Longest Mile:

The Longest Mile Ryan Watkins,2020-03-17 For nine days in early May Ryan Watkins along with two brothers Jeremy and Chris Jones backpack the world famous Appalachian Trail through the Great Smoky Mountains National Park From his very first steps into the Smokies Ryan quickly learns the seventy mile stretch of trail is far more difficult than he ever imagined The trio battles through torrential rains lightning snow fatigue multiple encounters with bears and a standoff with a timber rattlesnake as they march more than eighty miles from Standing Bear Farms a small hostel north of the Great Smoky Mountains National Park to Fontana Dam on the park s southern tip Along the way the group meets a colorful cast of hikers while experiencing the most physically demanding and personally rewarding nine days of their lives This story is a painfully honest unadulterated and sometimes raunchy retelling of a hike that is definitely not suitable for readers of all ages *The Longest Mile...* Tom Douglas,2010-03 The Longest Mile is about finding Hope when we see no Hope Having lived through the many years of abuse and mental illness can seem like too huge of a demon to confront and yet with God s help demons can be conquered We can come from the depths of pain and despair to climb to new heights and finding God s ultimate plan for each of our lives

holiday romances have no conclusion good or bad Just a few lead to fairy tale weddings and happy ever after Ian Lomax went to Corfu and fell in love with a Greek girl called Helen They married in England and had a lovely little boy called Christopher Blissfully unaware that his mother inlaw had plotted with his wife to abduct his son while on a trip to Greece Ian found himself alone and broken hearted in a strange country This book tells the true story of Ian s struggle through the Greek courts to recover his father s rights to be part of the life of his son **Night Fighter Navigator** Dennis Gosling,2010-02-28 A British Royal Air Force navigator shares his experiences during World War II in this compelling memoir Yorkshireman

Dennis Gosling joined the RAF on 24 May 1940 Having completed his training he was posted to 219 Squadron flying the night fighter version of the Beaufighter from Tangmere in 1941 As a navigator he became part of a two man team that would endure throughout his first operational tour In those infant days of radar interception he honed his skills in the night skies above southern England and the English Channel but without a firm kill On 12 February 1942 he and his pilot were instructed to pick up a brand new aircraft and deliver it to North Africa flying via Gibraltar a hazardous flight at extreme range In March the crew were posted to 1435 Flight of 89 Squadron with the task of defending the besieged island of Malta The flight s four Beaufighters flew into incessant bombing raids by the Luftwaffe and Italian Air Force Because of these raids the damage to aircraft on the ground was devastating and the flight was often reduced to a single serviceable aircraft Gosling s first success came in April 1942 with a confirmed kill and then shortly after his twenty first birthday on 13 May a triumphant night on the seventeenth brought three certain kills and one damaged enemy aircraft After being the squadron s virgins they shot into the record books Gosling s pilot being awarded the DFC Flight Sergeant Gosling however received no award At this stage he became somewhat embittered by the class system he felt was operated by the RAF Having endured the torment of constant bombardment serious stomach complaints even flying with a bucket in the aircraft and near starvation he completed his tour and was repatriated to the UK via Brazil and Canada in the Queen Mary After a spell instructing new night navigators he joined 604 Squadron and in December 1943 he was promoted to Warrant Officer February 1944 saw the squadron reequipped with the Mosquito and assignment to 2 Tactical Air Force in preparation for D Day Now once again he was flying initially over southern England and the Channel The squadron became mobile after the landings and were based in various captured airfields in France but the conditions were so inadequate for operations that the squadron returned to English bases from where they operated over and beyond the advancing Allied troops Eventually after having been awarded a much deserved DFC he accepted the King s Commission This autobiography is written as stated by the author I want my readers to relive my experiences as they happened to me to take their hands and have them walk beside me I want them to feel the joy and the pain share the laughs and the heartache take pleasure in the triumphs agonise with me when things went wrong and understand why my Service years influenced so much of my life He has succeeded magnificently
