethnic social and national conflicts were intensified found new forms and were violently

played out The interwar period witnessed the emergence of authoritarian states who enforced their claim to power through continued violence against political opponents stigmatized ethnic national and social groups and were themselves fought with subversive or terrorist techniques This volume focuses specifically on physical violence war and civil war ethnic cleansing systematic starvation policies deportations and expulsions forced labour and prison camps persecution by state security such as intensive surveillance which had an enormous impact on the lives of those it affected and other forms of government oppression and militant resistance Geographically it considers the western regions of Belarus and Ukraine as sites of extreme violence that had a noticeable impact on neighbouring Central and Eastern European countries as well The concluding volume in a four volume set on Central and Eastern Europe in the twentieth century it is the go to resource for those interested in violence in this complex region

Subject Guide to Books in Print ,1996 **The Outcast Majority** Marc Sommers,2015-12-01 The Outcast Majority invites policymakers practitioners academics students and others to think about three commanding contemporary issues war development and youth in new ways The starting point is the following irony while African youth are demographically dominant most see themselves as members of an outcast minority The irony directly informs young people s lives in war affected Africa where differences separating the priorities of youth and those of international agencies are especially prominent Drawing on interviews with development experts and young people Marc Sommers shines a light on this gap and offers guidance on how to close it He begins with a comprehensive consideration of forces that shape and propel the lives of African youth today particularly those experiencing or emerging from war They are contrasted with forces that influence and constrain the international development aid enterprise The book concludes with a framework for making development policies and practices significantly more relevant and effective for youth in areas affected by African wars and other places where vast and vibrant youth populations reside

Religion, Gender and Citizenship Line Nyhagen,B. Halsaa,2016-04-29 How do religious women talk about and practise citizenship How is religion linked to gender and nationality What are their views on gender equality women s movements and feminism Via interviews with Christian and Muslim women in Norway Spain and the UK this book explores intersections between religion citizenship gender and feminism

APAIS 1994: Australian public affairs information service , **Books in Print** ,1991 *Gender, Conflict, Peace, and UNSC Resolution 1325* Seema Shekhawat,2018-01-15 There is an increasing amount of literature on various aspects of United Nations Security Council Resolution 1325 While appreciating this scholarship this volume highlights some of the omissions and concerns to make a quality addition to the ongoing discourse on the intersection of gender with peace and security with a focus on 1325 It aims at a reality check of the impressive to dos list as the seventeen years since the Resolution passed provide an occasion to pause and ponder over the gap between the aspirations and the reality the ideal and the practice the promises and the action the euphoria and the despair The volume compiles carefully selected essays woven around Resolution 1325 to tease out the intricacies within both the Resolution and its implementation

Through a cocktail of well known and some lesser known case studies the volume addresses complicated realities with the intention of impacting policy making and the academic fields of gender peace and security The volume emphasizes the significance of transforming formal peace making processes and making them gender inclusive and gender sensitive by critically examining some omissions in the challenges that the Resolution implementation confronts The major question the volume seeks to address is this where are women positioned in the formal peace making seventeen years after the adoption of Resolution 1325

Communicating Differences Sudeshna Roy,Ibrahim Seaga Shaw,2016-02-05 This volume captures the essence of how we communicate differences in relationships between and across cultures in organizations through education and in moments of local and global conflict and crisis that demonstrates the importance and viability of approaching peace and conflict communication from various fields within communication studies
