Beyond Market Value chronicles Annette Campbell White's remarkable life from a childhood spent in remote mining camps throughout the British Commonwealth where books created an imaginary home to her early adulthood in London where she first discovered a vocation as a book collector to Silicon Valley where she built a pioneering career as a formidable venture capitalist She recalls the impulsive purchase of the first book in her collection T S Eliot's *A Song for Simeon* and her pursuit of rare editions of all one hundred titles listed in Cyril Connolly's *The Modern Movement* Campbell White's collecting and career peaked in 2005 when she acquired the last of the Connolly titles and was first named to Forbes Midas List the annual ranking of the most successful dealmakers in venture capital In 2007 out of concern for their preservation Campbell White rashly sold the Connolly titles she had spent more than twenty years assembling leading to a new appreciation of what remained of her collection and going forward a broader focus on collecting modernist letters manuscripts and ephemera *Beyond Market Value* is both a loving tribute to literary collecting and a telling account of the challenges of being a woman in the male dominated world of finance
