The Long Drive : On The Road We Call Life Er Qazi Zia, 2025-05-30 The Long Drive is not just a drive down highways and byways it is an existential metaphor for life itself Born of the author's regular trips along the Srinagar Jammu National Highway this introspective book draws broad comparisons between the act of driving and the shape of our lives Just as we cruise lanes take turns contend with traffic and deal with detours on the highway so too must we contend with obstacles decisions and turns in life Each chapter is matched with a phase of life echoing the ebbs and flows of aging beginning with ignition birth the high of youth the stress of ambition the slowdowns of difficulty and finally the quiet of contemplation Along the way travelers encounter fellow travelers face roadblocks stop to get fuel and find that every segment of the trip has value The book provides philosophical depth and spiritual insight reminding us that the true road is often within It invites the reader to not only move but to move with intention to not only drive but to
