Metagalaxy Russell Scott,2012-01-23 METAGALAXY Conclusions Metagalaxy Conclusions is a continuation of the Metagalaxy where SamSon is forced to face his life and the choices he has made as he takes it upon himself to help all SamSon finds out that everything and anything is still possible in this Metagalaxy even becoming conventional SamSon inspires others to step up and become moral as they seek out the greatest sources of evil to confront it and destroy it They know that evil in the Metagalaxy is still indeed strong smart and attempting to take over Love honor and loyalty are the keys to help this Metagalaxy survive And if SamSon can convince others and himself that he is still their defender and needed he will make sure it does But his own power might lead to the Metagalaxy s destruction **Samson's Diary** Bob

Arnone,2014-08-19 In an effort to protect her child from the harsh realities of her impending death Mary pours her heart into a diary her legacy to her challenged ten year old son Samson After her passing the grief stricken child writes longingly to his lost momma in the hopes that his fervent words might reach her in the great beyond Born with extraordinary powers found only in the primate world he is a mystery to the medical world His doctors know of a progressive tumor on his thyroid but even that can t explain his gigantism At ten he is 6 9 and weighs 175 pounds Nora his devoted nanny loves him as if he was her own flesh and blood and she does her best to encourage the boy When his mental abilities also begin to grow beyond expectations only his father believes that it is the work of Mary his dead wife At sixteen 7 6 and 275 pounds he s on the verge of harnessing his true potential Soon he s on his way to glory in professional sports and folk hero status but there s a powerful emptiness to his life Tragedy follows him everywhere He continues to write to his momma desperate to know why he keeps losing the ones he loves At nineteen undaunted by his doctor s fears that physical exertion will kill him he experiences a mystical transformation with his momma and a phalanx of angels to guide him When his body betrays him can they or should they save him *AL- ISLAAM: âTHE SEVENTH ANGEL AND THE SEVENTH SEALâ* Hassan

Shabazz,2020-03-22 This pamphlet or booklet is a humble attempt by the author to shine the light of Al Islaam the Holy Qur an and the language of Imaam W Deen Mohammed on the Book of Revelations It is my sincere belief that the Holy Scriptures are interconnected and that the Holy Qur an is the last chapter and the key to understanding all scriptures I believe the vision seen by Dr King in his I have a Dream speech will only be fulfilled in the religion of Al Islaam Islam The Islamic faith in my opinion is the New Zion In this book I use the spelling Imaam for Imam Islaam for Islam because I believe it gives the novice a better sense of how the words should be pronounced Take a Look Within Dane T. Samson's Shadow Ernest W. Cockrell,2024-01-19 The primary characters of this novel the vicar churchwarden and Thomson took life within my wonderings on the death of my bishop and do not represent any persons living or dead that I have known in my life Some of the other characters in the novel do reflect specific people though never from confession of course and I offer their words experiences and wisdom as a tribute to them and to the integrity and struggles of their own journey This novel makes use of fiction to investigate questions raised by males young middle aged and older as they undergo the difficult lifelong metamorphosis into manhood engaging one primary issue as a paradigm for the many unique and deeply personal issues which confront each man along his journey

Reading Rembrandt Mieke Bal,2025-10-01 Reading Rembrandt Beyond the Word Image Opposition explores the potential for an interdisciplinary methodology between visual art and literature In a series of close analyses of works by Rembrandt works as we see them today through all the ways of seeing and commenting that precede and texts related to those works Mieke Bal questions the traditional boundaries between literary and visual analysis Bal also studies Rembrandt s complex handling of gender and the representation of women in Rembrandt s painting The methods used in this study come from both in and outside the history

of art They demonstrate the author's sensitivity to the visual aspects of Rembrandt's work as meaningful The works by Rembrandt gain in depth and interest but an original perspective of the role of visuality in our culture also emerges which ultimately has consequences for our views of gender the artists and the act of reading *Take Another Look* Pamela Harris Williams,2011-03 When you look at yourself in the mirror who do you see Do you see someone who is bold confident and determined or do you see someone who is timid shy and unsure How we see ourselves or our self perception can be an advantage that shines light on the pathway to our success or it can be the storm cloud that guides us to our demise How we perceive ourselves will ultimately determine the outcome of our lives be it victorious or disastrous and these perceptions tend to be affected by how others see us But there is only one precise standard we can use to measure the accuracy of our self perception the Word of God Unfortunately many of us will never experience the lives God has for us because we won't perceive ourselves as He does It's time for that to change We can and we will reclaim ourselves Once you discover who you are in Christ you can move toward the destiny God has for you In this inspirational book you'll find the key components to changing your life for the better Understand who you are in Christ via perceptions Move beyond negativity and wrong associations Rebuild those things that were once alive and vibrant in your life Experience complete restoration Increase your confidence in God and yourself Allow Pamela Harris Williams to provide you with a mirror so you can Take Another Look and see yourself the way God sees you *The Freedom to Love* Jeza Belle,2025-03-03 Arthur Buchanan returns to Mason County Kentucky an idealistic young man who has just inherited the Lanark Plantation His arrival is eagerly anticipated by the household servants his brutal mother Missus Anna who is angry that Buck left Lanark to their son and Samson his close childhood friend and slave whom he has not spoken to in over a decade When Arthur invites Samson to move into the Lanark home as a houseslave it draws ire and curiosity from all sides Arthur's mother plots for her son to take a wife but the two men find themselves unable to control their feelings for each other despite the incredible risks and the deep disparities in their power and station The young master and his slave embark upon a clandestine relationship hidden from everyone lest their taboo connection cause unimaginable repercussions Can love flourish under the extreme imbalance and dehumanizing conditions of slavery Warning contains highly charged racial imagery and language that cannot be avoided in a work of this nature *The war cruise of the Mosca* George Emmet,1890 *Nameless* Kyle Chais,2012-01-10 No admission into Heaven but not banished to Hell the Nameless await their ultimate fate in between but one Nameless has decided to control his own fate In the in between are the Nameless names are for masters and they have none They live in the Nameless realm between being saved and being destroyed they are Fallen One Nameless spends his time watching humans in New York City and in his endless eternity of boredom becomes intrigued by a drunk named Aurick Pantera One day Aurick a reckless gambler is about to be killed by a gang over his debts Nameless feels sorry for him and possesses his body to save his life He then decides that he rather likes being in a human body given the chance to taste smells and touch He uses Aurick's body to fulfill all of his
