**Being Portuguese in Spanish** Jonathan William Wade, 2020-04-15 Among the many consequences of Spain's annexation of Portugal from 1580 to 1640 was an increase in the number of Portuguese authors writing in Spanish One can trace this practice as far back as the medieval period although it was through Gil Vicente Jorge de Montemayor and others that Spanish language texts entered the mainstream of literary expression in Portugal Proficiency in both languages gave Portuguese authors increased mobility throughout the empire For those with literary aspirations Spanish offered more opportunities to publish and greater readership which may be why it is nearly impossible to find a Portuguese author who did not participate in this trend during the dual monarchy Over the centuries these authors and their works have been erroneously defined in terms of economic opportunism questions of language loyalty and other reductive categories Within this large group however is a subcategory of authors who used their writings in Spanish to imagine explore and celebrate their Portuguese heritage Manuel de Faria e Sousa ngela de Azevedo Jacinto Cordeiro Ant nio de Sousa de Macedo and Violante do C u among many others offer a uniform yet complex answer to what it means to be from Portugal constructing and claiming their Portuguese identity from within a Castilianized existence Whereas all texts produced in Iberia during the early modern period reflect the distinct social political and cultural realities sweeping across the peninsula to some degree Portuguese literature written in Spanish offers a unique vantage point from which to see these converging landscapes *Being Portuguese in Spanish* explores the cultural cross pollination that defined the era and reappraises a body of works that uniquely addresses the intersection of language literature politics and identity

The Study of Spanish and Portuguese Literature Friedrich Bouterwek, 2021-05-07 This 2 volume book on the literature of Spain and Portugal represents an extraction from Bouterwek's most significant critical work entitled *Geschichte der Poesie und Beredsamkeit seit dem Ende der dreizehnten Jahrhunderts* History of Poetry and Eloquence from the Close of the Thirteenth Century in which the author has taken an historical and critical survey of the literature of the principal nations of Europe The first of the following volumes is devoted to the history of Spanish and the second to the history of Portuguese Literature The subdivisions of the work correspond with periods marked out by certain revolutions in taste produced by the rise of eminent writers or by other influential circumstances These epochs in literary cultivation form convenient resting places for the student and contribute to exhibit in a clear point of view the circumstances by which the advancement of polite learning has been accelerated or retarded The specimens which are numerous and a great portion of which are selected from very scarce

works cannot fail to prove highly acceptable to the lovers of the literature of Spain and Portugal For a general and comprehensive knowledge of that literature they will be found amply sufficient and to those who wish to pursue its study more in detail they will afford most useful assistance In such a course of study great advantage may also be derived from the numerous bibliographical notes introduced by the author

**A Companion to Portuguese Literature** Thomas Foster Earle,Stephen Parkinson,Cláudia Pazos Alonso,2013 An essential chronological framework for students of Portuguese literature This companion volume offers an introduction to European Portuguese literature for university level readers It consists of a chronological overview of Portuguese literature from the twelfth century to the present day by some ofthe most distinguished

literary scholars of recent years leading into substantial essays centred on major authors genres or periods and a study of the history of translations It does not attempt an encyclopaedic coverage of Portuguese literature but provides essential chronological and bibliographical information on all major authors and genres with more extensive treatment of key works and literary figures and a particular focus on the modern period It is unashamedly canonical rather than thematic in its examination of central authors and periods without neglecting female writers In this way it provides basic reference materials for students beginning the study of Portuguese literature and for a wider audience looking for general or specific information The editors have made a principled decision to exclude both Brazilian and African literature which demand separate treatment STEPHEN PARKINSON CLAUDIA PAZOS ALONSO and T F EARLE are all members of the Sub Faculty of Portuguese at the University of Oxford CONTRIBUTORS Vanda Anast cio Helena Carvalho Buescu Rip Cohen T F Earle David Frier Lu s Gomes Mariana Gray de Castro Helder Macedo Patricia Odber de Baubeta Hilary Owen Stephen Parkinson Cl udia Pazos Alonso Juliet Perkins Teresa Pinto Coelho Phillip Rothwell Mark Sabine Claire Williams Clive Willis
