Decolonization Models for America's Last Colony Angel Collado-Schwarz, 2012-02-29 The island of Puerto Rico suffers from a stagnant economy devastating unemployment and severely limited political autonomy In this book Collado Schwarz addresses Puerto Rico's more than a century old relationship with the United States and presents compelling strategies for gaining independence Through a series of interviews and newspaper columns the author examines six countries similar in size to Puerto Rico that have all successfully navigated a course to sovereignty Singapore Ireland Israel New Zealand Estonia and Slovenia Collado Schwarz chronicles the political history of each country the ways in which each achieved independence and what lessons can be applied to Puerto Rico With cogent analysis and carefully reasoned arguments this book will reopen the national dialogue in the United States about the future of Puerto Rico **The Home We Build Together** Jonathan Sacks, 2025-07-03 Rabbi Sacks thesis on the future of British society and the dangers facing liberal democracy With a new foreword by Daniel Finkelstein Arguing that global communications have fragmented national cultures and that multiculturalism intended to reduce social frictions is today reinforcing them Sacks argues for a new approach to national identity making the case for integrated diversity within a framework of shared political values Britain he argues will have to construct a national narrative as a basis for identity reinvigorate the concept of the common good and identify shared interests among currently conflicting groups It must restore a culture of civility protect neutral spaces from politicization and find ways of moving beyond an adversarial culture in which the loudest voice wins He argues for a responsibility rather than rights based model of citizenship that connects the ideas of giving and belonging Offering a new paradigm to replace previous models of assimilation on the one hand multiculturalism on the other he argues that we should see society as the home we build together bringing the distinctive gifts of different groups to the common good Sacks warns of the hazards free and open societies face in the twenty first century and offers an unusual religious defence of liberal democracy and the nation state **Governance Models for Latin American Universities in the 21st Century** Mohammad Ayub Khan, Antonio J. Dieck-Assad, Rosalia G. Castillo-Villar, Trina K Henderson-Torres, 2021-09-30 This book explores new models and future possibilities of university governance in a Latin American context using management and leadership theories The dramatic changes and uncertainty facing the world recently have forced us to reimagine the future of education Changes such as digitalization the increasing number of corporate universities and the need for cost effective educational programs and services require universities to keep evolving while ensuring that they maintain their essence as a critical social asset This book offers a new approach to managing and leading the university particularly by embracing the role and responsibility of delivering quality educational programs and services by being innovative and flexible enough to make urgent decisions and act upon them in a timely and appropriate manner With its contributions to management and the social sciences this interdisciplinary book will serve as a valuable resource to researchers administrators and students alike **The American**

Exporter ,1907 EU Foreign Policy Towards Latin America R. Dominguez,2015-06-29 This book analyzes the relations between two geographical areas with different levels of regional institutionalization the European Union and Latin America Characterized by low interdependence and asymmetry this relationship operates in different levels ranging from EU individual countries to EU Latin American summits **Feminist Analyses of Applied Ethics** Jane Duran,2015-05-06 This book forwards a line of argument that indicates how feminist analyses can ameliorate the standard consequential and occasionally deontological lines in applied ethics Drawing on core concepts in feminist philosophy Feminist Analyses of Applied Ethics investigates five major issues immigration environmental preservation intervention in medical areas the peace movement and matters of citizenship Although most of these areas have received extensive analysis there is no one work that covers all five areas from a feminist point of view This book aims to remedy that defect The work draws on key thinkers in feminist ethics such as Card and Gilligan and also ventures to other areas of feminist philosophy *American Ship Models and How to Build Them* V. R. Grimwood,2003-06-23 Easy to learn techniques arranged in order of difficulty range from relatively simple models to complicated square riggers Starting with the construction of a half hull ship model the book advances to a whole hull model and replicas of twelve vessels with separate chapters on rigging gear and furniture and tools and materials American Shoemaking ,1928 **The New Economic Model in Latin America and Its Impact on Income Distribution and Poverty** Victor Bulmer-Thomas,1996-03-25 The economies of Latin America have undergone a deep process of change in the last decade as a result of the application of major reforms The outcome can be fairly described as a New Economic Model This New Economic Model is distinguished from its predecessor in force before the 1980s debt crisis by an emphasis on market forces and export led growth This book explores the main features of the New Economic Model in Latin America and through analysis of the reform process and case studies examines its impact on income distribution and poverty *An African-centered Model of Prevention for African-American Youth at High Risk* Lawford L. Goddard,1993
