Look Out By Water Look Out:

Look Out by Water Helena Ramsay, 2003 *Look Out by Water* is a no nonsense book with a strong safety message for young children about how they should avoid potentially dangerous situations near water. The narrative throughout is in simple straightforward language which is undramatic and reassuring whilst stressing the dangers that seemingly familiar situations can hold for children. A mixture of running narrative and speech bubbles has been specially developed in association with the National Centre for Language and Literacy Reading Reading Centre to draw in both confident and less able readers. Specially commissioned photographs are combined with child centred artwork to support the text and reiterate the safety message. *How to Rent a Fire Lookout in the Pacific Northwest* Tish McFadden, Tom Foley, 2010-05-10 This completely updated edition of the first complete guide to the cabins and fire lookouts available for rent in Oregon and Washington now covers a total of 61 properties 29 new. Ranging from a luxurious cabin just off the road to a remote 60 foot tower deep in the wilderness these scenic secluded and historic structures can be your own private place in the woods.
