Who's Who in Black St. Louis C. Sunny Martin, 2006-11 *Conjuring Moments in African American Literature* K. Samuel, 2012-12-27 This book engages the ways African American authors have shifted recycled and reinvented the conjure woman in fiction Kameelah Martin Samuel traces her presence and function in twentieth century literature through historical records oral histories blues music and collections of African American folklore **Mo Jo Woman** Dee Frances, **The Companion to Southern Literature** Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take The Companion's authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South's lavishly rich literature provides the best means of understanding the region's deepest nature and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries **Sticks, Stones, Roots & Bones** Stephanie Rose Bird, 2004 Tracing the magical roots of hoodoo back to West Africa the author provides a history of this nature based healing tradition and offers practical advice on how to apply hoodoo magic to everyday life **The Concise Oxford Companion to African American Literature** William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major

works including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary characters such as Bigger Thomas, Coffin Ed Johnson, Kunta Kinte, Sula, Peace, as well as on character types such as Aunt Jemima, Brer Rabbit, John Henry, Stackolee, and the trickster. Icons of black culture are addressed including vivid details about the lives of Muhammad Ali, John Coltrane, Marcus Garvey, Jackie Robinson, John Brown, and Harriet Tubman. Here too are general articles on poetry, fiction, and drama, on autobiography, slave narratives, Sunday School literature, and oratory, as well as on a wide spectrum of related topics. Compact yet thorough, this handy volume gathers works from a vast array of sources from the black periodical press to women's clubs, making it one of the most substantial guides available on the growing, exciting world of African American literature.

The Lever of Riches Joel Mokyr, 1992-04-09 In a world of supercomputers, genetic engineering, and fiber optics, technological creativity is ever more the key to economic success. But why are some nations more creative than others, and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation? Beginning with a fascinating, concise history of technological progress, Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome. What emerges from this survey is often surprising: the classical world, for instance, was largely barren of new technology; the relatively backward society of medieval Europe bristled with inventions; and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution. What were the causes of technological creativity? Mokyr distinguishes between the relationship of inventors and their physical environment, which determined their willingness to challenge nature, and the social environment, which determined the openness to new ideas. He discusses a long list of such factors, showing how they interact to help or hinder a nation's creativity, and then illustrates them by a number of detailed comparative studies, examining the differences between Europe and China, between classical antiquity and medieval Europe, and between Britain and the rest of Europe during the industrial revolution. He examines such aspects as the role of the state, the Chinese gave up a millennium-wide lead in shipping to the Europeans, for example, when an Emperor banned large ocean-going vessels; the impact of science as well as religion, politics, and even nutrition. He questions the importance of such commonly cited factors as the spill-over benefits of war, the abundance of natural resources, life expectancy, and labor costs. Today, an ever greater number of industrial economies are competing in the global market, locked in a struggle that revolves around technological ingenuity. *The Lever of Riches*, with its keen analysis derived from a sweeping survey of creativity throughout history, offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential.

19th Century Love Affair of Joseph Smith & Emma Hale, Annette Bolton, 2017-12-14 The 19th Century Love Affair of

Joseph Smith and Emma Hale was born out of the author's study of LDS polygamy polyandry and child marriage within the early days of the LDS Church. The author's grandfather was a polygamist and could first hand see the strain on the last wife of her grandfather. Grandma Cleo worked and cooked for 45 children during family gatherings. I never saw her tire but I was always sorry for her. I tried to stay out of the way and not get into trouble so I minded my business as was the discipline at that time. My father did not want anything to do with polygamy so our immediate family was spared the pain of that God forsaken lifestyle.

Living Blues, 1990 **Southern Writers** Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars. For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information. Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject.

The Greenwood Encyclopedia of African American Literature: U-Z Hans A. Ostrom, J. David Macey, 2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present. Other works include many brief entries or offer extended biographical sketches of a limited selection of writers. This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics. While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated. Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing.

The Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 1997 This the first comprehensive one volume reference work devoted to African American literature contains much information on little known writers unavailable elsewhere. The book covers all types of genre and examines unique aspects of Afro Americanism.
