Using the Bible in Spiritual Direction Liz Hoare, 2016-01-01 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of

spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction      *Finding Seekers* Bruce Tallman,2011-10 You have spent a great amount of time effort and money in training to be a good spiritual director Now you can fulfill this calling as your full time work This book is an insider s report from the trenches based on Bruce Tallman s experience of being a full time spiritual director since 2002 and his research on how successful counselors set up their practices Dr Tallman has presented this material in training sessions for spiritual directors across North America It is becoming required reading in many programs because it is full of practical down to earth insights on every aspect of developing a spiritual direction practice The book has sold well as an ebook since 2007 and now has been totally updated on how to find seekers through social media networking Facebook Twitter YouTube and Skype      **Holy Listening** Margaret Guenther,1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered      **The Practice of Spiritual Direction** Bernard Pitaud,2019      **Reflective Practice for Spiritual Directors** Anne Long,2006-01-01      *Spiritual Direction* Kevin G.
