Nonmetropolitan America**

Revitalizing The Northeast Prelude To An Agenda:

Revitalizing the Northeast George Sternlieb, James W. Hughes, 1978 The dilemma of regional decline suddenly has come front and center to public consciousness Increasingly the phenomena of the central city is understood to be most strongly conditioned by the realities of growth and non growth within specific regions of the country The Northeast in its transition from a virtual hegemony of income wealth business control function and cultural dominance to the unsteady state of an imperiled region presents the most dramatic example of this decline As the White House and Congress begin to grapple with the problems of national urban policy and balanced national growth the dilemma of the Northeast becomes even more striking Diseases caught in their infancy are much more easily cured than those that are fully mature What is the disease that has debilitated this most vital organ of our nation And most important what is to be done about it To obtain at least a reliable diagnosis the editors at the Center for Urban Policy Research have sought the opinions of leading figures in the field of urban studies The topics to which they have chosen to address themselves are such stimulating and diverse ones as Industrial Obsolescence Federal Expenditure Patterns Political Dilemmas Intellectual Ambience Tax Incentives Unionization and Labor Force Energy Matrix Capital Supply Planned Shrinkage Intra Governmental Policy International Perspectives Housing and Planning References ,1978 *Urban America in the Eighties* United States. Panel on Policies and Priorities for Metropolitan and Nonmetropolitan Areas,1980 *Urban America in the Eighties* United States. Panel on Policies and Prospects for Metropolitan and Nonmetropolitan America,1980 **Urban America in the Eighties** Donald A. Hicks, First published in Washington by the President's Commission for a National Agenda for the Eighties in 1980 *Back to the City* Shirley Bradway Laska, Daphne Spain, 2016-06-23 *Back to the City* Issues in Neighborhood Renovation focuses on the policies social issues and approaches involved in the residential revitalization of inner cities The book first offers information on an urban land institute survey of private market housing renovation in central cities and reinvestment by long time residents and newcomers Considerations include character of neighborhood renewal reasons for reinvestment timing and an overview of the experience on private renewal The selection also takes a look at the racial and socioeconomic changes in central city housing as well as changes in racial successions limited support for urban revitalization and characteristics of transition households The publication reviews the case studies done at neighborhood resettlements in Washington D C New Orleans Columbus Seattle Charleston and Philadelphia Topics include residential mobility of new homeowners neighborhoods in transitions displacement satisfaction with the neighborhood contrasting conceptions of the neighborhood and historic preservation and neighborhood The selection is a dependable reference for geographers urban planners and sociologists *Intergovernmental Relations in the 1980's* United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Intergovernmental Relations,1981 Energy and Cities John Byrne, Daniel Rich, **A Guide to Information Sources in the Geographical Sciences** Stephen Goddard, 1983-01-01 Geography is a wide ranging discipline

and the number of information sources available is truly enormous These include printed books and journal articles maps satellite photographs archives statistical information and much else One particular problem facing geographers is that when one studies a foreign country information may be available only in the foreign country and difficult to obtain This book discusses the information sources available to geographers

New Directions in Urban Public Housing David Varady, 2017-09-29 Public housing is at a crossroads buffeted by demographic economic and political winds Privatization rehabilitation demolition rent certificates and vouchers tenant management tenant ownership resident empowerment these are just some of the current and proposed policy initiatives that could change the face of urban public housing In this book the nation's foremost housing policy experts explore the problems and identify solutions that will define the future of this essential housing sector The contributors review the origins of public housing policy probe the current policy climate and anticipate new directions Chapters are illustrated with case studies from Boston Chicago Decatur Indianapolis San Francisco and Seattle as well as the United Kingdom The book contains sections addressing historical perspectives social issues design issues comprehensive approaches to public housing revitalization and future directions The contributors include Alexander von Hoffman Peter Marcuse William Petersen Leonard F Heumann Karen A Franck David M Schnee Gayle Epp Lawrence J Vale Richard Best Mary K Nenno Irving Welfeld and James G Stockard Jr This book should be read by all city planners housing officials and government personnel

Federal Workers' Compensation Fraud and Abuse United States. Congress. Senate. Committee on Governmental Affairs. Permanent Subcommittee on Investigations, 1981

The Dependent City Revisited Paul Kantor, 2019-07-11 Here is a book that makes sense of the L A riots homelessness tax giveaways and the other big urban issues that are back in the national spotlight In this streamlined and updated new edition of his classic book The Dependent City Paul Kantor now focuses on economic development and social welfare policies to reveal the key dilemmas of American urban politics Returning to a political economy theme Kantor explores how city governments have struggled to escape and accommodate the reality of their economic dependency in the policies that they've pursued Revisiting cities across the nation Kantor finds not only that they have become more dependent but also that the character of this dependency has changed and deepened Exploring local regimes in the Frostbelt and Sunbelt and in suburbia he finds that they frequently act more like captives of big business rather than as representatives of citizens Local attempts to promote social justice increasingly run up against a wall of economic dependency created by federal policies and business power This book signals how American cities can find ways of overcoming this dependency by working together with states and the federal government to promote healthy democratic urban politics The Dependent City Revisited is an accessible provocative supplement for a wide variety of courses in urban studies and political economy as well as stimulating reading for anyone who is interested in understanding America's urban mosaic

Monthly Labor Review, 1978-08 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

The

Sunbelt Issue John P. Worsham, 1980 *Southern Economic Journal* , 1980 New York--world City Twentieth Century Fund. Task Force on the Future of New York City, Masha Sinnreich, 1980 *The Elderly and Urban Housing* James P. Zais, Thomas Thibodeau, 1983 This book investigates the impact of urban revitalization on the elderly and discusses some broad directions for public policy that include intervening in the market processes assistance in relocation and provision of various services that would enable the elderly to continue living independently in neighborhoods undergoing revitalization The Elderly and Urban Housing will prove useful not only to administrators of organizations that provide technical assistance in the field of housing but also to any professional who works directly with the elderly and their housing needs Back cover

Environment & Planning , 1982 *Aspirations for the '80s* Leonard M. Fleck, 1982 **Urban Change and Poverty** National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on National Urban Policy, 1988-01-01 This up to date review of the critical issues confronting cities and individuals examines the policy implications of the difficult problems that will affect the future of urban America Among the topics covered are the income opportunities and quality of life of urban residents family structure poverty and the underclass the redistribution of people and jobs in urban areas urban economic growth patterns fiscal conditions in large cities and essays on governance and the deteriorating state of cities aging infrastructures
