

The background image is a photograph of a desert landscape. In the foreground, a river flows over a rocky, reddish-brown bed. The water is clear, and its surface reflects the sky and the surrounding vegetation. On the left bank, there are some green shrubs and trees. In the middle ground, there are more green plants and small trees. In the background, there are large, prominent red rock formations, likely sandstone, with some smaller rock spires. The sky is a clear, pale blue.
