[Travel and Ethnology in the Renaissance](#)
Joan-Pau Rubiés,2002-09-05 This book first published in 2000 offers a wide ranging and ambitious analysis of how European travellers in India developed their perceptions of ethnic political and religious diversity over three hundred years It analyses the growth of novel historical and philosophical concerns from the early and rare examples of medieval travellers such as Marco Polo through to the more sophisticated narratives of seventeenth century observers religious writers such as Jesuit missionaries or independent antiquarians such as Pietro della Valle The book s approach combines the detailed contextual analysis of individual narratives with an original long term interpretation of the role of cross cultural encounters in the European Renaissance An extremely wide range of European sources is discussed including the often neglected but extremely important Iberian and Italian sources However the book also discusses a number of non European sources Muslim and Hindu thereby challenging simplistic interpretations of western orientalism
