Post-war Spanish Women Novelists and the Recuperation of Historical Memory Patricia O'Byrne, 2014 Reconstructs through testimonial literature the repression of women during the Franco years and recovers the writings of some of the forgotten post war women novelists The passing of Spain's Law of Historical Memory 2007 marked the official recognition of the need to confront a violent and painful past Article 2 makes reference to specific groups who experienced discrimination including religious and ethnic communities no reference is made to the gender repression endured by women enforced by a patriarchal regime through its legislation and policies with the active support of the Church and the Women's Section of the Falange Revised narratives of the period that have emerged in recent decades have raised issues in relation to the reliability and selectivity of memory and its ongoing mediation by intervening events While documentary sources of the period are prejudicial contemporaneous post war testimonial novels provide an invaluable resource in reconstructing the past particularly the novels of women writers This book draws on their narrative to reconstruct the female experience of the post war years and in particular on the writings of novelists whose work has undeservedly been disregarded Neither the experience of women under Franco nor the narrative of women writers of the period should be forgotten Patricia O Byrne lectures in Hispanic Studies and Comparative Literature at Dublin City University *The Spanish Cavalier Or De Soto the Discoverer* John Stevens C. GARDENER ,1866 The Spanish Billionaire's Hired Bride Rachel Lyndhurst,2012-10-07 The last thing billionaire Ricardo Almanza wants is to be married Unfortunately the notorious playboy needs wife before he s thirty and time is running out His stepmother s sexy debt ridden personal assistant seems like the perfect solution so he makes her a business deal she can t refuse one million euros for three months as his wife He might even enjoy being married to Helen providing he can convince her not to kick him somewhere painful again Helen Marshall can t believe Ricardo s outrageous proposal or that she s considering it but she must help clear her parents debts or her family faces financial ruin The small print on the marriage contract states they ll be husband and wife for three months in every way including in the bedroom But there s nothing in the contract about falling in love or what they do when the three months is up and they want to negotiate a clause binding them forever This Is Your Captain Speaking Captain Ed Owen,2004-12 While admittedly somewhat limited about the width and height of an aircraft windscreen and woefully short of the big picture the pilot s perspective offers some unique insights into the vagaries of life Those insights are presented in This Is Your Captain Speaking as a series of tales that while amusing and lighthearted give reason to pause and think Put your seatbacks into the full upright and locked position stow and lock your tray tables and sit back and enjoy the ride *The Pet-stock, Pigeon, and Poultry Bulletin* ,1880 **Pocket Dictionary of Spanish and English** Henry Neuman,1831 Brown Widow Ralph Brune,2003 They called it the wild land that area with its verdant hills that led to lesser hills ending with the vastness of the Pacific Ocean where the land kissed the sea The inhabitants were Indians who occasionally fought among themselves tribe to tribe but their bloodshed was minimal until the Spanish Army arrived then the blood flowed as never before in the name of Christianity But this is not a story of the Indians it s about one of those Spanish soldiers who visited a fortuneteller who almost gets it right He respects the Indians fighting ability with what weapons they have After soldiering he retires on a land grant of vast proportions It is about his family and acquaintances and the human condition of comedy religion love sex hate greed violence lust avarice murder with periods of quietude and haunting memories and somewhere in the novel about a woman who thinks temporarily she is a widow when she is not Any resemblance of anyone dead or alive is purely coincidental This is a fictional novel and is NOT HISTORICALLY or POLITICALLY CORRECT Read on and enjoy Spanish-English Mariano Velázquez de la Cadena,1900 Library Journal ,2000
