**Police Reform** Tim Prenzler,Janet Ransley,2002 *Police Reform Building Integrity* is about the recurring problem of police corruption and contemporary efforts to find effective strategies to maximise ethical conduct It draws on international experience using Australia as a major source In the last fifteen years Australian policing has been of significant interest because of the combination of advanced democratic processes expos s of serious police corruption and extensive sometimes radical experimentation with prevention strategies The book begins with an overview of developments and issues in police integrity control globally before giving close attention to special problem areas and to innovations in establishing and maintaining best practice These innovations include modern methods of testing police applicants assessing organisational integrity mediating complaints using stings to

reveal secretive corruption creating integrity profiles of officers and units and developing effective independent oversight and investigation of complaints The book is for all stakeholders in police conduct police managers professional standards branch personnel general duties officers recruits civilian oversight agencies civil libertarians politicians police studies scholars and students and the general public The book brings together the latest research on types of misconduct in a form that is readily accessible to a wide range of readers with short clearly focused chapters on specialist topics It balances diagnostic and theoretical explanations of police behaviour with a series of expositions of specific practical strategies for creating ethical departments      **Putting the State on Trial** Margaret E. Beare,Nathalie Des Rosiers,Abigail C.

Deshman,2015-04-01 Canada is often lauded as a model democracy that values the constitutional rights of its citizens So when over a thousand people most of whom were peaceful protesters or hapless bystanders were violently arrested and then detained without charge during the G20 Summit in Toronto in 2010 many Canadians felt shock and outrage Putting the State on Trial The Policing of Protest during the G20 Summit examines the political social and economic conditions that allowed the policing of the summit to culminate in human and civil rights violations Written by a multi disciplinary group of scholars and legal practitioners this book contextualizes events before during and after the summit from a range of perspectives Although the G20 protests serve as a point of departure in every chapter the contributing authors engage with larger questions about the control of dissent the impact of the securitization and internationalization of Canadian politics the implications of legal uncertainty and the accountability vacuum      *Comparative Policing from a Legal Perspective* Monica den Boer, Public police forces are a regular phenomenon in most jurisdictions around the world yet their highly divergent legal context draws surprisingly little attention Bringing together a wide range of police experts from all around the world this book provides an overview of traditional and emerging fields of public policing New material and findings are presented with an international comparative perspective it is a must read for students of policing security and law and professionals in related fields      **The First Amendment in the Trump Era** Timothy Zick,2019 This book catalogues and examines the various First Amendment free speech and press controversies that have roiled the Trump presidency It highlights both what is unique about those controversies and what is consistent with historical patterns From past conflicts and eras the book draws various First Amendment lessons that will help guide readers through the Trump Era
