and Orson uncover the Hatter's hat before curtain time **Every Day a Holiday** Elizabeth Raum, 2001 Matches quality children's books with each day of the year to provide a focus for story time The lessons in this book will help children develop creative connections between reading and the world around them introducing them to many other people and places throughout the world Invisible Illness Emily Mendenhall, 2026-01-06 A moving cultural history of disability and a powerful call to action to change how our medical system and society supports those with complex chronic conditions From lupus to Lyme invisible illness is often dismissed by everyone but the sufferers Why does the medical establishment continually insist that when symptoms are hard to explain they are probably just in your head Inspired by her work with long COVID patients medical anthropologist Emily Mendenhall traces the story of complex chronic conditions to show why both research and practice fail so many Mendenhall points out disconnects between the reality of chronic disease which typically involves multiple intersecting problems resulting in unique individualized illness and the assumptions of medical providers who behave as though chronic diseases have uniform effects for everyone And while invisible illnesses have historically been associated with white middle class women being believed that you are sick is even more difficult for patients whose social identities and lived experiences may not align with dominant medical thought Weaving together cultural history with intimate interviews Invisible Illness upholds the experiences of those living with complex illness to expose the failures of the American healthcare system and how we can do better Murder for Rent Giovanna Robinson, Charles Robinson, 1994 Ellery Queen's Mystery Magazine , 1976 **Far from Mecca** Aliyah Khan, 2020-04-17 Far from Mecca Globalizing the Muslim Caribbean is the first academic work on Muslims in the English speaking Caribbean Khan focuses on the fiction poetry and music of Islam in Guyana Trinidad and Jamaica combining archival research ethnography and literary analysis to argue for a historical continuity of Afro and Indo Muslim presence and cultural production in the Caribbean from Arabic language autobiographical and religious texts written by enslaved Sufi West Africans in nineteenth century Jamaica to early twentieth century fictions of post indenture South Asian Muslim indigeneity and El Dorado to the 1990 Jamaat al Muslimeen attempted government coup in Trinidad and its calypso music to judicial cases of contemporary interaction between Caribbean Muslims and global terrorism Khan argues that the Caribbean Muslim subject the fullman a performative identity that relies on gendering and racializing Islam troubles discourses of creolization that are fundamental to postcolonial nationalisms in the Caribbean **Stolen Time** Shane Vogel, 2018-09-07 In 1956 Harry Belafonte's Calypso became the first LP to sell more than a million copies For a few fleeting months calypso music was the top selling genre in the US it even threatened to supplant rock and roll Stolen Time provides a vivid cultural history of this moment and outlines a new framework black fad performance for understanding race performance and mass culture in the twentieth century United States Vogel situates the calypso craze within a cycle of cultural appropriation including the ragtime craze of 1890s and the Negro vogue of the 1920s that encapsulates the culture of the Jim Crow era He follows the fad as it moves defiantly away from any attempt at

authenticity and shamelessly embraces calypso kitsch Although white calypso performers were indeed complicit in a kind of imperialist theft of Trinidadian music and dance Vogel argues black calypso craze performers enacted a different and subtly subversive kind of theft They appropriated not Caribbean culture itself but the US version of it and in so doing they mocked American notions of racial authenticity From musical recordings nightclub acts and television broadcasts to Broadway musicals film and modern dance he shows how performers seized the ephemeral opportunities of the fad to comment on black cultural history and even question the meaning of race itself The Poseidon Project E. is a standalone small town romance in The Kincaids series If you enjoy friends to lovers romances then you'll love Archer Kincaid and Molly Parrish's book Star Falls Sheriff Archer Kincaid thought nothing could shock him anymore until his fiancée skips out on their wedding day In an effort to save face and give his heart a chance to heal he turns to his best friend Only he didn't count on falling in love with her along the way Molly Parrish is done with love but when her best friend is jilted on his wedding day she can't help but help him get over his ex fiancée Platonically of course She's totally not falling for him Like at all When Archer's ex returns to town and asks for help to win him back Molly is convinced she's cursed Can Archer convince Molly to be his permanent plus one The Kincaids The Sheriff's Midnight Kiss short story prequel The Sheriff's Plus One conclusion *The Masks of Mary Renault* Caroline Zilboorg,2013-10-10 Born Eileen Mary Challans in London in 1905 Mary

Renault wrote six successful contemporary novels before turning to the historical fiction about ancient Greece for which she is best known. While Renault's novels are still highly regarded, her life and work have never been completely examined. Caroline Zilboorg seeks to remedy this in *The Masks of Mary Renault* by exploring Renault's identity as a gifted writer and a sexual woman in a society in which neither of these identities was clear or easy. Although Renault's life was anything but ordinary, this fact has often been obscured by her writing. The daughter of a doctor, she grew up comfortably and attended a boarding school in Bristol. She received a degree in English from St Hugh's College in Oxford in 1928 but she chose not to pursue an academic career. Instead, she decided to attend the Radcliffe Infirmary in Oxford where she trained to be a nurse. With the outbreak of the Second World War, she was assigned to the Winford Emergency Hospital in Bristol and briefly worked with Dunkirk evacuees. She went on to work in the Radcliffe Infirmary's brain surgery ward and was there until 1945. It was during her nurse's training that Renault met Julie Mullard, who became her lifelong companion. This important lesbian relationship both resolved and posed many problems for Renault, not the least of which was how she was to write about issues at once intensely personal and socially challenging. In 1939, Renault published her first novel under a pseudonym in order to mask her identity. It was a time when she was struggling not only with her vocation, nursing and writing, but also with her sexual identity in the social and moral context of English life during the war. In 1948, Renault left England with Mullard for South Africa and never returned. It was in South Africa that she made the shift from her early contemporary novels of manners to the mature historical novels of Hellenic life. The classical settings allowed Renault to mask material too explosive to deal with directly while simultaneously giving her an academic freedom to write about subjects vital to her: among them, war, peace, career, women's roles, female and male homosexuality, and bisexuality. Renault's reception complicates an understanding of her achievement for she has a special status within the academic community where she is both widely read and little written about. Her interest in sexuality and specifically in homosexuality and bisexuality, in fluid gender roles and identities, warrants a rereading and reevaluation of her work. Eloquent, well-written and extensively researched, *The Masks of Mary Renault* will be of special value to anyone interested in women's studies or English literature. *The American Wife* Elaine Ford, 2009-07-28. Elaine Ford's collection roams the territory between the intellect and the heart. She writes of the human condition with precision in language that is both grave and conversational. Her characters step out of the real world onto the page where she develops them quietly but with compassionate fullness. This writer grips the reader with her keen knowledge of the psyche of individuals, their motives and secrets, and also with the surprising things that happen to them. Laura Kasischke, judge, Michigan Literary Fiction Awards. Of Elaine Ford's novel *Missed Connections*, the Washington Post wrote that it is a work of small episodes of precise sentences of unusual clarity. That same clarity proves an unsettling force in Ford's stories where precision of prose often belies uncertainties hidden beneath. In the title piece, an American woman in England embroiled in a relationship doomed to fail discovers how little she understands about her own desires and impulses.

In another story another American wife abandoned in Greece by her archaeologist husband struggles to solve a crime no one else believes to have been committed Throughout her stories Ford touches on the mysteries that make up our lives Each story in itself is a masterpiece of such detail and power as to transform the way we see the world

Rhythm and Blues Goes Calypso Timothy Dodge, 2019-03-15 Starting in 1945 and continuing for the next twenty years dozens of African American rhythm and blues artists made records that incorporated West Indian calypso Some of these recordings were remakes or adaptations of existing calypsos but many were original compositions Several such as Stone Cold Dead in de Market by Ella Fitzgerald and Louis Jordan or If You Wanna Be Happy by Jimmy Soul became major hits in both the rhythm and blues and pop music charts While most remained obscurities the fact that over 170 such recordings were made during this time period suggests that there was sustained interest in calypso among rhythm and blues artists and record companies during this era Rhythm and Blues Goes Calypso explores this phenomenon starting with a brief history of calypso music as it developed in its land of origin Trinidad and Tobago the music s arrival in the United States a brief history of the development of rhythm and blues and a detailed description and analysis of the adaptation of calypso by African American R B artists between 1945 and 1965 This book also makes musical and cultural connections between the West Indian immigrant community and the broader African American community that produced this musical hybrid While the number of such recordings was small compared to the total number of rhythm and blues recordings calypso was a persistent and sometimes major component of early rhythm and blues for at least two decades and deserves recognition as part of the history of African American popular music
