Modern Poetry After Modernism:

Modern Poetry after Modernism James Longenbach, 1997-11-27 In this book James Longenbach develops a fresh approach to major American poetry after modernism Rethinking the influential breakthrough narrative the oft told story of postmodern poets throwing off their modernist shackles in the 1950s Longenbach offers a more nuanced perspective Reading a diverse range of poets John Ashbery Elizabeth Bishop Amy Clampitt Jorie Graham Richard Howard Randall Jarrell Robert Lowell Robert Pinsky and Richard Wilbur Longenbach reveals that American poets since mid century have not so much disowned their modernist past as extended elements of modernism that other readers have suppressed or neglected to see In the process Longenbach allows readers to experience the wide variety of poetries written in our time without asking us to choose between them Modern Poetry After Modernism James Longenbach, 1997 Reading a diverse range of poets John Ashbery Elizabeth Bishop Amy Clampitt Jorie Graham Richard Howard Randall Jarrell Robert Lowell Robert Pinsky and Richard Wilbur Longenbach reveals that American poets since mid century have not so much disowned their modernist past as extended elements of modernism that other readers have suppressed or neglected to see *Poetry After Modernism* Robert McDowell, 1991 Poetry After Modernism Story Line s most successful anthology of criticism was recognized and widely praised for raising the level of discourse on poetry This expanded edition retains seven original essays and adds seven new pieces As editor Robert McDowell points out Poets who can write good critical prose from distinctive points of view are the most reliable guides to the news we need to hear most **A History of Modern Poetry** David Perkins, 1987 **Poetry After Modernism** Robert McDowell, 1998 Poetry After Modernism Story Line s most successful anthology of criticism was recognized and widely praised for raising the level of discourse on poetry This expanded edition retains seven original essays and adds seven new pieces As editor Robert McDowell points out Poets who can write good critical prose from distinctive points of view are the most reliable guides to the news we need to hear most *The New American Poetry and Cold War Nationalism* Stephan Delbos, 2021-08-20 This book examines Donald M Allen s crucially influential poetry anthology *The New American Poetry* 1945 1960 from the perspectives of American Cold War nationalism and literary transnationalism considering how the anthology expresses and challenges Cold War norms claiming post war Anglophone poetic innovation for the United States and reflecting the conservative American society of the 1950s Examining the crossroads of politics social life and literature during the Cold War this book puts Allen s anthology into its historical context and reveals how the editor was influenced by the volatile climate of nationalism and politics that pervaded every aspect of American life during the Cold War Reconsidering the dramatic influence that Allen s anthology has had on the way we think about and anthologize American poetry and recontextualizing *The New American Poetry* as a document of the Cold War this study not only helps us come to a more accurate understanding of how the anthology came into being but also encourages new ways of thinking about all of Anglophone poetry from the twentieth century and today *Midcentury Suspension* Claire Seiler, 2020-08-11

How did literary artists confront the middle of a century already defined by two global wars and newly faced with a nuclear future Midcentury Suspension argues that a sense of suspension a feeling of being between beginnings and endings recent horrors and opaque horizons shaped transatlantic literary forms and cultural expression in this singular moment Rooted in extensive archival research in literary print and public cultures of the Anglophone North Atlantic Claire Seiler s account of midcentury suspension ranges across key works of the late 1940s and early 1950s by authors such as W H Auden Samuel Beckett Elizabeth Bishop Elizabeth Bowen Ralph Ellison and Frank O Hara Seiler reveals how these writers cultivated modes of suspension that spoke to the felt texture of life at midcentury Running counter to the tendency to frame midcentury literature in the terms of modernism or of our contemporary Midcentury Suspension reorients twentieth century literary study around the epoch s fraught middle

The Cambridge History of American Poetry Alfred Bendixen, Stephen Burt, 2014-10-27 The Cambridge History of American Poetry offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times The Cambridge History of American Poetry recognizes the existence of multiple traditions and a dramatically fluid canon providing current perspectives on both major authors and a number of representative figures whose work embodies the diversity of America s democratic traditions

The Poem Is You Stephanie Burt, 2016-09-12 The variety of contemporary American poetry leaves many readers overwhelmed Critic scholar and poet Stephanie Burt sets out to help Beginning in the early 1980s where critical consensus ends she presents 60 poems each with an original essay explaining how the poem works why it matters and how it speaks to other parts of art and culture
