The Prophecies of Daniel and the Revelations of St John Karl August Auberlen,1856 **The Prophecies of Daniel and the Revelations of St. John, Viewed in Their Mutual Relation ... With an Appendix, by M. Fr. Roos. Translated by the Rev. Adolph Saphir** Carl August AUBERLEN,1856 *The Prophecies of Daniel and the Revelations of St John* Carl August Auberlen,2025-08-22 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Historical Phases of Prophetic Teaching Volume IV Evelyn Theresa Watson,2013-11 In Volume IV the author Evelyn Theresa Watson compares the Revelator s words to scriptural and gospel prophecy verifying the doctrinal mystery and miracle that lie behind the religious warfare of past and present ages Her commentary presents THE REVELATION OF ST JOHN THE DIVINE as a treatise on the life and time of Jesus Christ as the messenger of the messianic message unto the seven churches She attests to the Revelator s seven visions of revealed prophecy which retell the previous two thousand years of unfulfilled scriptural prophecy and foretell one hundred years of fulfilled gospel prophecy The author correlates these two time periods to the nineteen hundred years of biblical prophecy that followed The beginning of the twenty first century marks the end times of the Bible s historical phases of prophetic teaching **Annotations on the Revelation of St. John the Divine** Revere Franklin Weidner,1898 **End-Time Prophecy** Børge Beck,2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom

Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book's meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest **Historical Phases of Prophetic Teaching Volume I** Evelyn Theresa Watson, 2013-11 Historical Phases of Prophetic Teaching is the culmination of the author Evelyn Theresa Watson's forty years of biblical research that authenticates the Bible's statutory code of ethics The code representing the moral principles of covenant law judgment and statute manner is disclosed in a pattern of doctrinal precepts within metaphoric and parabolic prophecy This pattern evolved into doctrinal guidelines that appear on the only Bible based slide rule of its kind the Mortal Immortal Golden Rule of Measure Volume I consists of a manual with illustrations of Old and New Testament text that show the reader how to use the Ark of the Covenant terms on the ruler to loose the seals of biblical prophecy The present century marks four thousand years of Judaic Christian history and the end times of biblical prophecy This recorded time period completes the history of the former Judaic generations and the latter Christian generation in their search for God However the search continues for an all inclusive deity that will unite all nations in the universality of one God The world's search for a unifying deity will advance when individuals accept the one true God based on Genesis One as the reality of it was good and it was so The author's commentary offers the reader an opportunity to become a scholar of honor testifying to the efficacy of scriptural and gospel prophecy The Revelation of Saint John I.C.
