Modern Swedish Poetry In Translation:

Modern Swedish Poetry in Translation Gunnar Harding, Anselm Hollo, 1979 *Modern Poetry in Translation*, 1975 A
Child Is Not a Knife Göran Sonnevi, 2023-06-06 Göran Sonnevi is one of Sweden's most celebrated, respected and prolific poets. For this first book-length selection of Sonnevi to appear in English, Rika Lesser has chosen works written between 1971 and 1989, although most of the poems come from the last decade and from Sonnevi's last three books, which form part of the single, endlessly unending, infinite, interminable poem that he continues to write from book to book. Of Lesser's introduction to the work, Richard Howard writes: Lesser's wonderful prose texts at the outset provide not only an ingress into complex and baffling matter, but one of the most determined statements of the translator's text since Walter Benjamin's *From Land to Land* (1982). We are here in the ultimate lives of our bodies, negations of the ultimate negation. We are complete parts of the world. We rise up out of infinity like the limestone flats from the sea. Like the stars, we are denials of infinity. One day we shall reach all the way there. The Palgrave Handbook of Literary Translation Jean Boase-Beier, Lina Fisher, Hiroko Furukawa, 2018-06-26
This Handbook offers a comprehensive and engaging overview of contemporary issues in Literary Translation research through in-depth investigations of actual case studies of particular works, authors or translators. Leading researchers from across the globe discuss best practice, problems and possibilities in the translation of poetry, novels, memoir and theatre. Divided into three sections, these illuminating analyses also address broad themes including translation style, the author-translator-reader relationship and relationships between national identity and literary translation. The case studies are drawn from languages and language varieties such as Catalan, Chinese, Dutch, English, French, German, Hebrew, Italian, Japanese, Nigerian English, Russian, Spanish, Scottish English and Turkish. The editors provide thorough introductory and concluding chapters which highlight the value of case study research and explore in detail the importance of the theory-practice link. Covering a wide range of topics, perspectives, methods, languages and geographies, this handbook will provide a valuable resource for researchers not only in Translation Studies but also in the related fields of Linguistics, Languages and Cultural Studies, Stylistics, Comparative Literature or Literary Studies. *Sociologies of Poetry Translation* Jacob
Blakesley, 2018-11-29 While the sociology of literary translation is well established and even flourishing, the same cannot be said for the sociology of poetry translation. *Sociologies of Poetry Translation* features scholars who address poetry translation from sociological perspectives in order to catalyze new methods of investigating poetry translation. This book makes the case for a move from the singular sociology of poetry translation to the pluralist sociologies in order to account for the rich variety of approaches that are currently emerging to deal with poetry translation. It also aims to bridge the gap between the cultural turn and the sociological turn in Translation Studies, with the range of contributions showcasing the rich diversity of approaches to analysing poetry translation from socio-cultural, socio-historical, socio-political and micro-social perspectives. Contributors draw on theorists including Pierre Bourdieu and Niklas Luhmann and assess poetry translation from and/or into

Catalan Czech English French German Italian Russian Slovakian Spanish Swahili and Swedish A wide range of topics are featured in the book including trends in poetry translation in the modern global book market the commissioning and publishing of poetry translations in the United States of America modern English language translations of Dante women poet translators in mid 19th century Ireland translations of Russian poetry anthologies into modern English the translation of Shakespeare's plays and sonnets in post colonial Tanzania and socialist Czechoslovakia translations and translators of Italian poetry into 20th and 21st century Sweden modern European poet translators and collaborative writing between prominent English and Spanish poet translators Columbia Dictionary of Modern European Literature Jean Albert Bédé, William Benbow Edgerton, 1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today

The Incorporative Consciousness of Robert Bly Victoria Frenkel Harris, 1992 Victoria Frenkel Harris traces the aesthetic journey of poet Robert Bly from his early structured works of mystical imagery and lyrical landscapes to his recent explorations of intimate relationships and male socialization Examining the various ways Bly's prose poems articulate his opposition to the Vietnam War and his recent writings manipulate more formal patterns in detailing the intricacies of human relationships Harris labels this evolution in form subject and imagery the incorporative consciousness incorporative because it assimilates Jungian psychological categories international poetic traditions and a compelling breadth of topics Harris relies in part on contemporary feminist theory to throw revealing new light on Bly's recent works Though sympathetic to Bly Harris finds that in spite of his affirmation of the interaction of psychic creative and intellectual energies in both sexes the poet's later erotic poems tend to objectify women in counterproductive ways Bly's idealization of woman as a Jungian universal Harris contends can blind him toward actual women Harris is at her best as she delimits with balance and precision the full complexity of the poet's work

Letters of Blood and Other Works in English Göran Printz-Påhlson, 2011 This collection brings together for the first time select works in English by the major Swedish modernist poet and critic Goran Printz Pahlson It was Printz Pahlson who introduced poetic modernism to Scandinavia and his essays and poems delve deeply into English American and continental modernist traditions As well as Letters of Blood the collection includes the full text of The Words of the Tribe a major statement on modern poetics in which Printz Pahlson explores the significance of primitivism in Romanticism and Modernism and the nature of metaphor and literary materialism The collection also includes essays on style irony realism and the relationship between historical drama and historical fiction as well as studies of American poetry Printz Pahlson s poetry in English continues to explore these themes by different often surprisingly innovative means Minor edits to this book have been made in May 2016

Books and Notes Los Angeles County Public Library, 1926 An International Annotated Bibliography of Strindberg Studies 1870-2005: Autobiographies, novels, poetry, letters, historical works, natural history and science, linguistics, painting and the other arts, politics, psychopathology, biography, miscellaneous, dissertations Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg s works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 2 The Plays 978 0 947623 82 1 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich

Constructing a System of Irregularities Chee Lay Tan, 2015-11-25 This book investigates the poetics of three of the most internationally renowned contemporary Chinese

poets Bei Dao Yang Lian and Duoduo who were all exiled from China after the 1989 Tiananmen student movement Their poetry was later to be labelled Misty poetry Menglongshi Emphasising polyvalent imagery and irregular syntax Misty poetry engenders a multiplicity of meanings often leading to interpretational indeterminacy This book examines three aspects of the Mistiness of the poets oeuvre the socio historic background where Misty poets live and write imagery and linguistic elements After first identifying the roots of Mistiness this book identifies imagistic and linguistic clues in order to construct a hermeneutical system that examines the irregularities of the Misty poetics and appreciates the polysemy of the poets works Stylometry is used to analyse image frequency and its significance in a stylistic manner and a semiotic approach is then systematically applied to analyse the poets highly irregular images syntax and the different effects of their poems obscurity Through these approaches that unveil the poems evocativeness the irregularity of the poetry s Mistiness is established as its most powerful linguistic and imagistic aspect The book then places the three poets different misty characteristics into contrast Bei Dao s twisted imagery and elliptical syntax Yang s imagery in a classically inspired syntax and Duoduo s integration of images into a rhythmic syntax While the poets progressions from pre to post exile poetics suggest the potential of a non nationally specific or borderless poetics their seemingly irregular poetic Mistiness is the most powerful trait of Misty poetry for evoking its system of multifaceted significations and alternative aesthetics

The Routledge Handbook of International Beat Literature A. Robert Lee, 2018-05-16 Beat literature Have not the great canonical names long grown familiar Ginsberg Kerouac Burroughs Likewise the frontline texts still controversial in some quarters assume their place in modern American literary history On the Road serves as Homeric journey epic Howl amounts to Beat anthem confessional outcry against materialism and war Naked Lunch with its dark satiric laughter envisions a dystopian world of power and word virus But if these are all essentially America centered Beat has also had quite other literary exhalations and which invite far more than mere reception study These are voices from across the Americas of Canada and Mexico the Anglophone world of England Scotland or Australia the Europe of France or Italy and from the Mediterranean of Greece and the Maghreb and from Scandinavia and Russia together with the Asia of Japan and China This anthology of essays maps relevant other kinds of Beat voice names texts The scope is hemispheric Atlantic and Pacific West and East It gives recognition to the Beat inscribed in languages other than English and reflective of different cultural histories Likewise the majority of contributors come from origins or affiliations beyond the US whether in a different English or languages spanning Spanish Danish Turkish Greek or Chinese The aim is to recognize an enlarged Beat literary map its creative internationalism

In Other Words Barbara Williams, 2022-04-11 Sixteen of Australia s foremost poets are featured in this volume They talk candidly about their lives and work of the craft the rigour the pangs and pleasures of their calling of winged moments caught however fleetingly on the page These writers also speak of transformation and transcendence the creative process their individual modes and methods of writing and the act of writing itself The interviews provide valuable insights on such topics as gender and writing

Song Lyrics and Literary History Gunilla Hermansson, 2025-06-12 Paving new paths for the study of the history of literature this study explores the intricate networks of one single poem across two centuries the Vrvindar friska a poem meant to be sung The Swedish song Vrvindar friska Fresh Spring Breezes started its public life in 1828 between the covers of a book as a poem written to a traditional melody Since then it has been reprinted translated performed and used in the most surprising contexts in different corners of the world This particular case may be rather exceptional but Gunilla Hermansson argues that the underlying dynamics are not and yet they have been underexposed in studies of literary history This exploration of Vrvindar friska reveals the rich and intricate network of one text and uncovers new facets of how people have engaged with word art in their everyday lives in the modern era This network includes untraditional yet widespread uses of poetry and lyrics in lonely hearts columns and railway work and seemingly strange bedfellows such as a constellation of Nordic folk songs and American plantation songs The afterlives of this song evoke questions concerning class gender race citizenship technology and modernity from new angles as well as theoretical and methodological questions of circulation textual instability canonization paradigmatic turns uses and misuses Song Lyrics and Literary History demonstrates how poetry is transformed when shared across time borders media and social and ideological divides Being attentive to poetry meant to be sung Hermansson argues opens to a fuller and more representative picture of the cultural history of literature
