[Touched by Angels](#) Jane Ingram, 2012-02-29 On September 1, 1939, England declares war on Germany. Over the next three days, masses of children are evacuated from the cities vulnerable to bombings of the Luftwaffe. From the bustling city of London to the quiet open spaces of the Yorkshire Dales, three children, all ten years old, meet on a train. This is the story of three friends, each from different backgrounds, and how they lived through the war for five and a half years.

[In the Moment](#) Lorraine Eckhart, 2017-11-30 Nineteen-year-old Becky Friessen leads an all-too-quiet life on her family's ranch. But when she winds up in the emergency room after an accident, sexy doctor Tom Campbell will introduce her to a new world of excitement and pleasure. What happens when you meet a man you can't take home to meet your parents? Eckhart has done it again; she is a masterful author that leaves you begging for more. Katie Orost, Author Lorraine Eckhart returns with a brand-new generation of Friessens in an engrossing romance series about family, commitment, hope, and making relationships work. In this Friessen Family novel, an unexpected proposition leaves a young woman tempting fate, pursuing a love that will inevitably end in heartbreak. She looked him straight in the eyes, those blue eyes that were so intense. She wondered what they'd be able to get her to do. She was smart, level-headed, and not lacking in self-confidence. She loved who she was; she had a family who loved her, and yet here she was sitting here, discussing giving something to a man she would never have considered giving to anyone. Living on her parents' ranch in the middle of nowhere, Becky Friessen realizes most people would give anything to be part of her family and have the kind of love her parents have, but she needs more than quiet and stability. She craves excitement, action, a spark of adventure, and she won't let anyone steer her into something she doesn't want to do: living in a quiet piece of the world where nothing ever happens. That is, until she

meets a man who shocks her with an indecent proposal that she finds herself actually considering He s a man she could never tell her parents about a man she could never take home to meet the family However fighting this insane attraction between them could drive her down a one way road to heartbreak The Friessens are Back Well written and powerful the characters are unforgettable and you won t be able to put the books down Patti B This book is one of the most emotionally provoking books I have read in a long time Typical of Eckhart s writing the characters are realistically genuine and heartfelt and the story is non traditional enough to cause angst for the beloved Friessen family ahernan *Household Words* ,1885
