Offense And Defense In Israeli Military Doctrine Jcss Study No 12:

Offense And Defense In Israeli Military Doctrine Ariel Levite, 2019-03-01 This book discusses the existing literature on military doctrines in general and offensive doctrines in particular as well as on causes of their stagnation and sources of innovation It provides the backdrop for an analytical historical review of Israel's offensive military doctrine **Confidence Building Measures In The Middle East** Gabriel Ben-dor, 2019-03-11 Confidence Building Measures CBMs were pioneered in Europe at the height of the Cold War The immediate goal of such measures is to create enough trust between parties in international conflicts to avoid mutually unfavourable sometimes dangerous outcomes due to misunderstandings The long term goal of CBMs is to move the contending parties closer Rabin and Israel's National Security Efraim Inbar, 1999-06-17 For more than forty years Yitzhak Rabin played a critical role in shaping Israeli national security policy and military doctrine He began as a soldier in the Palmach the elite underground unit of the Jewish community in Palestine served in the 1948 War of Independence and ultimately became chief of staff of the Israel Defense Force IDF defense minister in several governments ambassador to the United States and twice prime minister As chief of staff Rabin led the IDF to its triumph in the 1967 Six Day War He was assassinated in 1995 as prime minister as he left a peace rally Drawing on unpublished materials and interviews with important sources including Rabin himself Efraim Inbar's work offers a systematic study of Rabin's strategic thinking and his policies Topics include the evolution of Rabin's thinking his contributions to IDF military buildup his stress on Israel's relationship to the United States his attitudes toward the use of force and his approach to Israel's nuclear status in the Middle East Inbar's conclusion evaluates Rabin's contribution to Israel's national security and assesses Rabin's personal transition from warrior to peace maker Because of Rabin's crucial role in Israel's defense establishment at important junctures in its history this book provides an important view into the security challenges Israel has faced and how the country has responded over four decades The Middle East Military Balance 1993-1994 Shlomo Gazit, 2019-09-10 This annual reference provides a statistical study of military trends in the Middle East and a collection of essays analyzing the details and strategic significance of events in the region The Middle East Military Balance 1993-1994 covers 1993 as well as the first half of 1994 covering amongst other topics the ensuing revolutionary breakthrough in Israeli PLO relations with its main focal points the August 1993 Oslo Declaration of Principles DOP and the May 1994 Cairo agreement Rearming Israel Aharon Klieman, Reuven Pedatzur, 2019-09-16 This study analyzes the key functions of arms planning and procurement in the ongoing Israeli defence effort Part I addresses individual constraints placed on the shaping of arms control policy Part II asks how Israel might best meet its arms needs over the next decade War In The Gulf Joseph Alpher, 2019-03-20 A study by a team of researchers at the Jaffee Centre for Strategic Studies at Tel Aviv University It assesses the strategic ramifications for Israel of military political economic and social aspects of the Gulf War and concludes with a set of policy recommendations for Israel **The Middle East Military Balance 1993-1994** Shlomo

Gazit,2019-09-10 This annual reference provides a statistical study of military trends in the Middle East and a collection of essays analyzing the details and strategic significance of events in the region The Middle East Military Balance 1993 1994 covers 1993 as well as the first half of 1994 covering amongst other topics the ensuing revolutionary breakthrough in Israeli PLO relations with its main focal points the August 1993 Oslo Declaration of Principles DOP and the May 1994 Cairo agreement Technology And Strategy Shai Feldman,2019-07-09 This monograph provides the highlights of an international conference held by the Jaffee Center for Strategic Studies on March 21 24 1987 at Neve Ilan Israel It looks at the main trends of weapons development in NATO and at the directions of Soviet security thinking **Armed Forces in the Middle East** Thomas Keaney,Barry Rubin,2013-11-05 An examination of the Middle East s leading armed forces and their role in both military and political affairs The book considers their missions doctrine training equipment and effectiveness as fighting forces *America, The Gulf, And Israel* Dare Gold,2019-03-01 This book evaluates whether the military preparations made by US in the aftermath of Central Command s CENTCOM establishment represent the kind of change in America s military relationship with the Middle East It also evaluates the implications of the creation of CENTCOM for US Israel relations **Breaking the Phalanx** Douglas A. Macgregor,1997-01-30 This work proposes the reorganization of America s ground forces on the strategic operational and tactical levels Central to the proposal is the simple thesis that the U S Army must take control of its future by exploiting the emerging revolution in military affairs The analysis argues that a new Army warfighting organization will not only be more deployable and effective in Joint operations reorganized information age ground forces will be significantly less expensive to operate maintain and modernize than the Army s current Cold War division based organizations And while ground forces must be equipped with the newest Institute weapons new technology will not fulfill its promise of shaping the battlefield to American advantage if new devices are merely grafted on to old organizations that are not specifically designed to exploit them It is not enough to rely on the infusion of new expensive technology into the American defense establishment to preserve America s strategic dominance in the next century The work makes it clear that planes ships and missiles cannot do the job of defending America s global security issues alone The United States must opt for reform and reorganization of the nation s ground forces and avoid repeating Britain s historic mistake of always fielding an effective army just in time to avoid defeat but too late to deter an aggressor **Continuity and Change in Israeli Security Policy** Mark A. Heller,2013-06-17 How should Israel respond to the changing external threats that confront it This paper argues that the country s traditional security concept is obsolete and must be reformulated How this is achieved depends on developments within the Middle East and on the outcome of current shifts in Israel s politics and society **Israel's Deterrence Strategy Revisited** Efraim Inbar,1994 Israel's National Security Efraim Inbar,2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973 **National Security And Public Opinion In Israel** Asher Arian,2019-04-10 National Security and Public Opinion in

Israel undertakes to depict the patterns of public opinion in Israel regarding national security policy It analyzes some of the issues involved in the relationship between public opinion and the decisionmakers on national security issues *South Yemen's Revolutionary Strategy, 1970-1985* Joseph Kostiner,2019-07-09 This study focuses on South Yemen s attempts to instigate maintain and defend a revolutionary process in its neighboring regions during 1970 1985 It also analyzes the elites strategy making according to their known cultural social and political inclinations **Statecraft In The Dark** Aharon Klieman,2019-06-12 Covert agreements and operations are a fact of world affairs Secrecy in diplomacy remains as much a challenge for international politics as it is for national and foreign policy This study undertakes to address aspects of clandestinely at both the domestic and external levels Secret diplomacy s mixed fortunes in this century are first surveyed

Building Regional Security in the Middle East Emily B. Landau,Tamar Malz,Zeev Maoz,2004-11-23 Discussions on regional security were initiated in the Middle East in 1992 as part of the Middle East peace process The collapse of the Oslo process and other regional developments in the latter half of the 1990s have diminished hopes that the initial gains made in this direction might further develop as violence has again become the primary mode of effecting political changes in the region On the backdrop of this somewhat dismal current reality in the Middle East the rationale for this volume is that research into regional security structures should nevertheless be pursued When looking at the long term process of creating regional security setbacks are not unlikely The articles that make up this collection focus on the problems that have been encountered and possible directions for getting regional efforts back on track A special issue of the Journal of Strategic Studies *National Security And Public Opinion In Israel* Alan Arian,Ilan Talmud,Tamar Hermann,1988-11-10 **ASEAN Defence Reorientation 1975-1992** Joon-Num Mak,1993
