and television western drama propelled the already bygone era of the cattle trail into myth and a lucrative one at that Ludwig correlates the rise of automobile tourism with an explosion of interest in the Chisholm Trail Community leaders were keenly aware of the potential economic impact if tourists were induced to visit their town rather than another and the Chisholm Trail was often just the hook needed Numerous historical markers were erected on little more than hearsay or boosterish memory and as a result the true history of the Chisholm Trail has been overshadowed The Old Chisholm Trail is the first comprehensive examination of the Chisholm Trail since Wayne Gard s 1954 classic study The Chisholm Trail and makes an important and modern contribution to the history of the American West Winner 2018 Elmer Kelton Book of the Year sponsored by the Academy of Western Artists
