## Looking Other Stories:

Good Looking Bloke and other stories Ken Byerly, 2009-08-18 I didn't set out to write about sex though in some of these stories it does appear that that's what makes the turkey trot. Rather the beginning was mundane enough. In August 2008 I discovered two boxes of old letters in the basement of our house in Vermont. Letters I received and saved between the ages of 18 and 29. For reasons I can't explain these crinkly typed and written pages ignited in me a creative frenzy. I resurrected and rewrote four old short stories and over the next eight months created seven new ones. Have I a favorite I like them all but it struck me in my final run through for this volume that there was only one story MY FRIEND in which I did not change a single word. Here they are, hormones and all. Enjoy. *Looking at Harry and Other Stories* Natasha Illum Berg, 2024-01-30 From Arkansas and London to Zanzibar and the Tanzanian bush, *Looking at Harry and other stories* follows a selection of unique perspectives on the human condition spanning multiple continents.
