Mark Le Messurier,2023-05-26 Families classrooms all kinds of human groups are intricate evolving social and emotional worlds They exist to protect and nourish but living in them is not always easy And when one of us is not doing well none of us are This makes them a delicate dynamic messy and endless work in progress This book centres around those moments when we must get involved or call a child out on an unsafe careless or selfish action Pitched well beyond the superficiality of making happy families or obedient classes this book dives into the colour and chaos of life It provides guidance for navigating the commotion and the processes as well as the grit required in the tougher moments It s these moments that reveal what is really happening between children and their parents educators or carers The book outlines a special set of attitudes and

skills described as using our soft eyes and warm hearts In this space we hold a child or teen accountable using an almost counterculture mindset One that connects leadership and strength directly with kindness This humane approach is more likely to leave young people in a position where they might want to feel responsible make amends and changes rather than being forced to If we are to improve our relationships outcomes and futures with this generation of kids we must commit to truthful conversation reflection and preparation Written by trusted author Mark Le Messurier an experienced teacher counsellor and public speaker this is an essential guide for parents carers teachers educational leaders and allied health professionals responsible for the wellbeing of young people Melancholy in Mauve Moments Ian Wilcox,2020-07-16 Ian Wilcox is a 50 plus year old English born aspiring Poet He has a Filipino Partner and adult Filipino Daughter After some little adventures that left him registered Visually Impaired Ian chose writing as a reason to adapt His biggest wish is to both encourage others termed Disabled and the public in general that this word is misspelt and should be Different abled Melancholy in Mauve moments is his 8th Book so far with another planned for later this year Welcome once again to the world he calls The voice of idle mind *The Energies of Love* Donna Eden,David Feinstein,2016-01-19 The bestselling authors of Energy Medicine and Energy Medicine for Women present a complete program for using energy medicine to heal and strengthen romantic relationships A relationship begins with the meeting of two unique energies This union of energies though invisible determines the way you communicate fight love and want to be loved In this groundbreaking book the bestselling authors of Energy Medicine draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others to care about the things they care about but in moments of conflict their take on the situation can overshadow what is actually occurring undermining their ability to empathize with their partner Kinesthetics are generous compassionate and accepting of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others perspectives and feelings Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting
