Attention all preachers! This book is for you. Especially if you are not content with your preaching style or with the results you are getting now. I recommend an extemporaneous and conversational style. It doubled the membership in the last church I served. Read it, try it, be willing to be challenged and changed. Let it make your preaching new. Let it bring your preaching the pizzazz and zest it will need to fascinate your listeners and bring them back to be mesmerized again and again. **Biblical Preaching for Today's World** Lloyd Perry, 1990-03-08. Biblical preaching has not outgrown its usefulness. The methods may vary but the message remains the same. God's challenge and call to the preacher still come through loud and clear. Preach the Word. Lloyd M. Perry's *Biblical Preaching for Today's World* has been helping pastors and speakers preach the Word since 1973. Although the principles Perry originally established are timeless, the needs and concerns of audiences are always changing. To help pastors preach more effectively to today's congregations, Perry has updated his original manuscript. He offers pastors help in understanding and adjusting to the effects television has had on an audience's listening skills. Historical references throughout each chapter will also help preachers learn from yesterday's teachers and styles. *Biblical Preaching for Today's World* continues to offer sound, time-tested principles for preaching regardless of the preacher's style. Filled with helpful suggestions, annotated outlines, and solid documentation, it is invaluable reading for all who aspire to preach the Word.

How to Preach without Notes Charles W. Koller, 2007-09-01. This is a classic that has stood the test of time. For forty-five years, seminary students and pastors have benefited from the principles found in this book. Two of Koller's popular texts, *Expository Preaching without Notes* and *Sermons Preached without Notes*, are combined in a single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes. Among the eighteen topics discussed are the biblical conception of preaching, the advantages of preaching without notes, homiletical devices, the importance of structure, and the systematic filing of materials. Now repackaged for the next generation of preachers with a foreword by current Northern Seminary preaching professor Michael J. Quicke, *How to Preach without Notes* is poised to continue its history of strong and steady sales. **The Company of the Preachers, God Be in My Mouth** Doug Gay, 2018-01-31.
