

Modern Russia I

Nancy Kollmann

Modern Russia I:

The Making of Modern Russia Lionel Kochan, Richard Abraham, 1983 **A History of Modern Russia from Nicholas II to Vladimir Putin** Robert Service, 2005 Robert Service here presents a comprehensive overview of 20th century Russian history that treats the years from 1917 to 2000 as a single period and analyses the peculiar mixture of political economic and social ingredients that made up the Soviet compound **A History of Modern Russia** Mauricio Borrero, Roxanne Easley, Mark Davis Kuss, Thomas Pearson, 2020-03-16 Modern Russian History The Search for National Identity and Global Power exposes readers to the rich history of Russia emphasizing the major forces and factors that shaped its development as a nation and an empire Students are encouraged to draw connections between influential forces and factors both historical and contemporary to better understand Russia's past and current strategic goals as well as the Russian sense of identity and place in global society The opening chapter introduces key themes and factors of Russian history including the physical setting the role of the autocratic state the institution of serfdom the multinational empire and the West each of which represent challenges and opportunities the Russian people and the nation's rulers have encountered over time The book features five distinct parts which proceed in chronological order and cover late imperial Russia the 1917 Russian revolutions the creation of the USSR the Cold War and tensions with the United States and post Soviet Russia and modern events Modern Russian History is part of the Cognella History of Europe Series a collection of textbooks that help students discover the power influence and dynamic nature of European countries and their histories **Basic History of Modern Russia** Hans Kohn, 1957 Coxe Russia in 1790 Clarke Russian Nobility in 1800 Alexander Proclamation of 1812 Chaadayev Peter's Legacy Gogol Russia's Mission Herzen Liberty to Russia Patriotism and Slaves Russia and the United States Haxthausen The Mir and the Land Wallace Serfs and Emancipation Russian Cities in the 1870s Terror and Liberty Revolution Freedom and Violence Solovev Against the Slavophiles Pobyedonostsev Fallacy of Western Democracy Kennan Exile in Siberia Tolstoy Open Letter to Nicolai II Melnik Government and Duma Lenin The Revolution of 1905 Nicolai II Declaration of Abdication Kautsky Lenin and the 1917 Revolution Krushchev The Stalin Era **Imperial Russia 1682-1825** Marc Raeff, 1971 **Modern Russia: the Basics** Charlotte Alston, 2017-11-22 Modern Russia The Basics is an accessible introduction to the key events and transformations which have taken place in Russia from the late 19th century to the present day Exploring the subject in seven clearly defined chronological periods this text examines the politics economics culture of Russia and studies its evolving relationship with neighbouring states Subjects covered include The Russian Empire and Revolutionary Russia The development of Soviet society under Stalin's system The Great Patriotic War and emergence of Russia as a global superpower Cold War politics and tensions from the Soviet perspective The collapse of the Soviet Union and its impact on society Russia in the 21st Century and beyond Alive with current scholarship and debates maps and further reading throughout Modern Russia The Basics is a valuable resource for all those taking courses in Russian history and

society **A HISTORY OF MODERN RUSSIA** Robert Service, 2013-02-04 Russia had an extraordinary twentieth century undergoing upheaval and transformation Updating his acclaimed History of Modern Russia Robert Service provides a panoramic perspective on a country whose Soviet past encompassed revolution civil war mass terror and two world wars He shows how seven decades of communist rule which penetrated every aspect of Soviet life continue to influence Russia today This new edition takes the story from 2002 through the entire presidency of Vladimir Putin to the election of his successor Dmitri Medvedev Misinterpreting Modern Russia Bruno S. Sergi, 2011-10-27 When President Vladimir Putin ascended to the Kremlin at the end of the 1990s he had to struggle with the after effects of Boris Yeltsin's political agenda outrageous corruption endless social injustice and deeply entrenched interests dating back to Gorbachev and beyond From the outset Putin saw his task as leveling out the political scenery Discontent had been building up among ordinary Russians on these consequences of the dramatically unstable 1990s Stabilization of the political system and cleaning up the widespread corruption were Putin's aims and the Russian people supported him wholeheartedly Many observers in the West were quick to condemn Putin and depict him as an authoritarian dishonest leader who was still linked to the KGB When asked why Russians were supporting the new Kremlin many experts explained that it was a paradox that combined the country's supposed history of tyranny and its people's inclination towards it These explanations shaped the West's understanding of modern Russia and they appear to be unshakeable in cultural circles today Bruno Sergi argues in this new study that the way to know the complete story behind how Putin's presidency has been viewed in Russia is to examine closely the hard realities that conditioned Putin's policies and responses Misinterpreting Modern Russia Western Views of Putin and his Presidency looks beyond the stereotypes to the hard logic of the 1990s and asks a range of provocative questions about the disintegration of the old Soviet empire and the extraordinary riches that have caused so much opportunity and turmoil in recent years **Marriage, Household, and Home in Modern Russia** Barbara Alpern Engel, 2021-09-09 Barbara Alpern Engel's Marriage Household and Home in Modern Russia is the first book to explore the intricacies of domestic life in Russia across the modern period Surveying the period from 1700 right up to the present day the book explores the marital and domestic arrangements of Russians at multiple levels of society and the impact of broader historical developments including war and revolution upon them It also traces the evolution of marriage household and home as institutions over three centuries whilst also highlighting the inter relationship between public policy and private life in what is a wholly original historical assessment of domesticity in modern Russia In the process the author expertly synthesizes the key works arguments and discussions in the field mapping out the historiographical landscape of this compelling aspect of Russian social history Marriage Household and Home in Modern Russia is crucial reading for any student or scholar of modern Russian history **Modern Russia** Grigoriĭ Aleksinskiĭ, 1915 *Between East and West* R. D. Charques, 2012-08-07 An authoritative short history of Russia from the mysterious origins of the nation state to the death of Stalin A classic work now

back in print for the first time since 1956 and still regarded as one of the groundbreaking books on the subject this narrative history of Russia was the first to encompass the myth befogged beginnings of the nation state the rise and cataclysmic fall of tsarism and the Spartan years of the U S S R Charques emphasizes three points of view that autocracy has played a dominant role throughout all of Russian history that serfdom is the fabric of Russia s social history and that it is of paramount importance to recognize Russia s present regime under Putin and Medvedev as the latest phase in a long history of oppression

The Origins of Modern Russia Jan Kucharzewski,1948 **Myth Making in the Soviet Union and Modern Russia** Vicky Davis,2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state s appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today

The Emergence of Modern Russia, 1801-1917 Sergei Germanovich Pushkarev,1963 *Law and the Christian Tradition in Modern Russia* Paul Valliere,Randall A. Poole,2021-09-16 This book authored by an international group of scholars focuses on a vibrant central current within the history of Russian legal thought how Christianity and theistic belief generally has inspired the aspiration to the rule of law in Russia informed Russian philosophies of law and shaped legal practices Following a substantial introduction to the phenomenon of Russian legal consciousness the volume presents twelve concise non technical portraits of modern Russian jurists and philosophers of law whose thought was shaped significantly by Orthodox Christian faith or theistic belief Also included are chapters on the role the Orthodox Church has played in the legal culture of Russia and on the contribution of modern Russian scholars to the critical investigation of Orthodox canon law The collection embraces the most creative period of Russian legal thought the century and a half from the later Enlightenment to the Russian emigration following the Bolshevik Revolution This book will merit the attention of anyone interested in the connections between law and religion in modern times

Celebrity and Glamour in Contemporary Russia Helena Goscilo,Vlad Strukov,2010-10-04 This is the first book to explore the phenomenon of glamour and celebrity in contemporary Russian culture ranging across media forms disciplinary boundaries

and modes of inquiry with particular emphasis on the media personality Considering both general tendencies and individual celebrities it examines the internal dynamics of the institutions involved in the production marketing and maintenance of celebrities and the context and imperatives which drive Russian society's fascination with glamour and celebrity

The Politics of Security in Modern Russia Dr Mark Galeotti, 2013-03-28 The Putin era saw a striking securitization of politics something that he has bequeathed to his chosen successor Dmitry Medvedev The omens from the early days of the Medvedev presidency have been mixed marked both by less confrontational rhetoric towards the West and by war with Georgia and continued re armament Has the Medvedev generation learned the lessons not just from the Soviet era but also from the Yeltsin and Putin presidencies or will security remain the foundation of Russian foreign and domestic policy Fully up to date to reflect the evolving Medvedev presidency the 2008 Georgian war and the impact of the economic downturn this volume is a much needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary Russian politics The combination of original scholarship with extensive empirical research makes this volume an invaluable resource for all students and researchers of Russian politics and security affairs

Crime and Punishment in Early Modern Russia Nancy Kollmann, 2012-10-11 This is a magisterial account of the day to day practice of Russian criminal justice in the seventeenth and early eighteenth centuries Nancy Kollmann contrasts Russian written law with its pragmatic application by local judges arguing that this combination of formal law and legal institutions with informal flexible practice contributed to the country's social and political stability She also places Russian developments in the broader context of early modern European state building strategies of governance and legal practice She compares Russia's rituals of execution to the spectacles of suffering of contemporary European capital punishment and uncovers the dramatic ways in which even the tsar himself complying with Moscow's ideologies of legitimacy bent to the moral economy of the crowd in moments of uprising Throughout the book assesses how criminal legal practice used violence strategically administering horrific punishments in some cases and in others accommodating with local communities and popular concepts of justice

Holy Sobriety in Modern Russia Page Herrlinger, 2023-08-15 No detailed description available for Holy Sobriety in Modern Russia

Pretenders and Popular Monarchism in Early Modern Russia Maureen Perrie, 2002-04-11 The first western account of the role of pretenders and impostors in early seventeenth century Russia
