The Maltese Missionary Experience Fr John Caruana, [The Humility of Being Found](#) Kevin Cain, 2019-11-19 The need to be rescued is somewhat about personal incompleteness and mostly about God who desires to have loving communion with creation Spiritual rescue follows a simple pattern Messiah is lovingly sent to rescue each has a tendency to fight against the Rescuer personal humility is a statement of faithful surrender and the key to being found the greatest journey of rescue is Jesus Messiah's upper room to empty tomb victory over sin and death now rescued the individual's only responsibility is to bear the Christ Who bears our wounds Such is the journey to rescue In [The Humility of Being Found](#) A Journey To Rescue Kevin B Cain writes Please acknowledge deep within every soul there is division from and longing for communion with the One larger than ourselves and with brothers and sisters in the struggle of life Every division requires rescue and the eternal estrangement of people from the God Who loves them necessitates the greatest of rescues And so whether we realize or not each of us sets out on a journey to discover rescue Thousands of years ago Messiah did the same God descended into a journey not to be rescued but to offer rescue The apostle Paul says Messiah's journey to rescue each of us can be summed up

in three words death burial and resurrection Whether the individual s journey to be rescued is active or passive Jesus journey of death burial and resurrection has brought rescue to all You are now being invited to enter thirty six hours from my personal journal In the pages that follow you will read my chronicling of Jesus Upper Room to empty tomb journey of rescue and my attempt through vigil to journey alongside creation s Rescuer In the written testimony of my journey to be rescued and my stumbling over the Messianic leaf of God s rescue that follows perhaps you too will stumble welcome rescue and rise

Stanley E. Porter,Wendy J. Porter,2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us
