Willison,1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Molière et la comédie de mœurs en Angleterre** André de Mandach,1946 ... **Molière et la comédie de mœurs en Angleterre (1660-68)** André Mandach,1946 Molière et la comédie de mœurs en Angleterre André de Mandach,1946 Molière et la comédie de mœurs en Angleterre (1660-1668) André Bernard Mandach,1945 *The Works of John Dryden, Volume X* John Dryden,2023-11-15 Volume X contains three of Dryden s Plays along with accompanying scholarly apparatus The Tempest Tyrannick Love and An Evening s Love Volume X contains three of Dryden s Plays along with accompanying scholarly apparatus The Tempest Tyrannick Love and An Evening s Love Les comédies de R.
