The Blessed Pastor Robert L. Adams,2010-07-13 A raucous multi tongued sound roars in the ears of many pastors The voices speak in the various dialects of church growth and Biblical scholarship in the legalese of congregational polity in the accents of career success and in the language of spiritual devotion These sounds are

accompanied by carefully designed images of the successful pastor C E O visionary leader trusted counselor presuasive preacher anointed prophet selfless missionary Many ministers feel compelled to respond to the clashing voices convinced that if they get the right mix of sounds and images a blessed ministry will follow In the process pastors often become fractured and restless spending long years trying to find joy and peace in ministry The Blessed Pastor invites ministers to meet with Jseus on a quiet hillside and through Jesus Sermon on the Mount discover what the Great Shepherd calls them to truly be and actually do Robert L Adams an experienced pastor and writer brings the words of Jesus into the chaos and complexity of modern pastoral ministry Jesus words teach the pastor what it means to truly preach how to handle the church bully the proper attitude toward money and stuff what a wolf in sheep s clothing looks like and much more The Moment and Late Writings Søren Kierkegaard,2009-10-11 Kierkegaard a poet of ideals and practitioner of the indirect method also had a direct and polemical side He revealed this in several writings throughout his career culminating in The Moment his attack against the established ecclesiastical order Kierkegaard was moved to criticize the church by his differences with Bishop Mynster Primate of the Church of Denmark Although Mynster saw in Kierkegaard a complement to himself and his outlook Kierkegaard challenged Mynster to acknowledge the emptying and estheticizing of Christianity that had occurred in modern Christendom For three years Kierkegaard was silent waiting When Mynster died he was memorialized as an authentic truth witness in the holy chain of truth witnesses that stretches through the ages from the days of the apostles This struck Kierkegaard as blasphemous and inspired him to write a series of articles in F drelandet which he followed with ten numbers of the pamphlet The Moment This volume includes the articles from F drelandet all numbers of The Moment and several other late pieces of Kierkegaard s writing Soft Shepherd or Almighty Pastor Annemie Dillen,2015-03-26 In Soft Shepherd or Almighty Pastor contributors seek to go beyond the taboo on power within pastoral contexts They not only discuss fundamental theological and philosophical questions about power but also develop ways to prevent power abuse in pastoral context Power is considered as omnipresent and is analyzed in its positive and negative aspects Not only the classical associations of power over or domination are discussed in relation to ecclesial and pastoral situations but also forms of power linked to **Breakout Churches** Thom S.
