Lord Byron George Gordon Byron Baron Byron, 1994 George Gordon Byron was born in 1788 In 1816 he left England forever and went to live in Italy where he wrote instalments of Don Juan the epic ottava rima poem which his friends publisher and mistress thought too shocking to publish Not only in this late satirical work but throughout his career Byron s poetic and dramatic writing offers his readers an astonishing variety His death in 1824 while active in the struggle to liberate Greece allowed him to be claimed as a Romantic hero Book jacket *Selected Poems of Lord Byron* George Gordon Byron Baron Byron, 1923 **Lord Byron** George Gordon Byron Baron Byron, 1997 Humorous and ironic daring and flamboyant sardonic yet idealist his work encompasses a sweeping range of topics subjects and models embracing the most traditional and the most experimental poetic forms The Selected Poetry of Lord Byron Lord Byron, 2018-09-17 Lord George Gordon Byron was the flamboyant aristocratic poet who is as renowned for his personal life as he is for his poetry The victim of an untimely death Lord Byron lived from 1788 to 1824 Despite this relatively short life he still managed to create a volume of poetry that achieved him the status as one of the greatest of all English poets This representative selection includes such classics as Childe Harold s Pilgrimage a sweeping narrative poem which relays the story of a world weary young man who abandons a life of pleasure for distraction in foreign lands and a selection from Don Juan generally considered by critics as Byron s masterpiece which tells the legend of Don Juan as a man who is easily seduced by women instead of the more common womanizing portrayal A leading figure of the Romantic movement Lord Byron s poetry is still widely read and admired to this day Fans of English Romantic poetry would be remiss in skipping this fine collection of over one hundred of
