Moira Orfei In Aiguesmortes:

Circus Wayne Koestenbaum, 2019-07-09 A new edition of a dazzlingly seductive fever dream written in brilliant poetic vernacular Bookforum by a beloved poet and cultural critic now with an introduction by Rachel Kushner For five years concert pianist Theo Mangrove has been living at his family's home in East Kill New York recovering from a nervous breakdown that derailed his career and attempting to relieve his relentless polysexual appetite in the company of male hustlers random strangers music students his aunt and occasionally his wife As he prepares for a comeback recital in Aigues Mortes a walled medieval town in southern France he becomes obsessed with the idea that the Italian circus star Moira Orfei must join him there to perform alongside him Extravagantly and tragically describing his hallucinatory plans in a series of twenty five notebooks he assembles an incantatory meditation on performance failure fame decay and delusion If Debussy and Robert Walser had collaborated on an opera it would sound like this John Ashbery *Moira Orfei in Aigues-Mortes*

Wayne Koestenbaum, 2004 Five years of breakdown separate pianist Theo Mangrove's last recital in Europe from his planned comeback in Aigues Mortes the town of dead water At home in tiny East Kills NY Theo begins jotting in 25 notebooks purchased all at once and addressed to his mother Theo's wife aside from servicing two of Theo's twenty daily erections will have nothing to do with him The other eighteen taken care of by male hustlers random strangers in YMCA locker rooms and naked piano students contribute to Theo's sense of dissolution as his comeback approaches Overcome with the belief that Moira Orfei queen of the Italian circus during the 1960's must perform with him Theo begins to write to her and to pen what may or may not be her cryptic replies into his notebooks In a fugue of notes and troubling memories Theo prepares for Aigues Mortes struggling with Moira's guidance towards one final full celebration of the partial the flawed the almost the not quite Peopled by piano playing relatives prostitutes muses and manipulators poet and cultural critic Wayne Koestenbaum's first novel shines a hot light on the treacherous crossroads of sex death family and popular culture *Between Men* Richard Canning, 2007-05-17 Lambda Literary Award winning editor Richard Canning brings together all new work by Edmund White Dale Peck James McCourt Andrew Holleran and others **Jackie Under My Skin** Wayne Koestenbaum, 2013-09-17 Jackie Under My Skin is a nuanced description of how Jacqueline Kennedy Onassis transformed our definitions of personal identity and style As Wayne Koestenbaum follows her into America's dreamwork far from pious family values he dares to see her as a pleasure principle a figure of Circean extravagance and liberates her from the propagandistic uses to which her image is often harnessed Dennis Cooper Paul Hegarty, Danny Kennedy, 2012 Dennis Cooper's writing has acquired a ferocious reputation for its bold experimentation its transgressive content and its emotional content which is both Romantic and touching whilst cold and hard edged For over twenty years Cooper has explored the boundaries of human living and sexuality's centrality to that living The extreme situations he develops in his writing bring out parts of gay experience that a consensual community often shies away from likewise the heterosexual mainstream His most important genre is undoubtedly

fiction but Cooper has also written poetry large quantities of journalistic works notably for Artforum and Spin and recently has had great success and recognition with theatrical works The book enters deep into the worlds Cooper fabricates and into the coolness of his expression This challenging work is addressed by a group of mostly young and new critical writers and academics who provide creative responses to Cooper s artistry The contributions which cover the breadth of Cooper s work develop themes and devices that advance his profound and disturbing world view In addition to the artistic responses the topics in the critical pieces range from sexuality in the suburbs to neurological responses to the work via the limits and possibilities of bodies Others look at the implications of contemporary electronic communication as outlined in Cooper s recent work or the use of space Cooper s writing receives a multi faceted contextualisation and his literary ideas are made accessible to any reader interested in learning why Cooper is today regarded as one of the foremost writers in expressing the psychological point behind the centrality of sexual expression **LGBTQ America Today** John Charles Hawley,2008-11-30

acknowledge the universal embarrassing predicament of living in our own bodies With an unusual disarming blend of autobiography and cultural commentary noted poet and critic Wayne Koestenbaum takes us through a spectrum of mortifying circumstances in history literature art current events music film and his own life His generous disclosures and brilliant observations go beyond prurience to create a poetics of abasement Inventive poignant erudite and playful Humiliation plunges into one of the most disquieting of human experiences with reflections at once emboldening and humane
