Scott Spencer, 2024-06-04 At the tense intersection of biblical interpretation and contemporary politics this book stands out as an imagined political campaign guide based on a creative deep dive into Luke s vibrant evangelical account of Jesus s messianic mission It seeks to challenge any group that blithely claims Jesus s endorsement of their partisan agendas today but especially those trumpeting authoritarian rule Close attention to Luke s narrative discloses a distinctive figure who strikingly ill fits standard strongman profiles and straitjacket labels Warning If Luke s Jesus doesn t change your vote he might well change your mind challenge your life and shake up your politics along the way *The Bully of Bentonville* Anthony Bianco, 2006-02-14 The largest company in the world by far Wal Mart takes in revenues in excess of 280 billion employs 1 4 million American workers and controls a large share of the business done by almost every U S consumer product company More than 138 million shoppers visit one of its 5 300 stores each week But as recent news stories show Wal Mart s everyday low prices come at a tremendous cost to workers suppliers competitors and consumers The definitive portrait of the juggernaut that is reshaping American The Bully of Bentonville exposes the zealous secretive small town mentality that rules Wal Mart and chronicles its far reaching consequences In a gripping richly textured narrative Anthony Bianco shows how Wal Mart has driven down retail wages throughout the country even as their substandard pay and meager health care policy have led to a double digit employee turnover why their aggressive expansion inevitably puts locally owned stores out of business and how their pricing policies have forced suppliers to outsource work and move thousands of jobs overseas Their power even influences what Americans can read watch and listen to in the name of protecting its customers Wal Mart bans racy magazines and insists on sanitized versions of popular DVDs and CDs Based on countless interviews with Wal Mart employees managers executives competitors suppliers customers and community leaders The Bully of Bentonville illuminates the story behind the headlines and brings the truths about Wal Mart into sharp focus **Correct English and Current Literary Review ...** , 1920 *Dialect Notes* , 1900 **On the Trail of the Jackalope** Michael P. Branch, 2022-03-01 The never before told story of the horned rabbit the myths the hoaxes and the entirely real

scientific breakthroughs it has inspired and how it became a cultural touchstone of the American West Just what is a jackalope Purported to be part jackrabbit and part antelope the jackalope began as a local joke concocted by two young brothers in a small Wyoming town during the Great Depression Their creation quickly spread around the U S where it now regularly appears as innumerable forms of kitsch wall mounts postcards keychains coffee mugs shot glasses and so on A vast body of folk narratives has carried the jackalope s fame around the world to inspire art music film even erotica Although the jackalope is an invention of the imagination it is nevertheless connected to actual horned rabbits which exist in nature and have for centuries been collected and studied by naturalists Around the time the two young boys were creating the first jackalope in Wyoming Dr Richard Shope was making his first breakthrough about the cause of the horns a virus When the virus that causes rabbits to grow horns a keratinous carcinoma was first genetically sequenced in 1984 oncologists were able to use that genetic information to make remarkable field changing advances in the development of anti viral cancer therapies The most important of these is the human papillomavirus HPV vaccine which protects against cervical and other cancers Today jackalopes are literally helping us cure cancer For fans of David Quammen s *The Song of the Dodo* Jon Mooallem s *Wild Ones* or Jeff Meldrum s *Sasquatch* Michael P Branch s remarkable *On the Trail of the Jackalope* is an entertaining and enlightening road trip through the heart of America
