HE'S MADE A DANGEROUS WAGER Ambrose Worthing is no gentleman He's a proud cold hearted rake who's determined to stay a bachelor forever He enjoys bedding a different woman every night without the risk of falling in love When he hears about a wager over the seduction and ruination of the daughter of his father's best friend he knows he must intervene Committing himself to the bet he agrees to seduce Lady Alexandra Rockford for her own good He never expected the lady in question to be a beautiful fiery creature who has passions of her own that call to his guarded heart SHE'S VOWED NEVER TO FALL IN LOVE AGAIN Alexandra Rockford has sworn off men her heart still broken from the false promises of a childhood sweetheart who left her to marry an heiress When she stumbles into Ambrose outside of a country ball she knows the rake is trouble His smile his touch his forbidden kiss are all too tempting but being with him would ruin her Determined to enjoy herself without falling in love Alex can't help but let her defenses down with the too charming rake But when she discovers Ambrose is seducing her to win a bet it will take everything Ambrose has to prove to her that he is worthy to love her The Role of interest in Learning and Development K. Ann Renninger,Suzanne

Hidi,Andreas Krapp,2014-02-04 Interest is just emerging as a critical bridge between cognitive and affective issues in both learning and development This developing interest in interest appears to be linked to an increasing concern for studying the

individual in context examining affective variables as opposed to purely structural features of text analyzing the interrelationship of cognitive and social development understanding practical applications of theories of motivation and recognizing the importance of developmental psychology for the study of learning This book addresses both how individual interest and interest inherent in stimuli books text toys etc across subjects affect cognitive performance While the book s particular emphasis is on theory driven research each of the contributing authors offers a unique perspective on understanding interest and its effects on learning and development As such each has contributed a chapter in which particular questions in interest research are described and linked to a clearly stated theoretical perspective and recent findings Relevant material from the broader literatures of psychology and education are analyzed in the context of these discussions In addition the introductory and concluding chapters build on the contributions to the volume by providing the basis of a coherent view of interest across genres such as stories and expository text and domains as varied as play reading and mathematics
