This is the Truth - Newly Discovered Scientific Facts Revealed in Qur'an and Authentic Hadeeth IslamKotob, **This Is What We Are!** Emmanuel K. Anizoba, 2004 The book is an attempt to describe the origin constitution and destiny of Man Using what the Ancients told us as a starting point a brief genesis of the Universe and Man is given The Universe is shown to be triune comprising a Body a Mind or Soul and a ruling Spirit Man being a miniature Universe is also shown to be triune and composed of a Body a Mind or Soul and an indwelling ruling Spirit The book goes on to show that Man is animal by his body and human by his Mind Soul or Self an organizing intelligence This is what we are partly animal by the Body and partly human by the Mind Soul or Self hence the portrayal of man as Centaur whose human torso is inseparably joined to its equine lower part The fact that Man is partly animal and partly human leads us to the acceptance of our Nature of how and what we are Our Spirit or Father made us the way we are and this is perfect Thus the human Nature needs no amendment With the acceptance of our Nature as we are the Mind realizes that its true mission in the Body is to work closely with the indwelling Spirit with a view to obtaining the latter's maximal growth Optimal growth of the Spirit is the sole objective of evolution and the Mind as husbandman of the Body is expected to contribute positively to the achievement of the growth The Mind as an organizing intelligence acts through the Body and with the help of the Spirit on the outside world This process

has become almost automatic and the Mind has been deluded into believing that it can of itself do anything forgetting that it is actually the Spirit that does everything through the Mind and the Body the book goes on to show that the Paradise that Man once enjoyed can only be regained by a re orientation of the Mind towards the Spirit within The search of the Self the I is for the Spirit within and not for some fictitious Higher Self How can the Self search for itself Who will do the searching No The search is done by the Self and for the Spirit within This search for the Spirit is indeed true religion a return to the source

I Am the Aleph-Tav Samuel Koiki,2019-01-21 Most people will be shocked to know that Jesus appears ten times 1000% more in the Old Testament than he does in the New Testament In fact Jesus the Aleph Tav appears 9612 times uninterpreted in the Old Testament but only 983 times in the New Testament The Aleph Tav is comprised of the first and last characters of the Hebrew language just as the alpha and the omega are the first and last characters of the Greek language The Aleph Tav is also the Hebrew character symbol believed to be the signature of Christ found only in the Hebrew Bible represented by the head of a bull and the sign of a cross Both character symbols clearly point us to Christ the Lamb of God who died for humanity on the cross of Calvary I AM the Aleph Tav unveils the presence of Jesus in the Old Testament first by taking a deep dive into the mystery of the Aleph Tav Although this symbol appears almost ten thousand times in the Old Testament it was never interpreted into any other language and author Samuel Koiki shows how there are parallels between the Old Testament and the statements Jesus made to John in the book of Revelation where Jesus proclaimed that he was the Alpha and the Omega the beginning and the end

in a different way the Aleph Tav Was Jesus telling John that he was there all along when the universe was created in Genesis Perhaps he was telling John that he indeed is the Creator Was he the one who split the Red Sea as told in Exodus Was he the Passover lamb in Leviticus the high priest in Numbers the rock that brought forth water in Deuteronomy or the commander of the Lords army in Judges Was he telling John that he is on every page of the Old Testament all the way to Malachi where he is the Son of righteousness who brings healing This book unlike any other will bless and enrich you abundantly Sit back and embark on this incredible journey with me
