Mama, I'm Here Judy Garwood, 2010-10 Dear Reader My Mom died in 1993 Not much was known about Alzheimer s at the time and we definitely didn t have the Alzheimer s drugs we do today In fact medical opinion was that the only way to know if someone actually died of Alzheimer s was to biopsy their brain after they died Now they can detect the brain plaque that indicates Alzheimer s at an early stage I m a child of a Mom who had Alzheimer s Every day I think about it There s a blood test you can take to determine if you will get Alzheimer s but I really don t want to know ahead of time I d rather it be like a surprise party and everyone jumps up at once I don t want to think about it for years before it happens I don t want to wonder if I should go out of the house with a note pinned to my blouse giving my name address phone number and to whom I belong What if you don t belong to anyone I pray they find something to stop Alzheimer s in its horrible progression I don t care if by then I have forgotten where my keys are I can sew them to my purse What I care about is bigger than that I m a writer I worry that I won t remember what words are I m an actor I worry that I won t understand my lines I m a director I worry that

personally changed to care for our needs It tells of the various struggles that we faced along the way The role of a child caring for an elderly parent will be happening more and more in the years to come People are living longer and their chance of getting Alzheimer s disease increases the older they get I wrote this book in hopes of helping other caregivers cope with the whole situation Through the reading of my story I hope you will find comfort guidance and an understanding of the journey you will be undertaking Everyone needs to know what Alzheimer s disease is It is so much more than just forgetting where you put your keys or forgetting someone s name It s not just normal aging The diagnosis of this disease is a death sentence The world needs to become more aware of this horrible illness and what it encompasses **Addiction and Overdose** Connie Goldsmith,2017-08-01 Drug overdosing and death from prescription painkillers and heroin are at epidemic levels in the United States How do people become addicted to opioids and other dangerous drugs and why Meet the experts who study the neurology of addiction Hear stories of addicts in recovery and of loved ones left behind by those who died from overdosing Discover more about the social and economic costs of overdosing and learn about scientific research to decrease it Learn about the connection between addiction and mental health disorders Find out how to identify signs of addiction and overdose and what you can do to help someone get assistance **While I'm Young** Chloelia Salome,2019-09-09 I wrote this book because I think everyone has a story worth sharing It s a reflection on where I come from I know my story isn t special or crazy but it represents who I am People think a lot of things about me and paint me in a way that I never intended to be painted I don t want to be remembered as the girl who authored seven books before turning 20 or the girl who plays violin and composes music runs marathons travels the world models and goes to law school Yes those are things I do But no I want to be remembered for something else where I come from who I am beneath all these resume builders Beneath it all I m a normal girl just like you I have loving parents supportive friends drama and hardships At the end of the day this book is not going to please everyone but that s the risk you take when you write about your life and those in it So here it is For starters my name is technically not Chloelia Salome I m someone you probably don t even know yet **The Hidden Tales** , The Hidden Tales is an anthology knitted with unuttered tales that comprises the hidden emotions and expressions of the Soul the Heart and the Mind It incorporates the solemnness and tenderness of the unexpressed emotions An Artistic treasure filled with varied tales and poetic aesthetics which provokes a magical zeal that presents a dazzling delight among the readers **I Can't Help It. . .I'm Italian!** Fran Vitello Murphy,2006-11 **Nefarious Inside** Tim W Byrd,2015-01-26 Leave this alone If you do not Evil will come for you Time s would be tough for fourteen year old Bridgit Monroe who is only five foot even with long black hair and green eyes and smooth skin and tanned but then they always were It seemed born into a legacy of old ancient beliefs from her father s side whom died when she was only eight year s old from a car accident while on a business trip to London He always seemed to share all he knew of his family heritage with her which was shrouded in Pagan culture but Bridgit s mother never did approve Prologue All the spirits in the world could not convince Mrs Ann Monroe who

was strict upstanding and proper and would not hear of such silliness about the paranormal world To her it was anything but normal and not to be tampered with her rules were her rules and she made sure that Bridgit new that Born and raised in Salem Massachusetts in a nice 3 bedroom manor one of the oldest in Salem all stone and wood on Charter Street Bridgit would no doubt be exposed to the world of witches and spirit s and she knew her mother did not approve but Ann would be sure to keep her from anything religious other than church and Bridgit knew secrecy was the best policy The only other person that knew Bridgit s secret was Abigail Bishop at fourteen year s old herself and five foot four with blonde hair blue eyes and a few freckles being a mild mannered girl and Bridgit s best friend Abigail lived right next door to her in an old Victorian style manor house made of brick Abby lives with her mother Carol and father Miles Abigail was an only child as well and that made for a lot of good fun for the two girl s because they would sneak out late at night to visit The Old Burying Point which is the oldest cemetery in Salem erected in sixteen thirty two This is where they would go and try to contact spirits of the dead Bridgit was mischievous but daring and a little reckless and loved to wear the things that reflected how she was black nail polish black lipstick black clothing The only problem here was she could only wear these things at Abigail s house when she would spend the night and her mother wouldn t know Bridgit s room was just as she wanted it everything black from her bed to her curtains she even had a black apple computer complete with bookcases Now the inside of the Monroe house was more modern having been remodeled before they moved in having bright colored furniture carpeting in every room except the kitchen and bathroom s complete with bay window s Nothing less would do for Mrs Monroe the yard out front was just as big as the back sitting on sixty acres with a long winding driveway with rose bushes leading up to the front door and lady Gloria statues flanking the door s the back yard having a big pond and an old barn that s been there for god knows how long and Ann thinks it is an eyesore and was where Bridgit would spend time alone when she was not at Abigail s Now Abigail s house was more original more antique and everything Bridgit loved having antique furniture and old rug s that were imported from Asia covering some of the hardwood flooring Abigail s room was what Bridgit loved the most original dark hardwood flooring black drapes black furniture and paranormal portraits hanging on the walls of the room with candles of every color it seemed Maybe that s why Bridgit liked it there so much Abigail s front yard was as big as Bridgit s lined with tall boxed shrub s that led to the front door on an old cobblestone drive that ran into the walk way and three trees that stood out in the middle of the yard in the back of the manor there was a pool that was built into the ground and a hot tub with a patio a grill and chairs with some other yard toy s that s been there since Abigail was younger Abigail was daring as well and mild but she was faithful and a follower so she would pretty much do what Bridgit wanted to do
