## **Modern Preacher And The Ancient Text Interpreting And Preaching Biblical Literature:**

The Modern Preacher and the Ancient Text Sidney Greidanus, 1988 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles

**Sola Scriptura** Sidney Greidanus, 2001-10-31 This book deals with a key question every pastor faces nearly every week in preparing sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian Church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students

**Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

*Anointed Expository Preaching* Stephen Olford, 2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word

**Preaching Like the Prophets** Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

**Christ-Centered Preaching** Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers

Numerous appendixes address many practical issues      Handbook of Contemporary Preaching Dr. Michael Duduit,1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more      *Text Message* Ian Stackhouse,Oliver D. Crisp,2014-03-10 Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church the historic church and the contemporary church Contributions include essays on Old Testament preaching preaching in Hebrews gender sensitive preaching preaching in the theology of Jonathan Edwards Charles Spurgeon Dietrich Bonhoeffer and in Eastern Orthodoxy It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher including genre preaching without notes inhabiting the text and preaching without platitudes A final reflection by Dave Hansen on the state of textual preaching rounds out the collection The preaching of the gospel stands at the heart of Christian praxis These essays make a vital contribution to the recovery of the importance of preaching focused on the text of Scripture Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom this is a book that should appeal to a wide range of readers      *Expository Preaching in Africa* Ezekiel A. Ajibade,2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In *Expository Preaching in Africa* Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts      From Story Interpretation to Sermon Crafting Charles R. Dickson,2012-01-09 *From Story Interpretation to Sermon Crafting* was written by a preacher for preachers who have to deal with the competing demands of pastoral ministry It takes some of the gains of the last seven decades of the literary approach to Scripture and applies them to a vital aspect of pastoral ministry preaching The book presents a text centered and theological approach to analyzing Old Testament narratives This approach lays a solid basis for interpreting the narratives and demonstrates that the movement from examining the text to crafting the sermon is a continuous process Making use of many examples based on narrative passages from the Old Testament that facilitate grasping the methodology this approach to sermon crafting is rooted in the text shaped by the text and is characterized by sound and controlled exegesis It provides

the pastor with an approach that enables Old Testament historical narrative to speak to Christian believers in contemporary society in a way that addresses the issues concerns and struggles faced by the church and Christians The writer to the Hebrews says of righteous Abel though he is dead he still speaks 11 4 Similarly these ancient stories do speak and can still speak today To make them heard effectively and relevantly is the purpose of the book *Preaching the New Testament as Rhetoric* Tim MacBride,2014-11-05 Since the rise of the New Homiletic a generation ago it has been recognized that sermons not only say something to listeners they also do something A truly expository sermon will seek not merely to say what the biblical text said but also to do what the biblical text did in the lives of its original audience In *Preaching the New Testament as Rhetoric* MacBride looks how at the discipline of rhetorical criticism can help preachers discern the function of a New Testament text in its original setting as a means of crafting a sermon that can function similarly in contemporary contexts Focusing on the letters of Paul he shows how understanding them in light of Greco Roman speech conventions can suggest ways by which preachers can communicate not just the content of the letters but also their function In this way the power of the text itself can be harnessed leading to sermons that inform and most importantly transform *Truth That Never Dies* Nigel G. Wright,2014-11-07 The Dr G R Beasley Murray Memorial Lectures were delivered between 2002 and 2012 with the aim of extending the legacy of this significant New Testament scholar and church leader into the twenty first century Themes addressed include baptism ministry preaching mission and theological faithfulness Having first been delivered at the annual Assembly of the Baptist Union of Great Britain the lectures in this volume are now made available to a wider audience and will be of interest to church leaders across the denominations and across the world and not least to those who stand in Beasley Murray s own Baptist tradition George Beasley Murray died in 2000 **Equipped for Good Work** Cothen, Th.D., Joe H.,2002 Serving the Word Edward Sanders, Frank Dicken,2015-07-07 This book and the essays contained within are dedicated to Dr Chuck Sackett in recognition of his thirty two years of teaching at Lincoln Christian University He currently serves as Professor at Large but has held a variety of roles and titles during his thirty two years there These essays are written by current colleagues and former students who have had the privilege of studying hermeneutics homiletics and ministry with Dr Sackett Each essay covers a topic of scholarly or contemporary interest in the fields of hermeneutics or homiletics Hermeneutics and homiletics remain topics of discussion in the academy and the church These essays continue that discussion The essays overlap the two fields Some essays focus heavily on hermeneutical issues with an eye towards proclamation while others start with homiletics and hermeneutical issues are echoed in the background The essays found in this book offer unique perspectives and approaches to interpretation and preaching Though homiletics and hermeneutics are the fields of the study the church remains the arena where the fruit of each discipline is observed most clearly as Dr Sackett instructed his students throughout his years of teaching **Preparing Sermons from the Page to the Pulpit** Wayne Baxter,2023-12-06 A step by step guide to preparing effective expository sermons *Preparing Sermons from the Page to the*

Pulpit helps pastors move from study to sermon in seven clear steps Pastors love studying God's word But it can be difficult to take the things they've learned from exegesis and apply them to the soul of a congregation Veteran pastor and seminary professor Wayne Baxter helps pastors move from study to sermon He guides preachers on how to take their exegetical analysis of a Scripture passage and turn it into an effective expository sermon Preachers and seminarians will be helped by Baxter's expertise as they grow in crafting compelling sermons **Equipped for Good Work** Joe H. Cothen,

Th.D,2014-11-21 A practical handbook for today's pastors Extensively updated to aid in meeting the increased demands and challenges of twenty first century ministry this edition includes expanded indexes reading lists and technological suggestions Covering everything from policy programming to organizational management each invaluable chapter serves as a vital resource for ministers facing the challenges of pastoral work today *Preaching and Teaching the Last Things* Walter C.

Kaiser Jr.,Walter C. Kaiser,2011-09 A distinguished evangelical Old Testament scholar offers students teachers and pastors his signature guidance for expositing Old Testament eschatological texts **Preaching with Accuracy** Randal E.

Pelton,2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers *Invitation to Biblical Theology* Jeremy M. Kimble,Ched Spellman,2020-06-30 Invitation to Biblical

Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God's plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God's glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy *Preaching as the Word of*

*God* Sam Chan,2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name

calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory
