*Unification Church* J. Isamu Yamamoto, 2016-09-06 The Unification Church and its founder Dr Sun Myung Moon have been in the center of controversy because of their recruiting practices their financial holdings and their authoritarian style including arranged mass marriages Most controversial in terms of its teachings in Dr Moon s claim to be a new Messiah who will finish what Jesus left undone Is he the Messiah and is his Diving Principle the third testament of the Bible Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood

Birth, Criminal History and Judgment of the Roman C. Church Luis Munoz, 2013-08-16  
This book uses history and the Bible to offer a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy including Mystery Babylon the great the mother of harlots and of the abomination of the earth I will explore the myths and deception of Roman Catholicism and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man can't find salvation apart from her is the greatest deception the world has ever known Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the Vatican's Gnostic belief on sexual intercourse and the imposition of celibacy Many people throughout the world equate Christianity with everything that is vile contemptible and depraved For centuries the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church During the horrors of the Inquisition tens of thousands of people were tortured dismembered beaten and burned alive all in the name of a fraudulent faith Roman Catholicism is the false representation of truth and also the cause great many people throughout history have repudiated true Christianity The history of crimes the papacy has committed throughout history is so compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasn't been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God      Christianity John
