Lâle Demirtürk,2024-10-15

Inter racial Relationships as Accompaniment in Twenty First Century African American Novels explores the acts of accompaniment to disrupt the embodied discursive practices of whiteness and Black vulnerability as a way to change social relations across racial difference in the novels The novels analyzed in the book explore those Black male characters who work through the norms of whiteness in their relations with Black and white wo men while at the same time enacting the practices of accompaniment to subvert the embodied practices of whiteness At a time when there is the rise of interest in activist work such as the ongoing Black Lives Matter movement against the systems of white supremacy in the post Trump era these novels shape an understanding of Black characters struggle against discursive violence as a radical social praxis to transform the everyday life The book consists of four chapters on Kalisha Buckhanon s Speaking of Summer 2019 Kalisha Buckhanon s Upstate 2005 Ben Burgess Jr s Defining Moments Black and White 2020 and Walter Mosley s Every Man a King A King Oliver Novel 2023 While these novels depict a critique of racialized everyday life they interrogate whiteness as a political act of devaluation of Blackness and Black life by establishing relations through accompaniment The act as such stretches the boundary lines between who is the accompanier and the accompanied in shifting configurations of whiteness and blackness in the positioning of the vulnerable **Catalog of Copyright Entries. Copyright Office,1973 **Liberation Memories** Keith Gilyard,2003-04-01 This first book length study of John Oliver Killens aims to help secure his place in literary history and explores his creation of an inspiring Black vernacular art one that ennobles people of African descent and urges their political liberation No serious history of the development of the African American novel from the 1950s onward can be written without reference to John Oliver Killens A two time nominee for the Pulitzer Prize and founding chairman of the legendary Harlem Writers Guild Killens was regarded by many as a spiritual

father who inspired a generation of African American novelists with his politically charged works And yet today he rarely receives proper critical attention Seeking to strengthen our understanding of this important literary figure Keith Gilyard departs from standard critical frameworks to reveal Killens s novels as artful renderings of rich African American rhetorical forms and verbal traditions Gilyard finds that many critics adhering to ideals of art for art s sake or narrative conciseness are ill equipped to appreciate the many ways in which Killens s fiction succeeds Rejecting the pure art position Killens sought to articulate Black heroism particularly within a family or community context offering a set of values he deemed liberatory He focused on rendering noble and polemical characters and his work represents a distinguished fusion of sociopolitical persuasion rhetoric and literary artifact poetics To help illuminate such novels as *Youngblood* 1954 *And Then We Heard the Thunder* 1962 and *The Cotillion* 1971 Gilyard examines Killens s work as an essayist and cultural organizer highlighting his activism His life and literary production can be partly characterized Gilyard suggests by the African American jeremiad a major rhetorical form in the Black intellectual tradition expressing faith that America s destiny is to become an authentic pluralistic democracy
